**1975**

**HELD AT ROCHESTER, NEW YORK**

A large majority of the State Convention delegates and visitors arrived in Rochester, N.Y., early Wednesday afternoon June 25, 1975 for the New York State Aerie's sixty ninth annual convention and the State Auxiliary's twenty seventh annual session. A get-acquainted party was held on Wednesday evening in the home of Rochester Aerie, where dancing and entertainment made a pleasant evening for all who attended.

All business sessions were held in the home of Rochester Aerie. The site of the State Convention Banquet, on Saturday evening June 28th, was the Mapledale Party House in Rochester, N.Y.

Registration of delegates started at 10 A.M. on Thursday June 26, 1975, in the home of Rochester Aerie.

#### OFFICIAL OPENING OF THE CONVENTION

The convention was officially opened at 2 P.M. on Thursday June 26, 1975, in the home of Rochester Aerie before an overflow crowd of convention delegates and visitors. Convention Chairman Charles Gleichauf, extended a welcome to all present and officially dedicated the convention in memory of his co-chairman Past Worthy President Richard Wenzel, who recently passed away. Opening services were conducted by Rochester's Diamond Sparkle Cadets, which included a salute to the colors of both the United States and Canada, plus the singing of both National Anthems. The invocation was given by the Reverend George Wood, pastor of the Mother of Sorrows Church in Rochester, N.Y. Robert Sharkey, Worthy President of Rochester Aerie, and Dorothy Miller, Madam President of the Rochester Auxiliary, extended greetings and best wishes for a fruitful convention for the local aerie and auxiliary. Jack Hart, Supervisor of the Town of Gates, spoke briefly extending his personal regards, welcomed all of the visitors and expressed the wish for a most successful convention. Thomas Roach, Police Chief of the Town of Gates, spoke briefly about Rochester Aerie and also extended his best wishes and kindest personal regards. A few words of welcome were given by State President and Madam State President Bill and Betty Carrick. Past Grand Madam Presidents Yvonne Magnan, of Montreal and Mary Dunn, of Toronto were introduced. Eastern Regional President William Menges, Grand Aerie Auditor Michael T. Gaffney, and Past Grand Madam President Lucille Lewis, spoke briefly extending their personal greetings. The Keynote address delivered by Grand Treasurer Al Williams, was both interesting and informative. A recess was called at 3:10 P.M. to allow the visitors to leave the room and to make the necessary arrangements for the first business session.

At the conclusion of the reading of the report Brother Schick explained that copies of the Order of Business had been distributed to all delegates making it unnecessary to read the same. He then moved that the report be accepted as read and the Order of Business be included in the proceedings. This was seconded by Al Hubbard, Binghamton Aerie No. 2119 and carried.

The next order of business was the reading of the proceedings of the 1974 State Convention held in Olean, N.Y. State Secretary Lane started to read the proceedings for the approval of the delegates. A motion was made by Thomas Philpott, Maple Leaf Aerie No. 2311 that in view of the fact a copy had been forwarded to all aeries in the State jurisdiction, and one had been given to all delegates at the convention, further reading be dispensed with and the proceedings be approved as written. This was seconded by Laverne Weber, Lockport Aerie No. 825 and carried unanimously.

### STATE PRESIDENT'S REPORT

Read by William Carrick, State President, Middletown Aerie No. 544

My Fellow Delegates and Brothers:

Once again, that time of year has come, when one has to step down to make room for his successor; but without regret. The past year has been one that I shall cherish all the days of my life. Simply because I was given the opportunity to meet many old friends and make many more new ones. The Lord was good to me in many ways. He gave me good weather, gasoline during the shortage, and above all kept me in good health.

My thanks to Al Lane for all he has done for me during the past year. His advice and counsel were greatly appreciated. I might add that in a great many instances, he did put me in my place. To "Ye Olde Pickle" Ken Decker, thanks very much for the many words of wisdom you were able to give to me. Thanks too, for the fine times we had together. To the Zone and District Directors, my sincere gratitude for helping New York State to once again surpass the 3,000 mark in new members.

To Charlie Straub, my sincere thanks for your work that resulted in the institution of a new aerie in Rotterdam, N.Y. To all of the aeries, their officers and members, who worked so diligently trying to raise money for our Grand Aerie Humanitarian Projects, thanks so much. I can assure you that New York State, once again, is right up there amongst the leaders in the jurisdiction. I might add, that simply because of your generosity, New York State has been entitled to receive grants and make them available to many worthwhile organizations.

I managed to visit 31 aeries and I wish that I had the time to visit all of the others. Thanks to my wife Betty, because she drove and made sure I arrived safely, and on time. It was a blessing to have her at my side.

To Larry Roy, my successor and good friend, I wish you the very best during the coming year. I hope that your travels will be as blessed as mine were. You can rest assured that I will support you in any way that I can. I earnestly hope that the goals you set will be reached and surpassed.

Respectfully submitted,

William Carrick  
N.Y. State President

A motion was made by Richard Dow, Middletown Aerie No. 544 and seconded by David Shay Elmira Aerie No. 941, that the report be adopted as read. This was approved.

### STATE SECRETARY'S REPORT

Read by State Secretary Alfred Lane, Bronx Aerie No. 491

Brother Delegates:

At the close of another fiscal year all concerned are delighted with the results of the past twelve months. Despite the financial crisis that has engulfed the entire nation plus the high percentage of unemployment in all sections of the Empire State, the New York State jurisdiction, as a whole, enjoyed another progressive era during 1974-1975. As in the past this report is just a synopsis of our achievements that will all be elaborated on as the convention progresses, by the Chairmen of the various State Committees.

We take a great deal of pride in the fact that for the third successive year we have topped the 3,000 new member mark for the twelve month period. This year our total was 3,071. We also added a new unit to the family when Rotterdam No. 3610 joined the New York ranks. Special tribute should be paid to State Trustee Charles Straub and the aeries of Zone 3 whose efforts made this possible. Along with the good news we have a little sad news too; during the past few months the charters of Owego Aerie No. 2333 and Mo-On-Wa Aerie No. 3440 (East Rochester) were revoked leaving us with a total of 49 local aeries in the State jurisdiction. There is much activity in the new aerie field and it is almost a certainty that the New Yorkers will be welcoming at least one and perhaps more new units during the coming year.

