1979 STATE CONVENTION

As early as Tuesday June 19th a smattering of delegates and visitors started arriving at convention headquarters in the Arena Holiday Inn. Early Wednesday morning the golfing brigade headed for the local links for 18 holes of exercise. The majority of the delegates started arriving right after noon. It is a pleasure to report that the confusion that accompanies the housing of the delegates was at a minimum because of the excellent manner in which the motel personnel handled this phase of the convention. Following the dinner hour there were a number of committee meetings with most of the delegates ending up at the Annual Get-Together party in the home of Binghamton Aerie.

All of the business meetings of both the State Aerie and the State Auxiliary were held in the Holiday Inn. Registration of delegates opened at 10 A.M. in the mezzanine of the Convention Headquarters.

The State Convention Banquet held on Saturday evening June 23rd also was held at the Convention headquarters in the Triple Cities Ballroom.

OFFICIAL OPENING OF THE CONVENTION

The convention was officially called to order at 2 P.M. on Thursday June 21st, 1979 in the Triple Cities Ballroom of the Holiday Inn, by Al Hubbard, Past President of Binghamton Aerie and co-chairman of the Convention. Donald Rettinger, of Toronto, Canada, New York State Trustee, led all present in the singing of both the Canadian and United States National Anthems. The invocation was given by Rev. Daniel Watson, of the First Methodist Church. State Aerie President Arthur Cichon and State Auxiliary President Katherine Moshier, along with the local President Gordon Lindow and Auxiliary President Mary Sodan, extended greetings to the capacity audience present. The Honorable Alfred Libous, Mayor of Binghamton, Donald McManus, Broome County Executive and Harold Kammerer, Vice President of the Broome County Chamber of Commerce, made everybody feel right at home with their warm welcome and best wishes for a most successful convention. Grand Inside Guard Owen McNally and Grand Auxiliary Treasurer Catherine Rodney, both brought greetings from the Grand Aerie and Grand Auxiliary. Brother Michael Gaffney, Director of the Jimmy Durante Children's Fund, who was the Keynote speaker gave an excellent address on the accomplishments of the Fraternity as a whole. This brought to a close the official opening ceremony. A short recess was called to make the necessary arrangements for the first business session.

FIRST SESSION

The first session was called to order at 3:10 P.M. by State President Arthur Cichon.

Following the opening ritual ceremonies the Roll Call of Officers was held. All of the State Officers were in attendance. The obligation and admission of new members along with the oath of allegiance was given by Past State President Kenneth Decker, of Ithaca Aerie No. 1253.

State President Cichon announced the convention committee appointments. Each delegate received a copy of the appointments and they are as follows:

STATE PRESIDENT'S REPORT

Read by State President Arthur Cichon.

Grand Aerie Officers, State Officers and Brothers:

As the old saying goes, all good things must come to an end, and this past year has certainly been one of the good things in my life. I know my predecessors will agree with me that it is a gratifying experience to be able to visit the many aeries and renew old friendships and meet new brothers. Dorothy and I were able to visit forty aeries this past year and I would like to express my gratitude for the warm hospitality and gifts which were given to us. It was a frigid winter but wherever we visited the hearts were warm and the red carpet was rolled out.

To Al Lane, a better right arm a State President couldn't have. He advised me well this past year and if I needed help he was always just a phone call away. My heartfelt thanks to him and to Ken Decker for their friendship and guidance through the years.

To Laverne Shorty Weber, State Membership Chairman, the Zone and District Directors and to all the aeries for their hard work in bringing in over 2500 new members and to Charles Straub and Dave Cook for instituting Canajoharie, thank you all. I did not achieve the goals I set last year but with their diligence and perseverance New York State again became a Bell Ringer Aerie.

To Depew-Lancaster and my friend Gazo Samok for their support during my years as a state officer, thank you. Gazo was instrumental in getting me started in the chairs and gave me good advice which I have tried to follow. I am very proud that my own aerie, Depew-Lancaster, topped the membership for the past year with a total of 250 members.

To all the chairmen, State and local, of our humanitarian projects, thank you for the many hours you put into raising money and I know when the final count is in, New York State will be up there with the leaders. My own project, the Max Baer Heart Fund, has not been totaled as yet but I am hoping we can reach the goal of \$10,000 at Kansas City. My special thanks to all who worked so hard to help me try and achieve it.

To my many friends throughout the state, my thanks for your continued support, your giving up of your time to be where we were and for the fond memories of a year that Dorothy and I will always look back on with pride and humility. Bless you all.

To my successor and neighbor, Ralph Pauly, you are off to a good start with a new aerie already instituted and a good jump on membership for the year. I hope the weather favors you as you do come from the snow belt and I wish you safe travelling. You can be sure I will help you all I can and I know you will set your goals high and reach them.

To close my report I would like to thank my wife, Dorothy, who travelled every mile of the way with me and made my long trips seem much shorter.

Respectfully submitted,
Arthur J. Cichon
State President

A motion was made by Brother Cichon that his report be adopted as read. This was seconded by John Kenney, Tonawanda Aerie No. 1411. This was approved.

REPORT OF THE MEMORIAL FOUNDATION COMMITTEE

Read by William Carrick, Chr. Middletown Aerie No. 544

Worthy State President, Grand Aerie Representatives, Delegates and Brothers:

Many questions have come up as to the limitations on Medical and Educational benefits payable to the children of Policemen and Firemen killed while on duty, in regards to the Memorial Foundation.

There are no limitations on medical expenses, dental expenses, optical expenses and the cost of prescription drugs except that total hospital, orthodontics and psychiatric treatment is limited to \$5,000 per person. Chiropractic bills are considered medical bills. These medical expenses are paid for eligible children until they reach the age of 18 years, unless they become married or self-supporting at an earlier age.

There is no restriction on the type of school that an eligible child must attend other than that it must be an accredited college or university school. These educational benefits are limited to a total of \$5000.00 payable at the rate of \$1,000.00 per year. No benefits are paid to permit eligible children to attend high school. Eligible children may receive educational benefits up to the age of 25 years, unless they become married at an earlier age when benefits discontinue.

We, the committee, hope that we have made the several questions put before us much easier to understand.

