1973

HELD AT GLENS FALLS, NEW YORK

June 21, 22, 23 and 24th

1973 STATE CONVENTION

As a prelude to the official opening of the convention a class initiation was held in the home of Glens Falls Aerie on Wednesday evening June 20, 1973. A large number of delegates and visitors were in attendance. The New York State Officers' Degree Team exemplified the ritual for this special occasion. Following the ceremony a short speaking program was held, at which time all of the State Officers were introduced. State President Edgar Ireland spoke briefly elaborating on the splendid support that he and his staff of officers had received during the year just completed. Immediately following the close of the meeting a Get Acquainted party was held which included dancing and entertainment with a majority of the visitors taking part in the same.

The business sessions for the State Aerie were held in the home of Glens Falls aerie. The State Convention banquet site was the Grand Ballroom of the Queensbury Hotel on Saturday evening June 23rd, 1973.

Registration of delegates started at 10 A.M. Thursday June 21st, 1973 in the home of Glens Falls Aerie.

OFFICIAL OPENING OF THE CONVENTION

The convention was officially opened at 2:25 P.M. on Thursday June 21st in the home of Glens Falls Aerie. A capacity crowd of delegates and visitors from the State Aerie and State Auxiliary filled the meeting hall. State Vice President Raymond Lance, of Glens Falls, N.Y. served as chairman. He informed all present that this was the sixty seventh annual convention of the State Aerie and the Twenty fifth annual meeting of the State Auxiliary. Robert Cronin, mayor of Glens Falls, extended his official greetings and his best wishes for a successful conclave. Past Grand Madam Presidents Mary Dunn of Toronto, and Yvonne Magnan, of Montreal were introduced. Brief words of greeting were given by State President Edgar Ireland, Madam State President Virginia Cooney, Grand Madam Chaplain Alice Barkdoll, Grand Madam Trustee Marge Ross and Grand Aerie Representative Tony Galento. The Keynote Address was delivered by Eastern Regional President Anthony Angelo. His talk was most interesting and was highlighted by his excellent singing. This portion of the program, which was open to the general public, was brought to a close at 3 o'clock. A short recess was called to make preparations for the holding of the first business session.

FIRST SESSION

The first session was called to order by State President Edgar Ireland at 3:30 P.M.

The obligation and admission of new members into the State Aerie was given by Past State President Kenneth Decker, of Ithaca Aerie No. 1253.

READING OF COMMUNICATIONS

State Secretary Lane presented the following communications for disposition by the delegates:

From Maurice Splain, informing the State Aerie the following brothers would represent the Grand Aerie at our annual convention in Glens Falls: Eastern Regional President Anthony Angelo, Grand Aerie Auditor Michael T. Gaffney and popular heavyweight boxer of a few years back Tony Galento.

From Gordon Brenenstuhl, Secretary of Hoosick Falls Aerie No. 2467, informing the State Aerie the local aerie has filled its 1973-1974 membership quota during the first month of the fiscal year.

From Judge Hansen, congratulating the State Aerie for being a bell ringer State and securing 671 new members during the month of May.

From Grand Aerie Membership Director Maurice Splain congratulating New York for the excellent record made in the New Membership field.

From Grand Secretary Paul Eichman, informing the State Aerie that the charter of Albany Aerie No. 3402 had been revoked as of May 15th, 1973.

From Terrence J. Fitzpatrick, National Chairman of the Eagles Slow-Pitch Softball Tournament, with the information that preliminary plans have been discussed to hold the Eagles National Tournament in Milwaukee, Wisconsin on August 25th & 26th.

Greetings and best wishes for a successful convention were received from Grand Treasurer Al Williams, Financial Advisor Terry Fitzpatrick, Membership Director Maury Splain, Grand Secretary Paul Eichman, Phil Bigley, Chairman of Program and Activities Department, Grand Worthy President J.C. Mitchell and Art Ehrmann, Editor of Eagle Publication.

Brother Lane moved that all of the communications be placed on file with the exception of the letter from the Grand Aerie Parade Committee which would be placed in the hands of the State Executive Committee and the letter regarding Brother Skoler from Utica Aerie, which would be brought up under the Good of the Order. The motion was seconded by Arthur Cichon, Depew-Lancaster Aerie 2692 and carried.

STATE PRESIDENT'S REPORT

Read by State President Edgar Ireland
My Fellow Delegates and Brothers:

I am extremely proud and happy with the results in our Empire State and Eastern Canada during the past year. When I took office last June I set a self imposed goal of 3001 new members. I was amazed and very happy when I received the final total of 3718. This is the best membership record in a quarter of a century. We proved that we could and we sure did it.

I would like to give special thanks to my State and local membership Directors, my Zone and District Directors, the Aerie Secretaries and Worthy Presidents and especially to the Membership as a whole for an outstanding job well done. I wish to thank the boys from Rochester Aerie for their outstanding total of 811 new members. This really helped push us over the top.

I wish to thank all of my State Officers for their support. When I needed them they were always there. I could not have had a better slate of Officers to work with.