Official per capita tax figure received from the Grand Aerie, as of December 1974 is 14,671 members on the roll. The official figures of the previous year was 13,884 which would indicate that we had a net gain of 787 members for that period.

Financially we are in good shape. We started the year with a balance of \$6,009.72. We had receipts of \$17,907.59 for a first total of \$23,917.31 and expenditures of \$18,769.62 leaving us a balance of \$5,120 at the close of the year. The State Secretary's detailed financial report is on the Secretary's desk for inspection, and will be included in the Convention proceedings. It is true that the cost of operation has increased with the times but we are fortunate in not having to curtail any of our services to date. As in the past this was all made possible because of the volunteer service given by so many of the dedicated State Leaders without any remuneration whatsoever.

A large delegation of Eagle brothers and sisters traveled to the 76th Grand Aerie Convention in August, which was held in Milwaukee, Wisconsin. It was proclaimed one of the greatest if not the greatest Eagle conclave ever held. Many of the delegates took a personal part in the conducting of the business sessions of the convention. New York again had a large delegation in the Grand Aerie parade on Saturday. All who attended had a most enjoyable time.

The State Fall Conference in Elmira, N.Y. and the Spring Conference in Middletown were both business and social successes. Highlights included chartering a plane for the trip to the Grand Aerie Convention in Dallas, Texas, the selection of Elmira Aerie as host for the 1976 State Convention, the awarding of the Mr. and Mrs. State Bowling Tournament to Toronto Aerie, the continuation of the present State Mem-

bership Campaign and the selection of St. Jerome's Aerie as the site for the State Fall Conference.

For the athletic brothers there was a State-wide Golf Tournament held in Toronto, Canada, last August. The attendance was small and rain marred the occasion, however all who did attend had an enjoyable time. During October and November the State Mr. and Mrs. Bowling Tournament was held in Endicott, N.Y. The response was good. Forty teams competed. This venture was considered a bowling and social success. The Annual New York State Bowling Tournament held in Binghamton, N.Y. during March, April and May was one of the best ever held with the greatest number of entries recorded.

Once again we must applaud the State Humanitarian Committees plus the local aeries and auxiliaries whose continued efforts in this field make each succeeding year a record breaking one as far as donations to these worthy causes are concerned. Up until the present time New York State is up with the National leaders in contributions received to date and we still have our parade of checks, which will take place later in the convention. During the past year a \$5,000 Grant was received from the Eagle Cancer Fund, for the Strong Memorial Hospital in Rochester, N.Y. The following deserving institutions were recipients of a \$1,000 grant from the Jimmy Durante Children's Fund during 1974 - 1975: J.N. Adams School for Retarded Children, Perrysburg, N.Y.; Lexington Training School, Gloversville, N.Y.; Convalescent Hospital for Children, Rochester, N.Y.; Upstate Home for Retarded Children, Milford Center, N.Y.; Elmira Burn Center, Elmira, N.Y.; Oneida County Mental Retardation Center, Utica, N.Y.; Community Vocational Rehabilitation Center, Niagara Falls, N.Y.; Maple Ridge Center for Retarded Children, Rotterdam, N.Y.; and the Allegany County Rehabilitation Center, Olean, N.Y.

As stated earlier in the report, this is just a short synopsis of our accomplishments during the past year. When it comes to handing out the bouquets the biggest ones seem to go to the State Leaders for the efforts expended in planning and publicizing the various State Campaigns - but without the follow through of the local aerie leaders and the membership in general all of our best laid plans would go for naught. Let me repeat what I have said so many times in the past--"It was all made possible because of our ability to work together."

My job as your State Secretary was made much easier because of the fine support and wonderful co-operation received from the local aeries and State Leaders. I wish to extend my sincere thanks to each and everyone of you for the assistance received. Special expressions of gratitude must go to State President "Bill" Carrick, my old sidekick Ken Decker and the State Officers for the various assists given throughout the year that makes it a pleasure to serve as your State Secretary.

From where I sit the year ahead looks like another successful one for our New York family. Plans are already in operation to make it so. Your continued support and co-operation will make 1975 - 1976 another banner one for the New York State Jurisdiction.

In closing I hope that this convention will be a happy and progressive one for all. Be careful and have a safe trip home, we want you back again next year.

Respectfully submitted,

Alfred W. Lane  
State Secretary

**REPORT OF THE PUBLICITY COMMITTEE**

Read by Harold Fields, Chr. Rochester Aerie No. 52

**Brother Delegates:**

Thomas Ryan, Mayor of the City of Rochester, N.Y. has proclaimed the week of June 22nd through the 28th as Fraternal Order of Eagles Week in recognition of the 75th Anniversary of Rochester Aerie and the 69th Annual Convention of the New York State Aerie.

Jack Hart, Supervisor of the Town of Gates, has also proclaimed the same week as Fraternal Order of Eagles Week in the Town of Gates, where Rochester Aerie is located.

A number of articles have appeared in the Rochester Times with reference to the convention and the donations that were being made.

The Gates-Chili Weekly News has been quite co-operative, with an informative article appearing in this week's issue. They will follow our activities and have a more complete story in next week's edition.

The Rochester television stations were approached and plans have been formulated to have Channel 10 televise some of the Convention personalities.

In this locality very little coverage by the local media has been given to Fraternal Societies in the past. It has been their practice not to publicize the programs of Fraternal Orders. We have been fortunate, to date, in getting good convention publicity.

Respectfully submitted,

Harold Fields, Chr. 52  
Richard Helwig, 1575  
James Updike Sr., 2191

### REPORT OF THE UNDER 35 CLUB COMMITTEE

Being one of the newest Eagle projects, it was designed to be beneficial to all Eagles under 35 years of age.