Respectfully submitted,
William Carrick, Chr. 544
Richard Pottoroff, 1253
Jack Kincaid, 616

Following the reading of the report Brother Carrick spoke briefly about the Memorial Foundation. He stated that this was the first time in many years that an official State report was given and suggested that if any questions should arise the aerie secretary should write to the Grand Aerie for correct information. If the State Committee can be of any assistance it would be our pleasure to help in any way possible.

A motion was made by Brother Carrick that the report be adopted as read. This

was seconded by Francis Campagna, Tonawanda Aerie No. 1411. This was approved.

At this time State President Cichon introduced Michael T. Gaffney, Owen McNally and Harry Woodruff, all representatives of the Grand Aerie. Each spoke briefly extending their best wishes for a successful and harmonious convention.

STATE SECRETARY'S REPORT

Read by State Secretary Alfred W. Lane, Tarrytown Aerie No. 1042

Brother Delegates:

It is my pleasure, I can assure you, to be present and to report that once again we have combined our best efforts to make possible another successful year for the New York State Eagle family. As in the past I will touch lightly on our accomplishments, leaving the details to the committee chairmen to elaborate on.

In new membership we didn't exceed the terrific year we had in 1977-1978 but we just missed the 2600 new member mark and we did add another new aerie to the family group. Your efforts in this category made it possible to attain State Bell Ringer status. We continue to have a small number of weak units but no charters were revoked, surrendered or transferred leaving us with a total of 54 local aeries in the State jurisdiction.

Our total number of members, according to the Grand Secretary's office figures is 14,837. Last year our total was 14,848. We just missed by 11 members becoming a Net Gain State Aerie. Again I must point out that the figures of the aeries reporting after the survey was taken were not counted.

Along with the rest of the country we are feeling the financial crunch. Our balance as of May 31, 1979 was \$4,239.16. This figure is \$1,232.09 below the balance of one year ago. The State Secretary's financial report is on the Secretary's desk for inspection and will be included in the Convention proceedings. As in the past we did manage to continue all of our services. Although our State Per Capita tax was increased for the past six months, keeping within the present boundaries was only made possible because so many of our State and local leaders gave their support to all of our programs and campaigns, in the majority of cases without any remuneration whatsoever.

A nice delegation from the local aeries and auxiliaries traveled to Spokane, Washington, for the Grand Aerie Convention. A majority took a part in the business sessions and practically all of the "New Yorkers" were in the Convention parade. Quite a few of our boys and girls were appointed as Eastern Regional Representatives for the various Humanitarian Funds. Highlighting the convention, as far as the New Yorkers were concerned was the appointment of Carmelita Pauly, of Olean Auxiliary, as Eastern Regional President and the nomination and election of Owen McNally, Fort Hamilton Aerie, as Grand Inside Guard.

Our Fall and Spring Conferences held during the past year in Depew and Middletown, respectively, more than lived up to expectations. Highlights included selecting Rochester as the site of the 1980 State Convention. Selecting Captain Allen Leidy and Fireman Frank Pingotti, both from Middletown, N.Y. for the Firemen of the Year Award. Laverne "Shorty" Weber was reappointed as State Membership Director for 1979-1980. The 1979 State Mr. and Mrs. Bowling Tournament went to Tonawanda Aerie and Endicott was selected as the site for the State Fall Conference in September.

Bowling is our only sport as far as Statewide activity is concerned. The Mr. and Mrs. Bowling Tournament held in Hornell, last Fall, was another Eagle success. Excellent alleys and high scores made most of the bowlers very happy at the Annual State Bowling Tournament, held this year in Glens Falls, N.Y. We know that Delmar "Kit" Carson, of Hornell, will never forget it as he rolled the only 300 game in the 32 year history of the tournament. We still have hopes of having a Statewide Golf Tournament and perhaps a Softball tournament, as well, in the near future.

Our aeries and auxiliaries continue to donate generously to all of our Humanitarian Funds. A parade of checks for each fund will be held later in the convention schedule. Again, this year New York State has been given the honor and privilege of presenting a number of grants from the various funds to deserving institutions throughout the State jurisdiction. I am sure the particulars will be included in the reports to follow.

As we look back on another wonderful year, we again see demonstrated that personal efforts and our ability to work as a team made it all possible. It is impossible to point out all of the unsung heroes and heroines that played such a big part in making this all happen but special thanks should go to the State Officers, the State Membership Group, State President Art Cichon and my long time buddy State Treasurer Ken Decker. To all of the local aerie secretaries my sincere thanks for your co-operation.

Looking ahead to 1979-1980, all signs point to a banner year. We already have one new aerie, just recently instituted in Mechanicville and many more potential sites, whose surveys have been approved and whose organizers are hard at work to turn them into progressive aeries. State Membership Director "Shorty" Weber has a number of ideas that he would like to put into operation. All we need is your continued support to keep New York as one of the better State Aeries in the Eagle jurisdiction.

This little get together has all the earmarks of being one of our better conventions. It is the wish of all concerned that your journey back home will be without incident. Again, my sincere thanks to each and everyone of you.

Respectfully submitted,
Alfred W. Lane
State Secretary

REPORT OF THE STATE MEMBERSHIP DIRECTOR

Read by Laverne Weber, State Membership Director, Lockport Aerie No. 825

BROTHER EAGLES:

Although we had hoped for a banner year in new members we fell short of the total reported last year and short of our goal set last June. We did however add 2580 new members and instituted a new Aerie in Canajoharie. I am happy to report the baby is healthy and growing stronger each day. The happy note came when we learned New York State Aerie did become a Bell Ringer.

We started off with a steady pace during June, July and August adding 443 to our rolls by the end of August. The September Kick Off Campaign added another 252. The Hunters Campaign in November was a little disappointing but added another 188.