I wish to give my special thanks to our State Secretary Al Lane. Thanks Al for your guidance, your planning, your patience. Thanks for the many pleasant telephone conversations and your help throughout the year. With a State Secretary such as Al it sure makes the Presidents job much easier.

Our Humanitarian Programs also had an outstanding year. The State and Local Chairmen did a tremendous job and I am confident that when the final

results are in you will find that New York State and Eastern Canada will be right on top. We are a fraternity of People Helping People and we sure proved by that way you opened your hearts and pocketbooks this year.

I am very proud that New York State and Eastern Canada were honored by the recognition as a "Bell Ringer" State by the Grand Aerie. One requirement to accomplish this is to add a new aerie to our jurisdiction which we did when we welcomed Mettowee Aerie located in Granville, N.Y. to the family of Eagledom on May 20th last. I extend my warm welcome to this new Aerie and to some of its leaders who are attending our annual convention for the first time. This new Aerie would not have been possible without the hard work and time spent by Charles Straub and some of the boys from Glens Falls. I wish to extend my heartfelt thanks to them for their efforts to get this Aerie before the end of our fiscal year. Without this new Aerie we would not have been a "Bell Ringer" State.

My special thanks to the Grand Aerie Officers and the Past State Presidents, the backbone of the State Aerie. Their advice and counsel was really appreciated. They made my term as State President much easier.

I would be remiss if I didn't thank my good wife Virginia for her patience and encouragement this year as well as the other years that I have been a State Officer. She does not drive but claims to be the navigator. We have driven many thousands of miles and she always made sure that we got there and back home.

My only regret is that we were not able to visit all of the Aeries in my jurisdiction but the year slipped by so swiftly that we could not make it. To the Aeries that we did visit, I don't know how to thank you for the wonderful hospitality and the many hours of happiness you have given Virginia and I. We have many pleasant memories that will stay with us for the rest of our lives.

One note of sadness for all of us came when our beloved Past State President John Saxer passed away. He worked hard for many years trying to make New York and Eastern Canada a larger and better State Aerie. To you "John", Rest in Peace.

Now as time draws close for me to step down from this chair and to have my successor take over I want to thank you all again for a wonderful year. I ask you all to give my successor the same support that you gave me this year and we should have another great year. Bob Hansen said that we were the bright spot in the East for the Grand Aerie this year. Let us all work together and make The Empire State and Eastern Canada the brightspot again next year.

Respectfully submitted

EDGAR IRELAND
State President

It was moved by Robert Woodruff, Rochester Aerie No. 52 that the report be adopted as read. This was seconded by Donald Gregory, Utica Aerie No. 97 and carried.

Under a special order of business State President Ireland introduced Eastern Regional President Anthony Angelo and popular former boxer Tony Galento to the delegates. Both brothers gave short talks concerning the programs of the Order and the successful fiscal year just ended.

STATE SECRETARY'S REPORT

Given by State Secretary Alfred Lane:
Brother Delegates:

It is an exceptional pleasure to present my annual report at the close of a year that astounded even the most "far out" optimistic leaders of the State Jurisdiction. Examining the events of the past 12 months it appears as if we couldn't do anything wrong. Once again we find ourselves high on the Grand Aerie list of leaders, not only in the new membership field but also in the humanitarian, fraternal and social categories as well. A friend of mine from a neighboring State said "Boy, New York was sure lucky this year". I was quick to tell him that luck had a very minor part in our accomplishments and that our great success was brought about by intelligent planning, unselfish and untiring co-operation by all of our State leaders and last of all but most important the tremendous support received from the great majority of the local aeries and the brothers that make them tick.

As I have said many times in the past the Secretary's report is just a preface of our overall accomplishments during the past year. Your committee chairmen will go into much more detail as the convention progresses.

It was a close run for the wire but New York again became a "Bell Ringer" State when Mettawee Aerie No. 3504 was instituted at Granville, N.Y. on May 20th., through the efforts of Organizer Charles Straub and the untiring brothers and sisters of Glens Falls and Hoosick Falls Aeries.

What is there left to say after assigning the aeries of the State Jurisdiction with what was considered to be an almost unattainable quota of 3,001, the boys, led by Rochester Aerie No. 52 came through with an unbelievable 3718 new members? The only word that I can think of is fantastic.

The Grand Aerie figures which are compiled from reports received as of December 1st show the State with a total of 14,321 members on the roll. Our last year's official total was 14,251, which makes us a net gain State again this year with a plus of 70 members.

Although we have increased our activities in all of the State Aerie's programs plus enlarging our new membership award program again this year our financial standing is in a very healthy condition with a balance of \$5919.63 at the close of the business on May 31st. This was made possible because of the volunteer service given by so many of our State leaders without any remuneration what so ever. A complete financial report will be given by State Treasurer Decker later in the convention. The State Secretary's Financial report will also be included in the convention proceedings.