### REPORT OF THE IN MEMORIAM COMMITTEE

Read by Vincent Scharf, Chr. Buffalo Aerie No. 46

My Brother Delegates:

During this past year there were many members of the rank and file of the New York State Aerie who passed into the Grand Aerie beyond; among the notables were Past State President Robert Watts, of Lockport, N.Y. and Past State President Edgar Ireland, from Gloversville, N.Y., plus my own cohort of Buffalo Aerie No. 46, namely Secretary Michael J. Naughton. Naturally, time will not permit the individual intonement of each of our dear departed brothers, but, suffice to say "they were dear to us and we loved them as brothers."

So it is with sad and heavy heart that I ask the assembled brothers to stand in silent meditation, at the sound of the bell, as I recount the words of the poet Grellet:

*"I shall pass through this world but once, if, therefore, there be any kindness I can show or any good I can do, let me do it now; let me not defer it or neglect it for I shall not pass this way again."*

Respectfully submitted,

Vincent Sharf, Chr. 46  
Richard Keech, 782  
Albert LeBlance, 1042

It was moved by Brother Scharf, that the report be adopted as read. This was seconded by Rene Lessard, Montreal Aerie No. 2130 and carried.

### REPORT OF THE BETTER HOME TOWNS COMMITTEE

Read by D. James Shay, Chr. Elmira Aerie No. 941

Brother Delegates:

The committee wishes to make the following report: Many of the aeries we are sure have programs that would come under the edification of their home town and share equal billing with the committees on Home and Family and Civic Affairs.

We do believe that all our aeries should establish programs which would advertise their community as a good place to live in. This could be in the recognition of individuals, business corporations or governmental organizations which contribute something extra to the community.

We also believe that the establishment of a Better Home Towns Committee with an active and aggressive program is a great way to establish the Eagles as part of the community and a great Public Relations undertaking.

Respectfully submitted,

D. James Shay, Chr. 941  
Glenn Amesbury, 1042  
Harold Long Jr., 616  
William Alf, 46

A motion was made by Brother Shay and seconded by Al LaValley, Elmira Aerie No. 941 that the report be adopted as read. This was approved.

State Secretary Lane spoke at length on this subject. He pointed out that the newly elected State President had appointed many State Committee Chairmen and that the list of these chairmen had been forwarded to all aeries in the jurisdiction, along with their home addresses, and the request to publicize the local aerie activities by forwarding a report to the State Chairman or the State Secretary.

#### REPORT OF NEW AERIE COMMITTEE

Read by Charles Straub, Chr. Hoosick Falls Aerie No. 2467

Grand Aerie Officers, State President,  
State Officers and Brother Delegates:

As New Aerie Chairman I am happy to report that success was again smiling upon us. A new aerie Rotterdam No. 3610 was instituted on March 9, 1975, with 150 charter members. Yours truly was the organizer. A lot of the good brothers helped and with your continued help we can add to the State total. Rotterdam will continue to grow as they have a strong group of leaders. New York State will continue to grow if you will assert your leadership beyond that of your aerie. If you will put your energy into the new aerie program, we should have new aeries spreading all across the State jurisdiction.

A work shop will be held immediately following the installation of officers. This will only take a few minutes of your time and the theme will be on New Aerie organizational systems and support from Grand Aerie and State Aerie Departments.

Let's all get into the growth division of the New York State Aerie; be a new aerie organizer.

Respectfully submitted,

Charles Straub, Chr. 2467

#### REPORT OF THE SOCIAL SECURITY COMMITTEE

Read by Chester Halliday, Chr. Buffalo Aerie No. 46

Brother Delegates:

Your committee did receive a report from Hoosick Falls Aerie No. 2467 which stated on occasion a representative of the Social Security Administration is invited to speak before the Senior Citizens of the Town of Hoosick for the purpose of answering any questions they may have in connection with Social Security.

In 1935, following years of effort and much promotion by many leading economists and especially the Fraternal Order of Eagles, the Social Security Act was signed by Brother Franklin D. Roosevelt, President of the United States and member of Buffalo Aerie No. 46.

With regular contributions by employees and employers, millions of American workers and their dependents were assured of reasonable financial assistance if through disability or age they became unable to provide the necessities of life for them.

We believe Social Security to be a very important part of all of our lives and our future.

Since inflation has been affecting all of us it is also affecting the Social Security system and all who are benefitting from it or who will in the future.

Although there have been recent increases in benefits to those receiving social security, the increases have not kept pace with the rising cost of living.

Your Social Security Committee recommends that every aerie take steps to acquaint its members with the Social Security Program, with assistance from their local Social Security office and to support Bill H.R. 863, which is pending in the United States Congress. It would increase from \$210.00 to \$240.00 per month the permitted earnings, without penalty, for over 62 retirees under the Social Security Act.

Please write your Congressman and U.S. Senator to support it.

We Eagles helped to establish Social Security, let's all help to keep it worthwhile.

Respectfully submitted,

Chester P. Halliday, Chr. 46  
Frank Crowley, 941  
John Share, 2299

A motion was made by Brother Halliday that the report be adopted as read. This was seconded by Wayne Monroe, Elmira Aerie No. 941 and carried.

Following the adoption of the report D. James Shay, Elmira Aerie No. 941 spoke briefly on the advisability of having social security cards marked by color, in order that the person can be identified for donation of vital organs such as kidneys, eyes, heart and tissues. No action was taken.

An announcement was made by State President Carrick that Middletown Aerie and Auxiliary will again sponsor the Annual Hyde Park

Ceremony, at which, tribute is paid to President Franklin D. Roosevelt for the signing of the Social Security Act. This is held on the anniversary of the signing. Richard Dow, Worthy President of Middletown Aerie also spoke on this subject informing the delegates that wreaths are placed at the gravesite of both Franklin and Eleanor Roosevelt and a memorial service held. He pointed out that Eleanor Roosevelt was a member of the Middletown Auxiliary. In closing he extended an invitation to all Eagles to join with Middletown on that special occasion.

### REPORT OF THE BLOOD DONORS COMMITTEE

Read by D. James Shay, Chr. Elmira Aerie No. 941

Brother Delegates:

The most effective way to establish a Blood Donors Program is through the American Red Cross or the Canadian Red Cross. However, the individual aerie may establish a Blood Donor Program in conjunction with the nearest hospital to their aerie.