The Hunters Trophy went to Elmira #941 for reporting 30 new members. The State Membership Trophy to Mississauga #3806 with a percentage gain of 15% by

reporting 15. December exceeded expectations when a whopping 237 were reported. A disappointing January brought in 201 members and the State President's Trophy was captured by our brothers from St. Jerome when they came through with 20 new members. Flushing Aerie with a percentage gain of 8% became the recipient of the State Membership Trophy. The under Thirty Five Campaign during March was by far our best when 351 were reported. Depew-Lancaster Aerie #2692 took the State Membership Trophy by reporting 53 new members and Shawinigan #3810, one of the new members of our Eagle family, reported 39 and captured the Percentage Gain Trophy with a 48% gain. Shawinigan again took the honors in April in the Old Timers Campaign by reporting 17 for a percentage gain of 20% and took home the "AL LANE TRAVELING LOVING CUP" held by Endicott Aerie for the past year. Again this year every effort was made to have all Aeries report at least one new member each month. Although we did not achieve this, forty nine out of fifty four Aeries did report new members during the year and 38 Aeries joined the quota group with many of them making their quota several times over. Following is a list of this year's quota Aeries:

Rotterdam 3610	Times	7	Tonawanda 1411
Endicott 2269	"	7	Toronto 2311
Mississauga 3806	"	6	Elmira 941
Depew-Lancaster 2692	"	5	Hornell 2640
Horseheads 3818	"	5	Auburn 96
Shawinigan 3810	"	4	Cortland 2191
Saratoga Springs 2586	"	3	Gloversville 482
Corning 2299	"	3	Troy 3773
Watertown 782	"	3	Hoosick Falls 2467
Utica 97	"	2	Glens Falls 2486
Schenectady 514	"	2	Granville 3504
Cobleskill 2695	"	2	Montreal 2130
Ithica 1253	"	2	St. Jerome 3176
Rochester 52	"	2	Norwich 1043
Batavia 2348	"	2	Oneonta 1260
Binghamton 2119	"	2	Middletown 544
Lockport 825	"		Tarrytown 1042
Olean 616			Elmont 3128
Jamestown 2145			Fort Hamilton 2621

Last year when I accepted the job as State Membership Director I said it would be the local Aeries and the individual producers that would make our year. As a token of our appreciation we again had an award program. To the membership chairman of the local Aerie for making quota a handsome wallet was presented, for a total of 38 wallets. John Dickinson and Ed Barrett of Elmira #941 and Romeo Bertrand of Montreal #2130 each received a \$25.00 cash award for producing at least 25 new members during the year. Twenty eight travel alarm clocks were presented to the brothers signing up ten new members during the year. One hundred twenty eight eagle cups were given to the brothers producing at least three new members in one month. The top producer award of \$50.00 goes to Romeo Bertrand from Montreal Aerie for securing 46 new members. Romeo has now been top producer for the past three years. In the runner-up position this year is Ed Barrett from Elmira #941. For producing 34 new members Ed received a \$25.00 award. A complete list of the exclusive 25 Club and the New York Big Ten Association is attached and will be made a part of this report.

At the State Officers Conference in Middletown it was decided to present the Net Gain Trophy at the fall conference to give ample time for State Secretary Lane to receive the Semi Annual Reports. The State Membership Trophy awarded to the Aerie reporting the greatest number of new members for the year goes to Depew Lancaster for reporting a total of 250. Completing the list of top five producing Aeries are 2 - Rochester 211; 3 - Elmira 190; 4 - Montreal 143 and 5 - St. Jerome 100.

Many thanks go to the Zone and District Directors for doing an outstanding job, spending many hours of their time and money out of their pocket making visitations to promote membership. Special congratulations to the leaders of Zone one for the publication of an outstanding Zone Bulletin and for a Zone family picnic, which has tripled in attendance over the past three years, as their summer meeting. Gordon Brennstuhl again receives the honor for being top Zone Director with a total of 918 new members and Richard "Caker" Updike became top District Director for the year with 445 new members.

Our friendly 3 to 1 membership contest with the Auxillary turned out disastrous with the gals easily walking all over us. State President Cichon predicted from the beginning the odds were too high. Nevertheless he and I will take our medicine and give the ladies their well deserved day.

My sincere thanks to all of you for making my first year as your State Membership Director an enjoyable and productive experience. As time marches on experience is gained and plans again are underway for a bigger and better year ahead. We all learn from our mistakes. At our membership meeting at 4:00 o'clock this afternoon all interested brothers are invited to take part in discussing plans and ideas for our yearly membership campaign. As the old saying goes "We did it before and we can do it again."

Once again my sincere thanks to all. Without your efforts and contributions our fraternal family could not have added 2580 new members. May God bless you all and with his help, may you all have a safe journey home at the close of this Convention.

Respectfully submitted,
Laverne "Shorty" Weber
State Membership Director

REPORT OF THE STATE LEGISLATIVE COMMITTEE

Read by Harold Fields, Chr. Rochester Aerie No. 52

Brother Delegates:

We are happy to report there has been no new legislation directly dealing with the status of the State or local aeries during the year just past.

Richard Updike, 941
Donald Smith, 782

A motion was made by Brother Fields and seconded by Brother Earle Willis, Toronto Aerie No. 2311 that the report be adopted as read. This was approved.

Brother Lane spoke briefly about a campaign being conducted by the Grand Aerie known as the Government Relations Program. He stated a number of communications with relation to this project have been forwarded to all of the local aeries. A special effort is to be made in the coming year to have each Eagle unit take an active part in this legislative program.

REPORT OF THE BLOOD DONORS COMMITTEE

Read by Ralph Pauly, Chr. Olean Aerie No. 616

Brother Delegates:

With no communications turned in to the Blood Donors Committee it is difficult to give a final report. We, the committee, feel that this program is not only vital to our aeries but to our community and to our Country, as well. With the demand for blood so high in this country today, we, as Eagles, should be more concerned that we are. We ask you "HAVE YOU GIVEN BLOOD THIS YEAR?" The only requirements are that you be between the ages of 17 and 65 and in fairly good physical condition. Do have your aerie set up a Blood Donors Program. Make it a community project. Contact your local radio station and newspaper; they are very receptive to programs such as this, and their publicity will assure your success in this project with very little effort on your part. With a little push we can get the Blood Donors Program going in every aerie and continue to be known as "People Helping People". In closing I would like to report that in January during the Olean Aerie 616 program 100 pints of blood were donated. If any other aerie has a Blood Donors Program please inform this committee so that it can be included in this report.

Respectfully submitted,

Alfred Masker, 544
John Kenney, 1411

It was moved by Brother Pauly that the report be adopted as read. This was seconded by Rene Lessard, Montreal Aerie No. 2130 and carried.

SECOND REPORT OF THE BY-LAW COMMITTEE

Read by Anthony Di Pio, Elmira Aerie No. 941

Your By-Law Committee is happy to report that there has been no request for any by-law change at this convention.