A large number of delegations from the local aeries and auxiliaries traveled to Atlanta Georgia for the 74th Grand Aerie Convention last Summer. A number of our State leaders took part in the interesting convention program. Of special interest to the New York brothers was the appointment of Past State President Frank Stokes as National co-chairman of the Golden Eagle Fund Campaign, also the appointment of Past State President Theodore Hurwitz as Eastern Regional Chairman of the same campaign, plus the appointment of Past State President Laverne Weber, as Eastern Regional Chairman of both the Jimmy Durante Fund and the new aerie campaign.

Our State Athletic program for the year consisted of a State Golf Tournament in Olean, a Mr. and Mrs. Bowling Tournament in Glens Falls

and the annual State Bowling Tournament in Depew. The interest in the Golf Tournament and the Mr. and Mrs. Bowling Tournament was on the weak side but enjoyed by those who participated. The Annual State Bowling Tournament was another successful Eagle venture with 136 teams competing for State honors. A slow pitch softball tournament was introduced by a National Committee but the same was only in the planning stages with seemingly no active State participation at the moment.

Both the Fall and Spring State Conferences held in Hornell and Binghamton respectively, were business and social successes. Highlights included the selection of Olean, N.Y. as the 1974 State Convention site, the chartering of a plane to the Grand Aerie Convention in Seattle, Washington, the continuation of the present State Membership and campaign, also the selection of Tonawanda, N.Y. as the site of the 1973 State Fall Conference.

During the past year we received official notice from the Grand Secretary's office that the charters of Kingston Aerie No. 3244 and Albany Aerie No. 3402 had been revoked for lack of interest. This now leaves us with an even 50 aeries in the State Jurisdiction.

During 1972-1973 we were presented with the honor of distributing 8 more \$1,000 grants from the Jimmy Durante Fund to deserving institutions throughout the State Jurisdiction. The recipients were as follows: Al Sigl Center, Rochester, N.Y., Schoharie Valley Training Center, Cobleskill, N.Y. State Ass'n Retarded Children, Fulton County, Gloversville, N.Y., Edward Keon Memorial Training Center, Montrose, N.Y., Bloorview Hospital for Crippled Children, Toronto, Canada, Washington County Handicapped Children's Program, Granville, N.Y., Sunnyside Children's Rehabilitation Center, Schenectady, N.Y. and the Cattaraugus County Rehabilitation Center for Retarded Children in Olean, N.Y. With relation to the Golden Eagle Fund a \$1,000 grant was presented to the New Horizon House in Elmira, N.Y.

Again the aeries and auxiliaries have been displaying their generosity with reference to the humanitarian programs of the Order and have also taken a keen interest in the workings of the Golden Eagle Fund, as the reports of the various chairmen will show. As of June 1st, the State Jurisdiction is right up there with the National leaders in all categories with the State Convention and the Grand Aerie Convention still to be counted. Later in the convention there will be the Annual parade of checks.

Our continued success makes it a real pleasure to review the events of the past years and a joy to compile the many fine accomplishments of the past 12 months. However, once again I must repeat, I never lose sight of the fact that things don't "just happen" you still have to plan and make them happen. When it is all said and done our wonderful success was only made possible by the intelligent planning and untiring efforts expended by our leaders and the terrific co-operation and support received from the members of the backbone of the Eagle organization--the local aeries.

It is again that time to extend my sincere thanks to all who assisted in making my job as your State Secretary that much easier. A special expression of gratitude must go to State President Ireland, my buddy of many years standing Ken Decker, all of the State Officers and members of the Membership family, plus the local aerie secretaries for the many unseen favors they tossed my way which I appreciate very much.

In closing I reiterate, we had a most progressive year. I sincerely hope that this convention in Glens Falls will lead to another happy and successful

fraternal year ahead. Extending my best wishes for a pleasant convention and a safe journey home.

Respectfully submitted

REPORT OF THE STATE MEMBERSHIP DIRECTOR 1972-1973

Read by Alfred W. Lane, State Membership Director:
Brother Delegates:

In a report given yesterday afternoon it was brought out that the State Leaders thought the 3,001 quota set by the State President last June was almost unattainable. The local aeries headed by Rochester No. 52 then came through and posted an unbelievable figure of 3716 new brothers. I am sure that we will remember this effort for many years to come. However, it is the hope of all concerned that this is just the start of a new era, one that will carry the New York State Jurisdiction to much greater heights in the Eagle World.

Our formula for success was the same as the past few previous years-- special monthly campaigns, an extensive award program for the aeries and particularly for the individual producers. This time the prescription brought forth much finer results.

Our Early Bird Campaign held during the month of July was won by Cortland Aerie which secured 25 new members for a percentage gain of 11.7. The Kick-Off Campaign in September was captured by Hornell Aerie who also reported 25 new members for this event. Rochester Aerie No. 52 swept all honors in the State President's Campaign reporting 58 new members which gave them the State President's Trophy and the State Membership Trophy with a percentage gain of 16%. Rochester Aerie was tops again in the Good Neighbor Campaign during January with a total of 78 new members. Our Hillbilly Campaign in honor of Grand Worthy President Mitchell was a smashing success with 501 new members reported and Rochester still rolling, adding another 195 to its total. Our Past Presidents Campaign in May brought another 671 new members into the family, helped considerably by the institution of Mettawee Aerie in Granville, N.Y.