An example of such a program is the program in Hoosick Falls Aerie. The individual has on file his or her name, blood type, phone number, address and an indication on the part of the donor whether they would be willing to appear as donors at any time of the day or night. Such a donor list would be most effective in areas of low population and away from the more metropolitan centers where there is a greater source of blood supply.

Blood is the nectar of life. While it is the greatest gift for one to give his life for a friend, just one pint of your blood might do the same thing for a friend or a stranger. Such a gesture would certainly prove again that we are an organization whose motto is "People Helping People."

Your committee has been notified that both Elmira and Olean Aeries will be holding blood banks during the month of July 1975.

Respectfully submitted,

D. James Shay, Chr. 941  
W. Lyle Wightman, 1043  
Walter Manry, 2640

It was moved by Brother Shay that the report be adopted as read. This was seconded by Harold Long Jr., Olean Aerie No. 616 and carried.

State Secretary Lane announced there would be a State Membership meeting at four P.M. Friday afternoon in the home of Rochester Aerie. All delegates were invited to attend.

At this time a partial report of the State Fund Raising Committee by Kenneth Decker, Chairman, Ithaca Aerie No. 1253, during which a check for \$200.00 was presented by Olean Aerie No. 616. Brother Decker moved that the partial report be accepted as read. This was seconded by Anthony DiPio, Elmira Aerie No. 941 and carried.

### REPORT OF THE NOMINATING COMMITTEE

Read by Louis Dion, Chr. Montreal Aerie No. 2130

Brother Delegates:

Following the acceptance of the report State President Carrick called for further nominations from the floor. There were no further nominations and the nomination of officers was declared closed.

A motion was made by Howard Colby Jr., Lockport Aerie No. 825 and seconded by Brother Kenneth Decker, Ithaca Aerie No. 1253, that in view of the fact there was no contest for State Office the State Secretary cast one ballot and State President Carrick declare all of the nominated brothers elected to office. This was approved and brothers were officially declared elected.

Under the Good of the Order a lengthy discussion was held with relation to a situation that took place on Thursday evening in the Sheraton Motel in connection with the holding of hospitality room parties. Many of the delegates spoke on this issue and it was concluded when Brother Woodruff, Rochester Aerie No. 52, stated he would contact the police chief and the personnel of the Sheraton in reference to this matter.

A number of announcements were made with relation to ritualistic contests, committee meetings and the like, after which the convention was recessed until 10 O'clock Saturday morning. The session was brought to a close at 12:15 P.M.

### THIRD SESSION

The Third Session of the 69th Annual Convention of the New York State Aerie was called to order at 10 A.M. by State President William Carrick.

The obligation and oath of allegiance to the new members were given by Past State President Kenneth Decker, Ithaca Aerie No. 1253.

A special mailgram from Arthur Ehrmann, Editor of Eagle Publications was read by State Secretary Lane. In it, Art expressed his congratulations on a tremendous year in New York and his best wishes for a most successful year to come.

## REPORT OF THE YOUTH GUIDANCE COMMITTEE

Read by Larry Roy, Chr. Montreal Aerie No. 2130

### Brother Delegates:

The search for the causes of delinquent and criminal behavior has been a concern of mankind since the beginning of time. Parents, teachers, the clergy, criminologists, police officers, fraternal orders, like us and many others have puzzled over this question.

Our hope is that if we can find the causes we can eliminate them and thus correct behavior.

What are the causes of juvenile delinquency?

Why the corner gang?

Why do juveniles run away from home?

Why do juveniles use drugs?

Why is there juvenile vandalism?

Of these five questions, few can be answered. If we from the Eagles make contact with them, and have a plan of action, such as financially supporting a baseball, football, or hockey team, a boy scout troop or a summer camp. If our finances would permit it certainly would help us to build a better home town.

Let's not forget that charity begins at home and that our children really make for a better home. The more local youth programs we conduct in our community, the better we will sleep each night and the better our aerie's public image will appear on the horizon of tomorrow.

Although many aeries have Youth Guidance Programs, very few have reported their activities. Here are some that have submitted a report:

Elmira Aerie No. 941, who sponsors a precision Drill Team, "The Yankee Rebels", a team in the Babe Ruth Baseball League and a girl's team in the Cinderella Soft Ball League.

Steubeg Aerie No. 2299 sponsors a baseball team, send an underprivileged boy and girl to summer camp, also sponsors a Christmas party for children under 12.

Hoosick Falls Aerie No. 2467 sponsors a team in the Little League for boys and a team in the Junior Miss League for girls.

Respectfully submitted,

Larry Roy, Chr. 2130

John Kenney, 1411

John Bergum Sr., 2692

It was moved by Brother Roy that the report be adopted as read. This was seconded by Carl Roehner, Depew-Lancaster Aerie No. 2692 and carried.

## REPORT OF THE STATE LEGAL ADVISOR

Read by Thomas Burns, State Legal Advisor, Rochester Aerie No. 52

### Brother Delegates:

During the course of the past year I have been privileged to visit Aeries in Olean, Elmira and Middletown. I am most appreciative of the hospitality extended to me by the respective Aeries and I must congratulate each of them on their operations.

Also during the past year the 1975 Convention Agreement was prepared and executed in proper form.

As State Legal Advisor, I have also had the privilege of assisting Hoosick Falls Aerie 2467 to take advantage of the protective corporate status provided by New York Law. Under the guidance and direction of Brothers Charles Straub and Gordon Brenestuhl, the Aerie was incorporated under the New York Benevolent Orders Law on May 2, 1975.

I am also pleased to report that the newest Aerie in the State of New York, Rotterdam Aerie 3610, has initiated the process of incorporating and the proper certificate was forwarded to the New York State Department of State of June 26, 1975. I would anticipate that this Aerie will receive back its filing receipt within the next few days.

As to those Aeries that have not incorporated, I would again advise them that in order to protect the members from any personal liability flowing from the operations of the Aerie, it is important that they contact their attorney and incorporate. The office of the State Legal Advisor is, of course, available to assist at any time.

Respectfully submitted,

Thomas R. Burns  
State Legal Advisor

A motion was made by Wayne Monroe, Elmira Aerie No. 941 that the report be adopted as read. This was seconded by Charles Straub Hoosick Falls Aerie No. 2467 and carried.