Respectfully submitted,
Owen McNally, Chr. 2621
Harry Woodruff, 52
Anthony Di Pio, 941

A motion was made by James Harris, Olean Aerie No. 616 and seconded by Ray Haggerty, Tonawanda Aerie No. 1411 that the report be adopted as read. This was approved.

REPORT OF THE IN MEMORIAM COMMITTEE

Read by Vincent Scharf, Chr. Buffalo Aerie No. 46

My Brothers:

We pause again - in our hurried fraternal life - to remember our brothers whom we knew and loved and who have now passed into the Grand Aerie beyond.

In the inspired words of Helen Steiner Rice, noted author, we are aptly reminded:

*"Death is just the gateway
Our loved ones pass through
On their way to the land
Where we're all born anew
And, while you can't see
What's on the other side,
We know that our Father
Will richly provide
All that he promised
To those who believe—
And his kingdom is waiting
For us to receive."*

Time doesn't permit a lengthy intonement of all our departed brothers as all aeries have their share. So, at the sound of the gavel, I ask that everyone rise and stand in silent meditation, as I call upon Past State Trustee Chester P. Halliday, of Buffalo Aerie No. 46, to offer prayer for all of our beloved dead.

Let us pray. *Our Heavenly Father, in this hour of trial and affliction we turn to thee in thy providence. Thou has called our brothers hence, and we bow in humble submission to thy will. They were dear to us and we loved them as brothers. May they now realize the love of a heavenly Father, which passeth all understanding. They bore the trials of this earthly life, and weary of it all they turn to thee for rest. We commit them to thy tender care, comfort the living and those near and dear to them by ties of relationship and brotherly affection. Help us to realize that the parting is only for a short season and that we shall meet again in the Grand Aerie Beyond, where the faults and frailties of this earthly life are forgotten and all become perfect in the love of an infinite God.*

We, your committee, propose that the State Convention of 1979 be closed in memory of Past State Presidents Leslie Mc Dermott and Keene Brown and that suitable recognition be made in our State proceedings.

Respectfully submitted,
Vincent M. Scharf, Chr. 46
Walter Manry, 2640
Warren Bean, 2191

It was moved by Brother Scharf and seconded by Louis Dion, Montreal Aerie No. 2130 that the report be adopted as read. This was approved.

After the reading of the report Brother Scharf announced there would be a Joint Memorial Service with the State Auxiliary at 7 P.M. in the Johnson City Room of the Holiday Inn.

REPORT OF THE STATE ATHLETIC COMMITTEE

Read by Robert Woodruff, Chr. Rochester Aerie No. 52

Brother Delegates:

Having received only three reports -- those coming from Rochester Aerie 52, Olean Aerie No. 616 and Elmira Aerie No. 941 -- we can only report to you at this time there seems to be great activity in the Softball field, as well as bowling, both for the men, women and mixed activity. There are probably many other activities, athleticwise, here in New York State, but with no reports from the aeries, we, at this time, cannot report to you.

We trust that next year a number of more reports will come from the local aeries for a more comprehensive report at convention time.

Respectfully submitted,
Robert Woodruff, Chr. 52
Mark La Rue, 616
Milton Evans, 941

A motion was made by Brother Woodruff that the report be adopted as read. This was seconded by Joseph Chalk, Elmira Aerie No. 941 and carried.

Under a special order of business State President Arthur Cichon presented Grand Aerie Representative Michael T. Gaffney. Speaking for the Eagle Publications Brother Gaffney congratulated State Secretary Lane, as Editor of the State Aerie Bulletin, on receiving honorable mention in the Annual Bulletin Contest and presented to him a small plaque which stated that fact. Brother Lane accepted the award and asked permission to speak following Brother Gaffney's address. Following a few congratulatory remarks in relation to the fine record being made by the New York State Aeries Brother Gaffney elaborated on the importance of abiding by the rules and regulations, centering his remarks on the duties of the local aerie officers particularly on those relating to the aerie trustees. It was a constructive and inspiring talk which brought a standing ovation from the delegates.

Brother Lane spoke briefly, expressing his thanks and appreciation on receiving the Eagle Publication award. He stated he was delighted that Brother Gaffney was selected to make the presentation, as both he and Mike have been closely related to Eagle Programs since 1942. He gave a short resume of the fine membership record made by Brother Gaffney, in the State of New York, in years gone by, and gave full credit to him for the splendid State Organization that we all enjoy today.

FIRST REPORT OF THE RESOLUTIONS COMMITTEE

RESOLUTION NO. 1

Read by Frank Stokes, Chr. Toronto Aerie No. 2311

WHEREAS: The Fraternal Order of Eagles has designated itself as an International Organization, having established units in the United States of America, Canada, Mexico, Phillipine Islands and in the United Kingdom of Great Britain, and

WHEREAS: Certain parts of the ritual of the Order, more specifically the exemplification of Liberty, in the initiatory ceremony, is preponderantly flavoured

with American history and American patriots only, and

WHEREAS: in the solicitation of prospective members for the Order, the latter are given to understand that the Fraternal Order of Eagles is in fact international in its scope, and

WHEREAS: candidates standing before the aforesaid station of Liberty are impressed by both the wording and transparency that the Order is "American" oriented rather than "International", and

THEREFORE BE IT RESOLVED: that steps be taken by the Grand Aerie to make the necessary amendments in the wording of the Junior Past Worthy President's charge of the ritual so as to eliminate the reference to American History and American patriots and also to re-illustrate the transparency depicting the principle of Liberty without exposing the flag of any country whatsoever, and

BE IT FURTHER RESOLVED: that a copy of this resolution be referred to the Grand Aerie of the Fraternal Order of Eagles for consideration at its forthcoming annual Convention in Kansas City, Missouri.

Adopted by the members of Maple Leaf Aerie No. 2311, Toronto, Canada, at its regular meeting held on June 11, 1979.

ATTEST:
John Jones, Worthy President

Frank Stokes, Secretary

Before any action was taken Brother Stokes informed the delegates that a similar resolution was prepared and forwarded to the Grand Aerie in 1976 and it became lost. That is our reason for submitting this same resolution in 1979. Brother Stokes than read the following which is in relation to the initiatory ceremony of the Fraternal Order of Eagles.