A small plaque was presented, as a symbol of monthly champion, to the aerie with the greatest total of new members each month. Following is the list of the winners along with the monthly totals that made this great achievement possible: June-Hornell 22 (109), July-Cortland 25 (150), August-Hornell 28 (126), September-Jamestown 31 (248), October-Hornell 27 (188), November-Rochester 58 (389), December-68 (235), January-Rochester 78 (322), February-Rochester 131 (466), March-Rochester 195 (501), April-Rochester 118 (313), May-Rochester 103 (671). Rochester Aerie was declared State Membership Champion with an unbelievable total of 811 new members for the year. Hornell was runner-up with 249 and Montreal-243. Elmire-202 and Olean-159 completed the State Big Five for 1972-1973.

An event that brought smiles to a lot of faces was the institution of Mettawee Aerie in Granville, N.Y. It not only gave us a splendid new member total in May but also placed New York in the Bell Ringer State group. A great deal of credit must go to Charlie Straub, the organizer, Ted Hurwitz, the instituting officer and especially the brothers and sisters of Glens Falls and Hoosick Falls whose efforts and assistance made it all possible.

Checking the records you will discover that this great record was an all out effort on the part of the local aeries. 37 of our local units were Quota Aeries with the majority going over their assigned quota many times. Heading the list is Rochester with a quota of 36 reporting 811. Following is the complete list of Quota Aeries:

Rochester 52	Times 22	Jamestown 2145	"	2
Hornell 2640	" 6	Depew 2692	"	2

Niagara Falls 88	" 2	Corning 2299

		Ithaca 1253		

The boys that light the fire, so very often the unsung heroes of our membership campaigns are the individual producers. The top producer in the State Jurisdiction for the past year is William Rourke of Rochester Aerie with a total of 94 new members reported. The runner-up spot goes to Mason Brunskill of Hornell aerie, with a total of 74. A \$50 Savings Bond goes to Brother Rourke and a \$25 bond to Brother Brunskill. Wach Member of the Exclusive 25 Club (25 members or more) received a \$25.00 Savings Bond. The members of the State Big Ten Association (10 members) were presented with a compact traveling alarm clock.

We also had a special society called the Eagle Mug Group--Every member who secured 5 members during any month of the 1972-1973 campaign was presented with an Eagle Mug or in polite circles--a drinking cup. Believe it or not we distributed 103 mugs. A total of 47 traveling clocks and 15 twenty Five Dollar Saving Bonds were presented. Along with this a wallet was presented to the membership chairman of every aerie that made its quota.

Our Zone and District Directors had a rather pleasant time this year with Laverne "Shorty" Weber finishing on top in the Zone Directors Class with 1433 new members. Ted Hurwitz, who replaced Brian Murphy late in the year, finished with a big 1299. Laverne Graham was the number one District Director for the year with a total of 971. Special recognition goes to the following District Directors whose aeries were all in the Quota Group: Laverne Graham from Lockport, Roswald Viele of Elmira, John Weber of Watertown, Harmon Sawyer of Auburn, George Dingman of Schenectady, John Eggleston of Oneonta, Arthur Gonyea of Glens Falls and Larry Roy of Montreal. Incidentally, Ted Hurwitz had an all quota zone.

My sincere thanks goes to everyone who played a part in the past year's accomplishments. The 1972-1973 campaign is now just a memory but one we will remember with pleasure for a long time to come. If I had a wish I would wish that Rochester would double this year's total next year. All fooling aside, I believe this coming year is going to be another outstanding one. We certainly have strengthened our organization in every way all we need to make it so is the continued wonderful support of the local aeries.

Extending my very best wishes for an enjoyable summer and a safe trip home.

ALFRED W. LANE
State Membership Director

REPORT OF THE IN MEMORIAM COMMITTEE

Read by Vincent Scharf, Chr. Buffalo Aerie No. 46

Brother Delegates:

We now come to the sadder part of the business session of this State Aerie, as we pause to pay humble respect to our dear departed brothers. It is with a heavy heart that I recall to mind the passing to the Grand Aerie beyond so many of our friends, outstanding among them my colleague from Buffalo Aerie No. 46 Past State President John P. Saxer.

At the sound of the gavel I ask that everyone rise and stand in silent meditation as we note that they were all dear to us and we loved them as brothers. May they now realize the love of a heavenly father which passes all understanding. They bore the trials and burdens of this life and weary of it all they turned to him for rest. May they now rest in peace.

Harry E. Welsh, 1042

A motion was made by Brother Scharf that the report be adopted as read. This was seconded by Al Hubbard, Binghamton Aerie No. 2119 and carried.