## REPORT OF THE STATE LEGISLATIVE COMMITTEE

Read by Thomas Burns, Chr. Rochester Aerie No. 52

### Brother Delegates:

There has not been any new legislation directly dealing with the status of the State or Local Aeries during the course of the year.

However, existing legislation which continues to have a great impact on us is the Internal Revenue Code and the amendments to it enacted through the 1969 Tax Reform Act and the New York State Not-for-Profit and Benevolent Orders law.

Aeries whose annual gross receipts from all sources exceeds the sum of \$5,000.00 are required to file annual information returns. Each Aerie should consult its accountant or attorney to make sure that it is in compliance with this law.

Both the Not-for-Profit and Benevolent Orders Law of the State of New York provide protective status to Aerie members. Aeries should take advantage of these pieces of legislation so that they can assure their members that there will not be any personal liability in case of a lawsuit against the Aerie.

Respectfully Submitted,

Gordon Brenestuhl, 2467  
Herman Cassidy, 941  
Thomas R. Burns, Chr. 52

A motion was made by Charles Straub, Hoosick Falls Aerie No. 2467 that the report be adopted as read. This was seconded by Robert Woodruff, Rochester Aerie No. 52 and carried.

**REPORT OF THE CANCER RESEARCH COMMITTEE**

Given by Ralph Pauly, Chr. Olean Aerie No. 616

Brother Delegates:

It is with great pleasure that we, the committee, extend our sincere gratitude to the aeries and auxiliaries of New York State and Eastern Canada for their generosity and marvelous support in our fight against cancer. In years gone by Eagles have donated over a million dollars in an effort to wipe out this killer and in the years to come they will continue to support this project until a cure is found for this dreaded disease.

Elmira Aerie No. 941 sent in a fine report about their activities in this particular field which included the fact that they were able to make available to the Chemung County Cancer Society a special type wheel chair.

Again your committee thanks you for making our job such an easy one. Following is the list of donations received to date:

**REPORT OF THE R.E.A.C. COMMITTEE**

Read by Raymond Womble, Chr. Ithaca Aerie No. 1253

Brother Delegates:

In our opinion the R.E.A.C. program is the greatest thing that has happened to the Eagles in New York State and Eastern Canada, since the Order was founded. Quoting Judge Robert Hansen: *"It is simple to start a R.E.A.C. Club in your aerie or auxiliary, just write to Retired Eagles Activities Clubs National Headquarters, 2401 W. Wisconsin Avenue, Milwaukee, Wisconsin 53233 and get an instruction kit."* Following are the steps to be taken: appoint an over 60 aerie member as chairman; call a meeting of aerie and auxiliary members who are over 60 or retired, for the purpose of forming a R.E.A.C. Club. Have the group adopt the recommended by-laws, elect a Chairman, Vice Chairman, Secretary, Treasurer and Sergeant at Arms. Set a schedule for daytime meetings either weekly, bi-monthly or monthly. Schedule parties, dances, card parties, bingo and any kind of panny games. Appoint committees; we found the most important committee to be the Sick Visiting Committee. On Meeting Days serve coffee and doughnuts, have a light lunch. You will find that you can serve a good sandwich with a little salad and potato chips for 50 cents and break even.

We have unsolicited reports from Hoosick Falls that state since starting a R.E.A.C. program their bar business has picked up 40%. In Corning, they started in October 1974 with 8 members and now have 105. Ithaca has 268 members of which 80 are "social." By "social" we mean a member that is not 55 years old but would like to take part in the lunch program and social activities. They have no vote in the business meetings. Most meetings are held from 10 A.M. to 3 P.M. so as not to conflict with the regular schedule of the aerie.

Your committee, in traveling around the State trying to organize new R.E.A.C. Clubs, met with some opposition from the aerie officers and

Board of Trustees in the beginning. They were of the opinion that the R.E.A.C. was trying to take something away from the club. In no way do we take anything from the aerie club. We meet when the clubrooms are closed ordinarily. We buy our own food and furnish our own entertainment. We patronize the aerie bar and pay regular prices. We do not touch any of the merchandise or ask for anything free. The Board of Trustees furnishes their own bartender.

The second objection that we have encountered is that people seem to think we are trying to go in competition with the local Senior Citizens Organization. This is unfounded as we all belong to the Senior Citizens clubs in our home towns and in no way do we conflict with their programs. In most cases we have found that senior citizens who knew nothing about the Eagles have joined the Order because the R.E.A.C. programs are more varied and interesting than the normal schedule of events.

We suggest that anyone interested about the R.E.A.C. program operation attend a R.E.A.C. club meeting, visitors from other aeries are always welcome. Your committee feels that this is a real "shot in the arm" for our fraternity. We are happy, at all times, to assist in the organization of any new units.

Respectfully submitted,

Raymond Womble, Chr. 1253  
 Allan Barody, 2486  
 John Share, 2299

A motion was made by Brother Womble and seconded by William Callahan, Rochester Aerie No. 52, the report was adopted as read. This was approved.

Following the adoption of the report a number of discussions relating to senior citizens matters were presented to the delegates. Wayne Monroe presented a letter asking that some consideration be given to the holding of a Senior Citizens State-wide Bowling Tournament.

Reverting back to the Social Security report, Brother Womble moved that we support Bill H.R. 863, which would increase from \$210 to \$240 a month, the permitted earnings without penalty, for over 62 retirees under the Social Security Act. This was seconded by Earle Willis, Maple Leaf Aerie No. 2311 and carried.

Under a special order of business State President Carrick introduced Grand Trustee Anthony Angelo, from Latrobe, Pa. Brother Angelo, who is a fine speaker and an excellent singer and combined both talents into an interesting and instructive Eagle address.

**REPORT OF THE AUDITING COMMITTEE**

### REPORT OF THE JIMMY DURANTE FUND

Read by Raymond Womble, Chr. Ithaca Aerie No. 1253

Brother Delegates:

Once again New York State is in the Big Ten, as far as monies raised for the Jimmy Durante Fund is concerned. As of May 30th, New York State and Eastern Canada was in 7th place with an excess of \$5,300 reported. We will have a full report available following the parade of checks at this convention.