The initiatory ceremony of the Fraternal Order of Eagles is written to reflect the basic principles of the Order - Liberty, Truth, Justice and Equality. It was written when the Eagles had established aeries in communities in the United States and Canada.

In the course of time, the Order established a unit in the city of Manila in the Phillipine Islands and then more recently in Mexico and the United Kingdom of Great Britain. As the Order expanded beyond the continental borders of the United States it has become recognized as an "International" organization.

Presumably, it is the policy or intent of the leaders of the Fraternal Order of Eagles to further expand the Eagles' wings to additional communities in those countries in which units have recently been established and possible in other countries as well.

With the foregoing in mind, it is believed by many that consideration should be given by our leaders for a review of the Order's Initiatory ceremony, more particularly to the Station of the Junior Past Worthy President from which the principle of Liberty is exemplified.

It must be admitted that both the transparency and the wording of the charge itself is "American" oriented, rather than "international". The picture depicting Liberty is draped with the American Flag while there are references in the charge to American heroes and patriots who were prominent in the struggle for liberty and freedom in the early years of American history. Furthermore, it is believed that

other references in the charge do not clearly interpret the meaning of the word "liberty" to the average layman joining the Order or his concepts of "liberty" as is presently understood in this day and age.

While the "Stars and Stripes" is truly the symbol of liberty to the patriotic citizens of the United States, the flag of Canada is also the symbol of Liberty to Canadians, as is the flag of the Philippine Islands to the Filipinos, the flag of Mexico to the Mexicans and the Union Jack to Britons. It would be more in keeping with the international nature of the organization were the "Stars and Stripes" replaced by a common symbol to portray the theme of liberty.

It has actually been a fact that some members in joining the Order and taking the initiatory ceremony are surprised (and sometimes resentful) in seeing and hearing an American dominated theme at the Station of Liberty to portray that principle, when they were given to understand in signing the application for membership that they were becoming associated with an "international" organization. It is believed that there has been no criticism in the charges exemplifying the concepts of Truth, Justice and Equality.

While the author of the present rituals of the Order was a brilliant and highly respected leader and a master of rhetoric, there comes a time in history when changes in thinking occur in the minds of men. An outstanding example is the Holy Bible itself which has been re-worded or re-written by several scholars to convey a fuller and clearer meaning to its teachings.

While the author of this paper is not sufficiently gifted to update the wording of the Junior Past Worthy President's charge, perhaps the following may convey a basis for consideration.

"Liberty". The history of mankind is written around this word. To its sacred cause the master minds of ages have dedicated the loftiest gems of oratory and in its service, men have reached the summit of human greatness. The battlefields where vast armies fell seeking to extend some tyrant's power, may, in the fullness of time, be unmarked, unheeded and unknown; but man's love of freedom has been nurtured from time immemorial and will be unending. And, filled with the desire to live in freedom, even the humblest man will lay down his life for his country.

But the liberty of the nation is only the sum of our individual liberties and the liberty of the individual is only a bit less sacred than is the liberty of the state. It is man's right to enjoy those liberties endowed to him by his nation but it is not his right to abuse those liberties for personal and selfish fulfillment. You have no right to ask from me what you would not give to me, and I have no right to impose ideas and conditions on you, which, were I in the minority, I would not accept from you.

The courage to die in defense of one's country is no whit more praiseworthy than the courage to live worthily for one's country. And as you consecrate the fullness of the best that lies in you to our common land, give gladly, because you value your liberty, the same right to every other man to think his thoughts, to live his life, to love his country and to worship his God as you ask for yourself.

A motion was made by Brother Stokes and seconded by Dave Shay, Elmira Aerie No. 941 that the resolution be adopted as read and forwarded to the Grand Aerie Convention in Kansas City, Mo. This was approved.

REPORT OF THE STATE BOWLING COMMITTEE

Read by A. Raymond Lance, Chr., Glens Falls Aerie No. 2486

Brother Delegates:

Glens Falls Aerie No. 2486 was proud to host the 32nd Annual New York State Aerie Bowling Tournament this year.

One of the highlights of the tournament was the 300 game rolled by Delmar "Kit" Carson, of Hornell Aerie. We considered this a very special achievement as this was the first 300 game ever rolled in the tournament's history.

The Bowling Committee from Glens Falls Aerie along with the entire membership, as well, enjoyed, very much, meeting all of the visitors and are sure they all had a pleasant time too.

It was moved by Brother Lance and seconded by Douglas McDermott, Corning Aerie No. 2299 that the report be adopted as read. This was carried.

Under a special order of business Arthur Toporek, Depew-Lancaster Aerie No. 2692 brought up the subject of the Mr. and Mrs. Bowling Tournament and the manner in which it was being conducted. A lengthy discussion was held concerning this project. It was stated by Brother Lane that the State Executive Committee approved permitting the host aerie to conduct the tournament as it saw fit and in accordance with all the rules of the American Bowling Congress. Brother Toporek questioned the handicap system. The discussion was brought to a close on the suggestion of Ray Haggerty, this year's chairman of the tournament, the subject again be brought up at the State Executive Board meeting in September.

A recess was called to permit the State Auxiliary delegates and the general public to attend a special fun ceremony in connection with a membership contest held between the local aeries and auxiliaries. Madam State President Katherine Moshier and the State Auxiliary Membership Director Ethel Mac Vittie came dressed in shorts and tee shirts on which were printed "We Did It Art" and "We Did It Shorty." They then presented shorts and tee shirts to Brothers Cichon and Weber and took time out while they put on the same. Arthur's shirt read "I Didn't Do It Kay" and "Shorty" Weber's stated "Don't Blame Me." Both groups paraded around the hall and at the completion of the march Arthur and Shorty were presented with official crying towles. The little skit was enjoyed by all.

REPORT OF THE POLICE AND FIREFIGHTERS COMMITTEE

Read by D. James Shay, Chr. Elmira Aerie No. 941

Worthy President, State Officers, Grand Aerie Representatives and My Brother Delegates:

This is a report of the Police and Fire Committee, the members are Brother Earl Willis of 2311 Maple Leaf Aerie, Toronto Canada, and Brother Frank Crowley of 941, Elmira.

This committee was first established by the State Aerie to give statewide recognition to Heroic Acts of the dedicated individuals of the Fire Service.