Once again this year our State Athletic Program consisted of three activities; Bowling, Golf and Mixed Doubles Bowling.

The State Bowling Tournament held last Spring in Depew, N.Y. attracted 136 teams and an enjoyable time was had by all. Top team prize was won by the "Jerks" of Elmira with a total pinfall of 2979. L. Van Derhof and R. Kyser, of Olean took the doubles with a score of 1317. The Singles Event went to A. Briggs, of Johnstown, while H. Colone of Oneonta captured the All Events with 1962. The 1974 State Bowling Tournament is being hosted by Schenectady Aerie No. 514.

The mixed Doubles Bowling Tournament as held in Glens Falls during the past year, but, once again, the entries for this event were few. However, all who did participate had an excellent time.

The State Golf Tournament scheduled for Olean, last year, was postponed due to flood conditions. This year's event will be held in Rochester, N.Y. We are looking for continued success in the holding of these activities but the same can only be obtained by your participation and support.

Brother Delegates:

The brothers of New York State and Eastern Canada can again stand up and be congratulated for their efforts in adding a new unit to our fraternal family during the fiscal year of 1972-1973.

On May 20th, 1973, 163 charter members were initiated and a new aerie instituted at Granville, N.Y. The new unit is known as Mettawee Aerie No. 3504. Our sincere thanks go to the organizer Charles Straub, of Hoosick Falls Aerie No. 2467, for the many hours it took to get our new baby born during the Diamond Anniversary of our beloved Order. We from New York State and Eastern Canada are proud to have played a part in supporting our Grand Worthy President's goal of 75 new aeries.

Prospects for the future are bright. New aeries are being considered in Sidney, N.Y. and in the Western end of the State. We sincerely hope that every possibility will be investigated. New aeries are essential to ensure our many humanitarian and charitable will be continued.

Once again we congratulate the boys of Mettawee Aerie No. 3504 and extend to them our best wishes for a long and successful fraternal life.

REPORT OF THE CIVIC AFFAIRS COMMITTEE

Read by Owen McNally, Chr. Fort Hamilton Aerie No. 2621
Grand Aerie Officers, State Officers, Brother Delegates:

Once again I must report that no written reports were received from the local Aeries. However, there was no letdown in our motto of "People helping people" and our National Humanitarian Programs. In visitations to many aeries, by this committee, we found contributions to leading charities have been made and interest in community affairs have been increasing year after year.

Locally, in Fort Hamilton Aerie we are working in prevention of narcotics, P.A.L., Boy Scouts, Little League, Etc. plus simple acts of helping someone less fortunate than we are.

REPORT OF THE SOCIAL SECURITY COMMITTEE

Brother Delegates:

The search for economic security is universal and continuous. Since the 1930's America has expanded its efforts to provide against the hazards of unemployment, sickness and death.

We are happy to report that in July 1972 President Nixon signed the bill, voted by Congress, granting a 20% across the board raise in Social Security Benefits to take effect in September, 1972. Above an annual price jump of 2 3/4%, those on retirement will also automatically receive cost of living increases. There were several amendments granting diversified benefits but most will not go into effect until July 1, 1974.

Our main concern over the increased benefits is we feel the low income wage earner is bearing too heavy a load. Payroll deductions in 1972 were 5.2% on gross income up to \$9,000 and this year the rate was increased to 5.85% on gross income up to \$10,800. In 1974 the income will be raised to \$12,000.

It is our belief that part of the funds, at least, to pay for this greatly appreciated overall benefit should come from other sources and not be the sole responsibility of the lower and middle income families. Since the Eagles worked so hard to have the Social Security Act become a reality, we of this committee, feel sure that everyone will do his utmost to bring this matter to the attention of our legislators and continue to make them know we are still striving to aid the elderly and disabled without crippling our present day workers' incomes.

Under a special order of business Kenneth Decker and Raymond Womble, both Past State Presidents and members of Ithaca Aerie No. 1253 spoke in relation to the Mr. and Mrs. Bowling Tournament which is scheduled to be held in Ithaca, N.Y. during October and November 1973. Both outlined the plans that were going to be put into effect and the efforts that were going to be made by the aerie and auxiliary to make this a pleasant and successful undertaking. They asked the delegates to bring this message back to their home aeries and to co-operate with Ithaca, by participating in the same.

At this time State Chaplain William Carrick, Empire Aerie No. 544 asked permission to take up a collection for the humanitarian Funds of the F.O.E. which included the Max Baer Heart Fund, the Jimmy Durante Children's Fund, the Cancer Fund and the Golden Eagle Fund. He further stated that Henry Becker, Nassau Aerie No. 3128 would duplicate the amount collected from the delegates. Following the collection it was announced by Raymond Womble, Chairman of the Jimmy Durante Fund, that the sum of \$160.41 was collected. Brother Becker then gave a check for an equal amount to State Secretary Lane making an overall total of \$320.82 to be divided equally among the four funds. State Secretary Lane introduced Brother Becker to the delegates informing them also that he was the same individual that underwrote the expense of the Grand Aerie Hospitality Room at the Grand Aerie Convention in Atlanta, Georgia. He received a standing ovation and vote of appreciation from the delegates.