Highlights of this year was presenting \$1,000 grants to the following deserving institutions: Elmira Burn Center, Elmira, N.Y.; Oneida County Mental Retardation Center, Utica, N.Y.; Community Vocational Rehabilitation Center, Niagara Falls, N.Y.; Maple Ridge Center for Retarded Children, Rotterdam, N.Y.; and Allegany County Rehabilitation Center, Olean, N.Y.

In addition to the Jimmy Durante Children's Fund, the sum of \$855.00 was raised for the Eagles House in Nicaragua. It is a great sense of pride here in New York State and Eastern Canada that we have never been out of the Big Ten, even though we have only 49 aeries. We feel sure that this record will not be broken this year. Following is a list of donations received to date:

**REPORT OF THE NET GAIN COMMITTEE**

Read by Donald Gregory, Chr. Utica Aerie No. 97

Brother Delegates:

The 1974 - 1975 Fraternal Year marked the 19th anniversary of the Net Gain Program, introduced on June 1, 1956, by the Grand Aerie Membership Department.

As you undoubtedly know, a Net Gain Aerie achieves that honor by having a larger number of members on the roll at the close of the fiscal year than it had at the start of the year. In order to achieve this end, several important steps must be taken. The President of each aerie must pick a hard working Membership Chairman. This Membership Chairman, in turn, must devote his attention to two important functions:

1. He must have means of controlling delinquency.
2. Plan a variety of aerie activities which will help maintain a high level of enthusiasm among the members.

To a yearly net gain of new members, it is obvious that an aerie must conduct a vigorous membership campaign in the first place. In the second place, it must use effective dues reminders and delinquent notices, in order to cut down on delinquency. In some cases even personal contact by the Aerie Membership Security Committee.

Since aerie activities have a direct bearing on increasing the number of members who wish to join and at the same time decreasing the number of delinquents, it seems advisable to keep members busy through committee work, social activities, etc. Experience has shown that an active aerie is a successful aerie.

This committee, on behalf of the State Aerie Officers, wishes to take this opportunity to offer our sincere congratulations to all aeries in New York State and Eastern Canada, who have met with all the conditions and requirements which entitle them to Net Gain Banners. And particularly, we wish to congratulate the following top three Net Gain leaders:

1. St. Jerome No. 3176, with a net gain of 151
2. Montreal No. 2130, with a net gain of 53
3. Depew-Lancaster No. 2692 with a net gain of 45

Respectfully submitted,

Don Gregory, Chr. 97  
Mason J. Brunskill, 2640  
Joseph Strassner, 52

A motion was made by Brother Gregory, and seconded by Owen McNally, Fort Hamilton Aerie No. 2621, the report be adopted as read. This was carried.

Following the adoption of the report the State Net Gain Trophy was presented to a representative of St. Jerome Aerie No. 3176 by Brother Gregory.

#### REPORT OF THE GOLDEN EAGLE COMMITTEE

Read by Harry Meyer, Empire Aerie No. 544

Brother Delegates:

The request for contributions to the newest project of the Grand Aerie, The Golden Eagle Fund, established in Boston, Mass. has been met with an overwhelming response by the State of New York and Eastern Canada.

In our estimation the Senior Citizens of today do not want to be cared for, they just want to be cared about. They want to make use of their capabilities, which they still possess. Let's not cast them aside. Just remember that they were the ones that made this a better world to live in.

We wish to thank all the aeries and auxiliaries that contributed to this worthwhile fund. They are as follows:

#### REPORT OF THE HOME AND FAMILY COMMITTEE

Read by Richard Baire, Chr. Olean Aerie No. 616

Brother Delegates:

In talking to my co-chairmen from Glens Falls and Watertown, I find that most clubs closely associate Home and Family. Most Aerie homes seem to be closely connected to family homes.

With your permission I will use my Aerie home in Olean as an example of most all Eagle homes.

Our activities began with the Mayor proclaiming Thanksgiving to Christmas as Home and Family Month. We held a testimonial dinner at which time our aerie home was opened to the public. Awards were given to the Police Department, Fire Department, outstanding civic leaders, local clergy, businessmen, students, teachers, etc. A poster contest was held with prizes for the winners from different schools. Essays were written by children on their family life and again prizes were given to the winners picked by judges. The meal was provided at no cost to the guests and with the auxiliary's help the whole affair was a huge success.

During the year we have many family activities such as our family picnic, Christmas Party for our children, basketball games, bowling, our Mr. and Mrs. Award Dinner, etc.

I hope that all aerie homes will join in the Home and Family project so that it will become another successful Eagle venture.

A fine report was received from Elmira Aerie in connection with Home and Family activities which also contained a suggestion that was offered to the Grand Aerie with reference to having programs for children at the Grand Aerie Convention site.

Respectfully submitted,

Richard Baire, Chr. 616  
Maurice Helmer Jr. 782  
Robert Malan, 2486

A motion was made by Brother Baire and seconded by John Bergum, Depew-Lancaster Aerie No. 2692, the report be adopted as read. This was carried.

#### REPORT OF THE PROGRAM AND ACTIVITIES COMMITTEE

Read by Donald Gregory, Chr. Utica Aerie No. 97

Brother Delegates:

The Fraternal Order of Eagles has reason to be proud of its accomplishments during the year just past. First we should be proud of the increase in membership and proud indeed, that we are in a position to support the many projects of the Grand Aerie, whether it be in contributions to the Heart Fund, Cancer Fund or Cripple Children's Fund.

We should also be proud of our efforts to make life more enjoyable for our Senior Citizens through R.E.A.C. and in throwing our weight behind the small fry in Little League Baseball, football and hockey. For our adult members, our co-ed bowling and golf tournaments have given many the opportunity to relax.

However, we have to look at the Order in a broader light. What image does the individual aerie create in its respective community. With the Bicentennial so close at hand, it behooves us, as Americans to take a hard and close look at ourselves. Do we strive to uphold the law, are we truly patriotic and do we contribute to the community's betterment?