The responsibilities of the Committee were later extended by motion of the State Aerie to include members of the Police.

For this committee to function properly it was necessary to have input from the local aeries.

The committee set guidelines for the local aeries to follow:

1. To be considered for the award the individual or individuals would have to perform an act which was over and above the normal service of which the individual selected performs on a routine basis. Some members, dedicated members of the Fire Service perform the daily chores of Fire Prevention and Fire Extinguishment without ever having the opportunity of performing an heroic act.
2. After the Act was performed, the individual or individuals should remain among the living.
3. That documented proof be furnished to substantiate the act. The proof could be in the form of Newspaper clippings, filmed or audio portions of news programs.
4. The recommendations of the local aerie, with the documented proof forwarded to

the State Secretary no later than one month prior to the Spring Officers Meeting.

5. Membership in The Fraternal Order of Eagles was not necessary to receive consideration of this award.
6. The local Aerie would make the presentation to the selected winners of the award at a function of the local Aerie.

The idea behind this award was to recognize the local hero, to give him or her statewide, national and international exposure and to provide the local aerie with an opportunity to present to the men in blue the benefits available to their families from the Eagles Memorial Fund. There are close to 800,000 firefighters and close to 75,000 police officers in New York State and Eastern Canada. I do hope that the membership committee takes note of this statistical information.

At the State Convention in 1978, I offered to come to any function that the local Aerie was having in behalf of firefighters or police at my own expense. I received one invitation and this was from President Gordon Lindow of Binghamton Aerie 2119 to attend a County Firemens Award Night in Greene, New York. I do not know whether my visit was beneficial but Brother Lindow has asked New Aeries Committee for survey information for an Aerie to be located in the Greene area.

I extend the same invitation to you my brothers, for me to attend any function in behalf of your local Police or Fire Departments at my own expense, and gas availability.

Everyone reads the newspaper, watches TV and listens to the radio. This is the source information for your selection of individuals to be considered for the State-wide Police and Fire Award. The Province of Ontario I am told is bigger than the State of Texas, extending from the eastern end of Lake Ontario to the western end of Lake Superior. The only Eagles Aeries are in the eastern portion so presentation would be difficult but if an individual was selected in the far reaches of the province, "where there is a will there is a way". I am aware that a firefighter from one of the Metropolitan Toronto Brigades had received a Provincial Citation for Bravery. I read this in the New York News and a National Magazine.

It would be possible for more than one Aerie to select the same individual to be considered for the award.

I should like to commend the selection of the two recipients of the 1978 - 1979 Eagles State Award, Captain Leidy and Firefighter Pingotti of the Middletown Fire Department. Their names were submitted by Empire Aerie 544 of Middletown, N.Y. The Aerie complied with the six (6) guidelines.

I would like to thank the members of the committee who put so much time in behalf of the activity.

I would especially like to thank my co-chairman Brother Frank Crowley who made the presentation for the Committee at the State Officers Spring Meeting.

It is the concensus of the members of the committee that his award program should continue.

Respectfully submitted,

D. James Shay, 941 - Chairman
Frank Crowley, 941 - Co-Chairman
Earl Willis, 2311

A motion was made by Brother Shay and seconded by Chester Halliday, Buffalo Aerie No. 46, the report be adopted as read: This was approved.

REPORT OF THE SCOUTING COMMITTEE

Read by Robert Sharkey, Chr. Rochester Aerie No. 52

Brother Delegates:

Rochester Aerie No. 52 has sponsored Boy Scout Troop No. 452 for the past four years. They meet in the aerie home and will be starting their fifth year in September, with a new Scoutmaster. Michael Hight, who was Scoutmaster for four years has been promoted to District Commissioner.

The Troop had three Eagle Scouts this year, for a total of four, since they were instituted.

A Boy Scout Troop for Handicapped and Retarded people is sponsored by Chautauqua Aerie No. 2145, located in Jamestown, N.Y. Any male from 12 to 50 years is accepted. All Boy Scout codes are used and adopted. Their purpose is for rehabilitation and letting them enjoy the experience of scouting. This troop was sponsored by one of the aerie members and he has now received National recognition and numerous write-ups.

This year the National Theme is "The Wonderful World of Scouting". The first weekend of June, five boys and two leaders from Rochester Troop 452 went to Hamilton, Ontario, Canada, to celebrate International Week-end with our Canadian friends.

Besides scouting projects, the boys also find time to do many projects for the aerie, such as serving breakfasts and dinners on special occasions.

It would be really great if more aeries would participate in supporting the Scouting Program. These young men are the future leaders of our communities and our Country.

Respectfully submitted,
Robert Sharkey, Chr. 52

Larry Gardner, 1260

A motion was made by Brother Sharkey and seconded by Robert Woodruff, Rochester Aerie No. 52 that the report be adopted as read. This was carried.

REPORT OF THE NEW AERIE COMMITTEE

Given by Charles Straub, Chr. Hoosick Falls Aerie No. 2467

Brother Straub gave an extemporaneous report. During his remarks he told of organizing a new aerie in Canajoharie, with the help of David Cook, of Fort Johnson Aerie No. 1575. He also spoke of a survey to be made in Amsterdam, N.Y. He explained in detail the formation of the committee, members coming from all four zones so that it may be possible to get input from the whole jurisdiction. He asked for continued momentum so that we will again attain "Bell Ringer" status this coming year. The growth of the organization depends on new aeries and the life blood is in new members. The report was brought to a close with a promise from Brother Straub to organize another new aerie during 1979-1980.

REPORT OF THE SOCIAL SECURITY COMMITTEE

Read by Arthur Gonyea, Chr. 2486

State President, Grand Aerie Representatives, State Officers and Brother Delegates:

Social Security and Supplemental Security Income Payments will increase automatically by 9.9% beginning with the check Social Security beneficiaries will receive on July 3 and Social Security recipients on June 29th.

Social Security has a built-in cost of living increase each year. As prices increase, so do Social Security benefits. Last year (1978) the increase was 6.5%. This year, as stated above, the benefits will increase 9.5% in July, 1979. It is difficult to keep up, however, as the prices rise so fast.

Elderly people still have a difficult time making ends meet. Social Security continues to pay disability benefits to totally and permanently disabled workers and their families. This is a very important program, as benefits are paid to eligible disabled workers at any age. The main purpose is to provide income to those disabled workers and to promote their rehabilitation and return to work.