REPORT OF THE BLOOD DONOR COMMITTEE

Read by Robert Woodruff, Chr. Rochester Aerie No. 52
Grand Aerie Representatives, State Officers, Brother Delegates:

Blood, what can be said on this vital subject? We all know what an important part this plays in our everyday life. Having been State Chairman, I can only report, at this time, what has been accomplished. A letter was sent out to all aeries in the jurisdiction promoting Blood Donor month for June. As of the present time the only aerie reporting was Rochester No. 52. They sponsored a Blood Donor Project in conjunction with the City of Rochester. A turnout of 110 people made the blood bank swell. I am sure that we can see that a little effort on the part of all the local aeries this great project would continue to grow. Let's all put some effort into each local aerie and see what a project like this could really do.

REPORT OF THE YOUTH GUIDANCE COMMITTEE

Read by Raymond Lance, Chr. Glens Falls Aerie No. 2486
Brother Delegates:

Our fraternity has long been known for its many varied programs and activities dedicated to aiding our youth to become better citizens. This includes not only our national projects, such as Home on the Range and Sky High Ranch, but also the multitude of activities sponsored by the local aeries. These are almost too numerous to mention but do include the sponsoring of Cub Scouts, Boy Scout Troops, Little League Baseball teams, as well as other types of athletic programs.

This committee knows that nearly every aerie represented in this room spends a great deal of time, effort and money for its youth work, but, as usual, we are handicapped by the lack of communication. Only one report of local activities was received by the committee. We urge you to ask your brothers back home to continue to work with our young people and if possible to expand their efforts, but when you do so, let the State Committee know so that it may be reported.

FINAL REPORT OF THE MAX BAER HEART FUND

Read by William Carrick, Chr. Empire Aerie No. 544

Once again I can honestly say that the aeries and auxiliaries of New York State and Eastern Canada have gone overboard in their contributions to the Heart Fund. A great deal of planning and effort by the local aeries and

auxiliaries have made this possible. We now come to the Annual Convention Parade of Checks--A short recess was held to permit the collection of checks--It is my pleasure to announce that the total collected from the parade of checks comes to \$1761.00.

Brothers, I wish to extend my thanks and the thanks of the committee and I am sure the thanks of the people who will be helped by your generosity. A complete report of all contributions received to date will be printed in the proceedings of this convention.

We, the undersigned members of the 1973 New York State Auditing Committee have audited the books of the State Secretary and the State Treasurer. We found the books of both the secretary and the treasurer properly maintained and in balance with the bank statement which was in evidence. Verified balance as of May 31, 1973--\$5,819.63. Brothers Dion, Lane and Gaffney spoke briefly on both questions with Grand Aerie General Auditor Gaffney explaining in detail what action should be taken with relation to both subjects. A number of the delegates presented questions which were answered to the satisfaction of all by Brother Gaffney.

It was moved by Brother Dion that the report be adopted as given. This was seconded by David Shay, Elmira Aerie No. 941 and carried.

REPORT OF THE STATE LEGAL ADVISOR

Read by Alfred W. Lane, Bronx Aerie No. 491

Brother Delegates:

Business again made it impossible to have our State Legal Advisor Wayne Harris, present. In view of this fact I would like to give a brief resume of the duties performed by the Legal Advisor during the past year. He again drafted the New York State Fraternal Order of Eagles contract for the State Convention, made a review of all bills pertaining to fraternal orders plus sending out a special notice concerning the filing a Certificate of Type by the local aeries in connection with the State laws concerning incorporation. So speaking for the State Aerie I can assure you that all legal matters pertaining to the New York State Aerie were carefully checked and investigated.

Schenectady aerie has a Boy Scout troop of many years standing. At the present time there are 17 members with one Eagle Scout and four more on the Eagle Trail. Mo-On-Wa Aerie in East Rochester sponsors a Sea Scout Troop. It has a small sailing vessel and actively supports sailing technical operations. REPORT OF THE NET GAIN COMMITTEE

Read by Larry Roy, Chr. Montreal Aerie No. 2130
Brother Delegates:

The 1972-1973 fraternal year marked the 17th anniversary of the Net Gain Program introduced on June 1st, 1956 by the Grand Aerie Membership Department. The purpose and intent of the program is to encourage local aerie leaders to put forth greater effort towards achieving a "Net Gain" in membership for their aeries each year, which is a true measure of progress.

Basically, the Net Gain program is a three point program involving:
A— The addition of sufficient number of new members to the aerie rolls to more than offset losses resulting from death, transfer and lapsation.
B— A rigid control of delinquency.
C— Intelligent planning of a wide variety of aerie activities to maintain high interest and enthusiasm among the members.

The attainment of the yearly net gain new member quota is the first and most important step towards a net gain in membership. This requires the use of membership campaigns properly organized and energetically conducted.