These are not easy questions to answer, but they must not go unanswered, because it is the true spirit of Eagledom to support individually or collectively the projects important to the community, as a whole.

In this connection, good press recognition is important and there are ways to receive such recognition. We must always remember that people make news and with this thought in mind we should pick the person or persons worthy of any Grand Aerie Award with great care. If we pick people who are, without a shadow of a doubt, entitled to win public acclaim, the press will not fail to concur in our judgement and give the event proper coverage.

All and all we should be proud and grateful for the opportunity given each of us to serve our great Fraternity and we must now prepare for the challenges which lie ahead. As the New Year 1975 - 1976 dawns, we can rededicate ourselves to the principles of our great Order. Let us set even higher goals and make even greater resolves. Like Lincoln at Gettysburg stated, let us proclaim that this Order "will have a new birth of freedom" and it will remain ever determined to serve America and Canada and help keep them free.

The committee wishes to thank Hoosick Falls Aerie No. 2467, Steuben Aerie No. 2299 and Lockport Aerie No. 825 for the informative reports received which explained in detail their program activities and the efforts expended in making our humanitarian projects so successful.

Respectfully submitted,

Donald Gregory, Chr. 97  
Arthur J. Cichon, 2692  
Robert Woodruff, 52

A motion was made by Brother Gregory and seconded by Rene Lessard, Montreal Aerie No. 2130, the report be adopted as read. This was carried.

Under a special order of business State President Carrick introduced Grand Aerie Auditor, Michael T. Gaffney. He spoke on the history of the New York State Aerie paying special tribute to Buffalo's Bill Alf, the State Aerie's oldest living Past State President, who served as such during the 1931 - 1932 fiscal year. He then presented the Eagle Press Award to Lockport Aerie. The Award was accepted by Brother Howard Colby, Editor of the Lockport Aerie Bulletin. Brother Gaffney then gave an outstanding address with relation to the local aerie officers and their particular duties. In closing he referred to the condition of Arthur Ehrmann, Editor of Eagle Publications, who is seriously ill in St. Joseph's Hospital in Milwaukee, Wisconsin. He suggested sending cards to Brother Ehrmann.

**REPORT OF THE PAST STATE PRESIDENT'S COMMITTEE**

Read by Robert Schick, Chr. Rochester Aerie No. 52

State President Carrick, Grand Aerie Representatives,  
State Officers and Brother Delegates:

Yesterday afternoon the Past State Presidents of the New York State Aerie held their annual luncheon at Rick's Prime Ribs Restaurant. This followed by the annual business session. Distinguished guests included Past Grand Worthy President James Bailey and Eastern Regional President William Menges. Following the Treasurer's report, a suggestion was offered by State Treasurer Kenneth Decker, that the annual dues be increased to \$10.00. This was unanimously approved. The new officers appointed for the coming year were Raymond Womble, as President and Laverne Weber, as Vice President.

All of the Past State Presidents in attendance pledged their support to the New York State Aerie and their sincere thanks to Rochester, for the hospitality shown. Brother Schick extended his personal thanks and expressed his personal pleasure in having the Past Presidents as guests in his home aerie. Also expressed at the meetings were best wishes for a most successful year to the New State President and a safe journey home for all the visitors.

Respectfully submitted,

Robert W. Schick, Chr. 52  
Thomas Philpott, 2311  
Raymond Womble, 1253

Brother Schick moved the report be adopted as read. This was seconded by Wayne Monroe, Elmira Aerie No. 941 and carried.

## REPORT OF THE STATE OF THE ORDER COMMITTEE

Read by Louis Dion, Chr. Montreal Aerie No. 2130

For the past three years we have passed the 3500 mark in new members. This was made possible by the support of the State leaders and all you good brothers. We can honestly say this is an achievement we are all proud of and wish that this coming year we will be able to reach the magic 4,000 mark. What it all takes is only a small effort by the recruiting committees of each aerie. All of the State Committee reports were outstanding; the Humanitarian programs were very successful and the different grants by the Eagle Funds have reflected on the Order, giving favorable publicity to all of our local aeries. We surely can feel proud of the fact, that during the course of the year we finished high up on the list of contributors, in most of the humanitarian programs suggested by the Grand Aerie. We were also fortunate in having a new aerie instituted in Rotterdam, N.Y., due to the efforts of Brother Charles Straub. In one word we can be proud of all the records achieved and we expect more new aeries for the State during the coming year.

We sincerely hope this coming year will bring us a new 4,000 mark in new members under the leadership of Larry Roy, to whom we wish a most successful term of office.

Respectfully submitted

Louis Dion, Chr. 2130  
Raymond Lance, 2486  
Robert Schick, 52  
Gazo Samok, 2692

A motion was made by Brother Dion and seconded by William Callahan, Rochester Aerie No. 52 that the report be adopted as read. This was approved.

## REPORT OF THE CIVIC AFFAIRS COMMITTEE

Given by Kenneth Decker, Ithaca Aerie No. 1253

Brother Delegates:

In the absence of Salvatore Ventura Chairman of the State Civic Affairs Committee, I would like to comment on some of the communications received by the committee:

Steuben Aerie reported that one of the biggest events of their year was Law Enforcement Week, which was declared as such, by the Mayor of Corning. Events included a Law Enforcement Banquet, with many of the Law Enforcement officers as guests. Awards were presented and guest speakers included the Steuben County District Attorney, City Judge and Steuben County Sheriff. Each day the local radio station interviewed local aerie and auxiliary officers with relation to the program. At the same time the local R.E.A.C. started to blow the Whistle on Crime Campaign, with proceeds going to the Corning Policemen's Childrens Fund.

The report from Hoosick Falls Aerie stated because of their participation in local Civic Affairs during the past 8 years they have gained the confidence and respect of the citizens and have induced a majority of the village, town and county leaders to become members of the Order.

Brother D. James Shay of Elmira Aerie gave an oral report con-

cerning Elmira's participation in this program and told of an incident of a fireman from the aerie rescuing a boy who had fallen through the ice.

Respectfully submitted,

Kenneth Decker, Chr. 1253  
Lawrence Maye, 2644  
Frantz Peterson, 3128

Brother Decker moved the report be adopted as read. This was seconded by Charles Straub, Glens Falls Aerie No. 2486 and carried.