Calculation of the increase in benefits was based on the revised CPI for urban wage earners and clerical workers for the first quarter of 1979. By 1980 costs to the trust funds of the Social Security increase will be 10.2 billion. By 1980 cost to general revenues of the Social Security increase will be \$415,000,000.

Examples of monthly payments before and after the increase are at levels ranging from \$284.10 to \$312.30, which is the increase for a couple to a high of a maximum benefit for a worker retiring at age 65 in 1979 being raised from \$503.40 to \$553.30 per month.

With the ever increasing raise in our cost of living, we of your committee, are conscious of the fact that the Social Security benefits are of the utmost importance to all concerned, and we hope that there will be a solution to the many problems concerning Social Security so we will all be able to benefit by it when we reach retirement age.

Fraternally and respectfully submitted,
Arthur L. Gonyea, Chr. Glens Falls #2486
Cecil Moshier, Niagara Falls #88
Purley Taylor, Binghamton #2119

A motion was made by Brother Gonyea that the report be adopted as read. This was seconded by Purley Taylor, Binghamton Aerie No. 2119 and carried.

REPORT OF THE UNDER 35 COMMITTEE

Read by Rene Lessard, Chr. Montreal Aerie No. 2130

Brother Delegates:

What have you done for the "Under 35"?

What are we doing for the "Under 35"?

What do we offer to the "Under 35"?

What is our aim for the "Under 35"?

If youth guidance is a major international concern of The Fraternal Order of Eagles, the Under 35 is our future as officers, administrators and also are the members which will follow what you did for your community to make life more desirable.

The Under 35 may be the persons in the new generation to help us to capture or develop the dominant idea of our wonderful organization. This is an age of wading - and into everything up to the neck. Some persons are on a hurry up schedule. They want promotions and prestige without spending the hundreds of hours of labour, needed to learn how to do the job.

Seek a place where Under 35 members could be used in the Aerie, find a place where their special qualities can be used to the greatest advantages of your Aerie and keep in mind that some years ago, you also had 35 years or less. What did the people do for you? If the answer is "Nothing", in this case, don't make the same error. Encourage the Under 35. They are the future of the Fraternal Order of Eagles.

We ask that each and every Aerie committ itself to provide some kind of program for their young people of 35. With wise guidance and counsel from Aerie members, they will become the best members and best eagle leaders of tomorrow.

Respectfully submitted,
 Rene Lessard, Chr. 2130
 Paul Riemert, 544
 Michael Caschera, 514

A motion was made by Brother Lessard that the report be adopted as read. This was seconded by Charles Straub, Hoosick Falls Aerie No. 2467 and Charles Trask, Rochester Aerie No. 52 and carried.

REPORT OF THE HOME AND FAMILY COMMITTEE

Read by Gordon Ireland, Chr. Toronto Aerie No. 2311

Brother Delegates:

An excellent report was received from Joseph Cangislosi, Worthy President of Rochester Aerie, in which he stated the "Bottom line to any good organization (F.O.E. not excluded) is a strong tie to home and family." He further stated his aerie promotes such events as Sunday breakfasts, Friday Fish Fries, Family Picnics and Clambakes, just to mention a few, which brings the family members together. It is his contention that such programs cement that feeling of Brotherhood throughout the State and hopefully the World.

As chairman I would like to see more aeries submitting reports on their programs and activities involving the family.

A few suggestions would be: A banquet for Father-Son-Grandfather and invite local police or fire departments or a sport personality to give a short talk and perhaps show a film relating to their work or topic.

The same idea could also be used for the auxiliary: Dinner for Mother-Daughter-Grandmother with a eye to the women's view on fashion, sports, etc.

Toronto has found in their aerie and auxiliary that Annual Picnics, Christmas and Easter Parties (which included movies, games, ballons, etc.) were enjoyed by all the members of the family.

Respectfully submitted,
 Gordon Ireland, Chr. 2311
 Gratien Viau, 2130
 Mike Lopez, 2486

It was moved by Brother Ireland that the report be adopted as read. This was seconded by Earle Willis, Toronto Aerie No. 2311 and Robert Sharkey, Rochester Aerie No. 52 and carried.

REPORT OF THE CANCER RESEARCH COMMITTEE

Read by Ray Haggerty, Chr. Tonawanda Aerie No. 1411

Brother Delegates:

At this time I want to thank our Worthy State President for the opportunity of serving as Chairman of the Art Ehrman Cancer Fund for the 1978-79 year.

I want to thank all the Aeries in the state who supported my bumper sticker project and all Aeries who had projects of their own, and I feel that soon a cure for cancer will be found with the help of the Eagles and others in supporting the research programs.

During the year from August 6, 1978 to May 31, 1979 total donations have been received in the amount of \$7,579.26. This amount includes funds ear-marked for kidney and M.D. also. A complete report will be in the Convention Proceedings.

The Committee and I would like to give special thanks to the Rochester Aerie and Auxiliary for their joint efforts of \$1483.96, and to Tonawanda Aerie and Auxiliary for a contribution of \$1000.16.

We are please to announce that a Grant for \$10,000.00 will be given to "Our Lady of Lourdes" Hospital in Binghamton, N.Y. from the Art Ehrman Cancer Fund.

At this time a parade of checks will follow, and we thank you in advance for your contributions to this most worthy cause.

REPORT OF THE R.E.A.C. COMMITTEE

Read by Frank Crowley, Chr. Elmira Aerie No. 941

Grand Aerie Officers, State Officers and Delegates:

The number of R.E.A.C. Clubs is growing and although we do not have a complete report on how many clubs have been organized recently we do know that Rochester Aerie No. 52 organized on January 17, 1979 with 38 members. They meet on the first and third Mondays at 11 A.M. The program consists of a luncheon and craft clubs with a local teacher to help them. This has proved very successful and future plans include picnics during the months of June, July and August. Their target is for 100 members by the end of the year. Ithaca Aerie No. 1253 has a regular meeting on the first Sunday of each month. They also have a party with a live band once a month. In the past they have taken bus trips to different locations. A Social Membership plan is

available to all members for \$1.00 per year dues. However social members are without voting privileges if they are not senior citizens. This unit has a membership of more than 200.