The second step of equal importance is the prevention and control of delinquency by using effective dues reminders and delinquent notices and through personal contact by the Aerie Membership Security Committee.

I am sure that all will agree with us when we state that a net gain is one of the most important items of all of our programs.

The Worthy President should choose a man who will try to do an out-

standing job as Membership Chairman.

Aerie activities have direct bearing on the success of both membership development and delinquency control programs and are therefore, an essential factor in the Net Gain Program. A variety of social activities for the enjoyment of the members and their families, participation in community affairs and youth guidance activities will also be an inducement to the respective member to join and will reduce lapsation.

Never forget "an active aerie is a successful aerie." We urge you to keep members busy through the medium of committee work, social activities, etc. Give everyone who wants the opportunity to help.

This committee, on behalf of the State Aerie Officers wish to take this opportunity to offer our sincere congratulations to all the aeries in New York State and Eastern Canada who have met with all the conditions and requirements which entitle them to a net gain.

Let us continue to unite our efforts and put our shoulder a little harder against the wheel, so that next year at this time we will show a vast increase in our net gain total.

This committee would like to express its sincere congratulations to Brother Charlie Straub for organizing a new aerie in Granville, N.Y. on May 20th, 1973.

From the total number of semi-annual reports received by the State Secretary to date six were net gain aeries. Following are the top three in that group:

- 1-Rochester Aerie No. 52, with a net gain of 564
- 2-St. Jerome Aerie No. 3176 with a net gain of 77
- 3-Cortland Aerie No. 2191 with a net gain of 47

FINAL REPORT OF THE CANCER RESEARCH COMMITTEE

Read by Earle Willis, Maple Leaf Aerie No. 2311

Once again the aeries and auxiliaries of the New York State jurisdiction have demonstrated their marvelous support in an extra effort to wipe out or curtail the dread killer called cancer. Because of the nickles, dimes and dollars collected throughout the Fiscal Year the New York State Group will place high on the "Helping Hand" list of contributions collected.

The committee wishes to thank all for the efforts expended during the past twelve months. Following is a complete breakdown of donations received to date. It will be printed in its entirety in the State Convention proceedings:

REPORT OF THE GOLDEN EAGLE COMMITTEE

Read by Frank Crowley, Chr. Elmira Aerie No. 941
State President, Grand Aerie Representatives,
and Brother Eagles:

Although this is the newest of the major Eagle Projects, it is designed to be beneficial and we hope it will be, for every Eagle here today.

Some of the primary objects are, a Retired Eagles Activities Club in each Eagle Aerie in which every eligible Eagle and Auxiliary member takes an active part.

To promote participation of other than Eagles in our R.E.A.C. activities.

To give financial assistance to self supporting senior citizens organizations and to help them improve and continue their programs.

Some of the immediate goals are: at least 5 R.E.A.C. clubs in each Eagle jurisdiction and we are proud to report that the New York and Eastern Canada jurisdiction has met this goal.

To contribute to the Golden Eagle Fund so that we may continue helping other senior citizen groups to continue and expand their programs. Our jurisdiction is among the leaders in this category at this time and we are confident that with your continued support and under the capable leadership of our own Ted Hurwitz, Eastern Regional Chairman of this fund, that our jurisdiction and the Eastern Region will continue to progress.

With an ever expanding life expectancy and more leisure time it is most important that we have programs to keep everyone active and busy.

Everyone here today is a potential member of this group, so we should all be concerned about this program.

We hope, in the near future, to get a good inventory of these groups and their programs and hope that we may help in expanding these programs with your assistance.

At this time we are going to have a parade of checks for the Golden Eagle Fund. In closing, in behalf of the committee, I extend my sincere thanks for the assistance we have received from the aeries and auxiliaries throughout the State and Eastern Canada. A complete list of all contributions will be included in the proceedings of this State Convention.

Under a special order of business State President Ireland presented Grand Aerie General Auditor Michael T. Gaffney to the delegates. Brother Gaffney gave an interesting talk on the progressive year the Order enjoyed during 1972-1973. He elaborated on the success of the Grand Aerie campaigns pointing out that this was made possible because of the conditions that existed in the local aeries. Following his address he presented the Grand Aerie Bell Ringer Award to State President Ireland. In accepting the award Brother Ireland gave special thanks to Brother Charles Straub for making it all possible by organizing the new aerie in Granville, N.Y.

REPORT OF THE PROGRAM AND ACTIVITIES COMMITTEE

Read by Theodore Hurwitz, Chr. Oneonta Aerie No. 1260
 Brother Delegates:

The 75th Anniversary of this organization saw New York State rise to the occasion, with true spirit and determination which culminated in one of our finest years. The call by our State leaders for an extended effort in all of our departments resulted in a united drive to expand, not only in our contributions to all of the projects sponsored by the Grand Aerie, but also to annihilate many of the existing records in our membership drives. Complete co-operation among the officers and members of the local aeries was the order of the day. A total of 3,718 members were added to our rolls during the fiscal year, and a new aerie was instituted in Grandville, N.Y., thereby making our State eligible for the most coveted Bell Ringer award. Proof positive that our membership department has what it takes to be successful.