## REPORT OF THE SPEAKER'S COMMITTEE

Given by Alfred W. Lane, Chr. Bronx Aerie No. 491

Brother Delegates:

Once again we have been fortunate in securing a number of outstanding speakers for our Annual State Convention. The opening remarks and greetings by Jack Hart, Supervisor of the Town of Gates, along with those of Thomas Roach, Police Chief, plus the outstanding Keynote Address by Grand Treasurer Al T. Williams, opened the convention in a masterly fashion. During the convention we had the pleasure of listening to such outstanding Eagle leaders as Eastern Regional President William Menges, Grand Trustee Anthony Angelo, better known as the singing Mayor of Latrobe, Pennsylvania, and only moments ago, to one of the most forceful speakers in our Order, Grand Aerie Auditor Michael T. Gaffney. This evening at the Convention Banquet, Past Grand Worthy President James J. Bailey, of Rockland, Mass. will be the principal speaker. As always, we had the pleasure of listening to some of the interesting speakers from the New York State Aerie.

In closing, the sincere thanks of the committee go to Rochester Aerie and all those who helped in anyway towards making our part of the program possible.

Respectfully submitted,

Alfred W. Lane, Chr. 491  
Kenneth Decker, 1253  
John C. Cole, 544

It was moved by Brother Lane and seconded by Roswald Viele, Elmira Aerie No. 941, the report be adopted as read. This was approved.

Under a special Order of Business State President Carrick vacated the President's chair which was taken over by Past State President Decker. Past State President Raymond Lance was called upon to make a number of presentations. He called State President Carrick to the altar and presented him with his Past State President's Certificate, his Past State President's diamond pin and plaque, plus a small cash purse for the efforts expended during his year as State President.

Brother Carrick, extended his sincere thanks and spoke briefly about the year just passed, the wonderful experiences he enjoyed and the fine hospitality that was shown to Betty and him during their travels throughout the State jurisdiction. He pledged his support to President-elect Larry Roy and stated he would do his best to make the year ahead another progressive one for New York and Eastern Canada.

## REPORT OF THE GRIEVANCE AND APPEALS COMMITTEE

Read by Jack Harter, Chr. Steuben Aerie No. 2299

### Brother Delegates:

During this New York State Convention one grievance was filed with this committee, and it is as follows: "Elmira Aerie No. 941 protests the action of the Ritualistic Committee for allowing the Ithaca Degree Team to compete the second time. We feel that the judgement should be on their first performance. Signed: Roswald Viele, Chairman of the Elmira Degree Team."

Respectfully submitted,

Jack Harter, Chr. 2299  
Duane Dennison, 2640  
Adrian Domingues, 1042

It was moved by Brother Harter and seconded by Harold Wooschlager Cortland Aerie No. 2191 the report be accepted as read. This was carried.

On the question of the protest State President Carrick stated he received a complaint from the Ithaca Team with reference to the setting up of the hall for the contest and the confusion that ensued which they claimed was the cause for a great number of errors on the part of the team. Following the complaint, Brother Carrick visited the site of the contest, spoke with the Ritualistic Committee and received reports from all who were present. When all information was compiled, it was his belief that the Ithaca Team should be given another chance and he so instructed the Chairman of the Ritualistic Committee Henry Becker, to do so.

A motion was made by Earle Willis, Maple Leaf Aerie No. 2311, and seconded by William Mullare, Nassau Aerie No. 3128, the decision made by State President Carrick be approved and the request made by Elmira Aerie No. 941 be rejected. This was carried.

Under the Good of the Order Charles Straub, Hoosick Falls Aerie No. 2467, spoke about conditions in Granville Aerie No. 3504. He stated a plan was now in operation to raise money by asking the aeries in the State jurisdiction to raffle off chairs that Granville would supply, and to give 50% of the proceeds back to Granville. He further stated any request for information should be directed to him.

A motion was made by Earle Willis, Maple Leaf Aerie No. 2311 and seconded by Kenneth Decker, Ithaca Aerie No. 1253, that a rising vote of thanks and appreciation be given to Hilda Mercun, who served so well as the secretary during the business sessions of the convention. This was approved and the entire group of delegates stood and applauded.

A motion was made by David Hoyt, Hornell Aerie No. 2640, that a letter be forwarded to the Grand Aerie, suggesting that the Eastern Regional Conference be held in September or October instead of March or April. The reasons being first, early in the fiscal year would help the serving officers and secondly, the weather would be more favorable for a larger attendance. This was seconded by Laverne Weber, Lockport Aerie No. 825 and carried. Brother Lane was instructed to forward such a letter.

State New Aerie Chairman Charles Straub announced a short meeting would be held following the close of this session for all interested in organizing a new aerie.

With all of the convention business completed up to this point State President Carrick announced that the report of the State Ritualistic Committee would be given at the State Convention Banquet. The meeting was adjourned at 12:35 P.M.

## STATE CONVENTION BANQUET

A crowd of over 500 delegates and visitors assembled in the main dining room of the Mapledale Party House in Rochester, N.Y. on Saturday evening June 28, 1975 for the Joint State Convention Banquet. Once again Past State President Kenneth Decker, of Ithaca, N.Y., served as the toastmaster. All of the newly elected State Officers were introduced. Short talks were given by the outgoing State President and Madam State President, the newly installed State President and Madam State President, Eastern Regional President William Menges, Grand Aerie Comptroller Michael T. Gaffney and Past Grand Madam President Lucille Lewis. One of the highlights was the presentation of a \$5,000 grant from the Eagle Cancer Fund to Dr. Roy T. Steigbigel of the Strong Memorial Hospital, Infectious Disease Unit. In a short little thank you talk he told how happy all concerned were to receive this grant. The retiring Mr. and Mrs. State President Team - Bill and Betty Carrick, were presented with an electric clock desk plaque as a memento of their year as the first Mr. and Mrs. New York State Presidents serving together. This was a token of appreciation from both the State Aerie and State Auxiliary. The principal address was delivered by Past Grand Worthy President James Bailey.