In the Athletic Department, the State Bowling Tournament, held in Depew, N.Y., was a huge success. Our mixed doubles bowling and golf tournaments, while not overwhelmingly attended gave many the opportunity to have some fun and relaxation.

Our continued support of the small fry in Little League baseball, football and hockey proved without a shadow of a doubt that this Order is determined to do its share in trying to cut down juvenile delinquency.

Our sincere efforts to make life more enjoyable for our Senior Citizens. Our concern for the needy. Our taking part in community affairs. Our digging in to our personal coffers in order to raise money for the Heart, Cancer and Crippled Children's Funds, in hopes that some day these dread diseases will have been wiped out and the cripples of so many of our children would no longer bring anguish to the faces of the parents.

Finally, our complete dedication to our country has brought forth the fact that we are an organization of people doing all that we possibly can to further the welfare of all. Let us hope that the year 1972-1973 is a forerunner of greater things to come, as we continue to go forward, ever forward.

REPORT OF THE STATE OF THE ORDER COMMITTEE

Read by Raymond Womble, Chr. Ithaca Aerie No. 1253

Brother Delegates:

This is probably the shortest report that will be made at this convention. The State of the Order can be summed up in two words--Wonderful year. You have heard the report of the Membership Department that stated we exceeded 3700 new members. You've heard the excellent Financial Report submitted by Brother Decker. All four of our humanitarian project contributions were higher than usual. The May report showed Eastern Canada and New York in the Big Ten in all four projects and we are sure that when the count is made at the end of this convention we will remain there.

We consider the highlights of the past year the moves of Rochester and Hornell into new aerie homes, plus the addition of a new aerie in Granville, N.Y.

All aeries in the State Jurisdiction can be real proud of the record we established this past year, in fact you have good cause to pat yourselves on the back and say "We did our job well."

REPORT OF THE PAST STATE PRESIDENT'S COMMITTEE

Read by Laverne Weber, Lockport Aerie No. 825

Brother Delegates:

The Past State President's Club met at Pat's Dugout in Glens Falls, N.Y. for its luncheon and business meeting on Friday June 22nd, 1973. We were delighted to have as our guest Eastern Regional President Mayor Anthony Angelo, of Latrobe, Pa. We were all disappointed by the fact that our good friend and brother General Auditor and Comptroller Michael T. Gaffney, could not be with us. On a sad note we were all shocked to learn of the death of Past State President John Saxer, of Buffalo, N.Y. Due to illness, both Past State Presidents Robert Watts and William Alf, could not attend. All hope they are on the road to recovery and will be with us in the near future. The report of our genial Secretary-Treasurer Ken Decker, showed that we were still on the plus side of the ledger. The Past State President's Club then nominated as the incoming President Louis Dion, of Montreal. As Vice President Robert Schick, of Rochester, N.Y. Past State President Edgar Ireland was then accepted as a member of our group and commended for the fine work he had done during the year 1972-1973. We also commended the State Officers for the excellent work they had done in helping the administration attain one of our finest years. We, the Past State Presidents of New York are at your beck and call and pledge our continued support to the State Aerie and all its fraternal endeavors.

We extend our sincere appreciation to Glens Falls Aerie for its wonderful hospitality and a job well done. We would like to take this opportunity to wish each and everyone of you a safe journey home.

REPORT OF THE SPEAKERS COMMITTEE

Read by Alfred W. Lane, Chr. Bronx Aerie No. 491

Brother Delegates:

At this convention we are most fortunate, not only in having some outstanding speakers, but also a brother who is a talented singer along with being an excellent orator as well. Of course I am referring to our Eastern Regional President Anthony Angelo, who did an excellent job in combining both his speaking and his singing as the keynote speaker at the official opening of the convention. We also had the honor of being welcomed by Robert Cronin, Mayor of Glens Falls. One of the most forceful speakers in the Fraternal Order of Eagles Grand Aerie General Auditor Michael T. Gaffney spoke to us this morning and I know that we are all looking forward to his address at the State Convention Banquet this evening. In tossing out the bouquets I would like to point out that we had the pleasure of listening to some interesting speakers from the State aerie as well.

Once again, this committee wishes to extend its sincere thanks for the cooperation and help we received in making all this possible.

Speaking for the entire State Jurisdiction in general and the delegates assembled in particular he congratulated Brother Ireland for the inspiring part that he played in making this all happen. Brother Ireland was then presented with his Past State President's pin, his Past State President's Certificate and plaque, plus a small cash purse by Brother Stokes, as tokens of appreciation from the State Aerie, for the efforts expended during his year as the New York State President.

Brother Ireland expressed his thanks and his appreciation for all of the nice things that were said and done for both he and his wife Virginia during the past year and in closing stated emphatically that this great year was only made possible because of the support he received from the local aeries and the local members.