Although Elmira Aerie No. 941 had a Senior Citizens Club prior to the institution of R.E.A.C. they have recently joined the R.E.A.C. organization. The principal reason was to become a legal part of the F.O.E. Program.

We strongly recommend that all aeries seriously consider taking part in this program and taking advantage of the benefits that can be theirs if the senior members of the aerie meet regularly with a good program of activities and entertainment, especially daytime programs when many of our aeries do not have much activity.

We have not touched very deeply on the benefits and activities of the R.E.A.C. Program but have tried to enumerate some of the many ways R.E.A.C. might be helpful to our senior citizens of both the aeries and auxiliaries and we hope you will all take advantage of the program real soon.

Respectfully submitted,
Frank Crowley, Chr. 941
William Callahan, 52
Donald Stevens, 1253

A motion was made by Brother Crowley and seconded by Kenneth Decker, Ithaca Aerie No. 1253 that the report be adopted as read. This was carried.

REPORT OF THE YOUTH GUIDANCE COMMITTEE

Read by Wayne Monroe, Chr. Elmira Aerie No. 941

Brother Delegates:

Up until the present time this committee has not received any input for this report.

However, we feel there has been many local programs throughout New York State and Eastern Canada with relation to this important field.

Youth Guidance ties in with the Home and Family Program. Guidance starts in the home. With the proper attention at home the children will certainly uphold and maintain the laws and rules of our two great countries.

We cannot stress enough the fact that it is you and you alone that can make our Youth Guidance Program a success. Do your best and we are sure that our Towns and Cities will be much better places to live in.

REPORT OF THE JIMMY DURANTE FUND

Read by Harold Fields, Chr. Rochester Aerie No. 52

Brother Delegates:

It has been my pleasure to serve as Chairman of the Jimmy Durante Children's Fund for the past three years. It is very gratifying to know how much effort is put forth by the Aeries and Auxiliaries to raise the funds necessary to help combat all the crippling childhood diseases.

I would like to thank my two Co-Chairmen, Gordon Ireland and Patrick Lance who have served for the past two years dedicating their time and talents to this worthwhile cause.

This year as a state project we sold colorful book marks which are still available if you wish to contribute.

Since this fund began in 1968 there have been 84 \$1000.00 grants returned to New York Institutions. During the current year we have received eight grants going to the following organizations:

- CEREBRAL PALSY ASSOCIATION OF NIAGARA COUNTY, INC.
Niagara Falls, New York
- ORLEANS NIAGARA BOCES-SPECIAL HANDICAP CLASS
North Tonawanda, New York

CHEMUNG COUNTY CHAPTER, NEW YORK STATE ASSOCIATION FOR RETARDED CHILDREN, INC. Elmira, New York

DR. RAYMOND G. ROMANCZYK CHILDRENS UNITS
Binghamton, New York

SUNSHINE 4-H GUYS AND GALS
Lockport, New York

CURE CHILDHOOD CANCER ASSOCIATION
Rochester, New York

SPECIAL CHILDREN'S CENTER
Ithaca, New York

QUEEN ELIZABETH HOSPITAL
Toronto, Ontario, Canada

A complete list of donations is attached to this report. It is worth recognizing that there were only three joint donations. They were Tonawanda Aerie and Auxiliary \$547.90, Glens Falls Aerie and Auxiliary, \$1,395.42 and Rochester Aerie and Auxiliary \$1,996.96.

Additional contributions amounting to \$235.00 were designated to the Eagles newest project, Bob Hope School in Port Arthur, Texas.

Total contributions to date are \$6997.77. This proves that our goal of \$10,000 is not out of sight. I wish to thank all for supporting the Jimmy Durante Fund and at this time we will have our Parade of Checks.

State President, Grand Aerie Representatives
State Officers and Delegates:

The State Committee wishes to report that final arrangements for the State Convention to be held in the Triple Cities Ballroom in the Holiday Inn have been completed.

A roast beef dinner will be served to the delegates and guests starting promptly at 6:30 P.M. We ask that all make a real effort to be seated at that time.

Additional tickets can be purchased from Laurence Campbell, co-chairman or any member of his committee.

At this time we would like to thank Binghamton Aerie for taking care of most of the details and particularly for the wonderful co-operation we received from that same group.

Respectfully submitted,
Laverne Graham, Chr. 825
Edward Griffin, 2640
Larry Gardner, 1260

It was moved by Brother Graham and seconded by Ray Haggerty, Tonawanda Aerie No. 1411 that the report be adopted as read. This was approved.

Under a special order of business Grand Inside Guard Owen McNally was introduced to the delegates by State President Cichon. Brother McNally gave a brief resume of the fine progress made by the aeries in the State jurisdiction. He then presented the Legion of Honor Awards for organizing a new aerie in Canajoharie, N.Y. to Charles Straub and David Cook. Brother Straub accepted the awards for both brothers and reaffirmed that he would organize another new aerie during 1979 - 1980.

Past Grand Worthy President Anthony Angelo was then presented to the delegates. In his opening remarks he informed the delegates that because of the death of his father-in-law his trip to the convention was almost cancelled but because of his wife and the understanding she has for the F.O.E., regardless of what she had to face she insisted I go to New York and do my work. He further stated that whatever he could do at the convention he wanted to dedicate to his wife Margie.

He spoke about the fine record made by the New York Eagle Family. He elaborated on the efforts being made by Daniel Splain in connection with organizing all fraternal clubs in an effort to overcome the many tax problems and laws pertaining to the same. He asked the delegates for their support with relation to this program.

State President Arthur Cichon was called to the rostrum, at which time Brother Angelo presented him with the Bell Ringer Award. Brother Cichon expressed his thanks and stated this would not have been made possible without the hard work that had been done by the members of the local aeries.

REPORT OF THE GOLDEN EAGLE FUND

Read by Laverne Graham, Chr. Lockport Aerie No. 825

Brother Delegates:

The request for contributions for the Golden Eagle Fund has been met with an overwhelming response by the State of New York and Eastern Canada.

In our estimation the senior citizens of today do not want to be cared for, they just want to be cared about. They want to make use of their capabilities, which they still possess.

We wish to thank the Golden Eagle Fund Grand Aerie Committee for the \$1,000 grants received to date. To the bonified Senior Citizen Units that were the recipients have had their lives changed from boredom to one of fun and enjoyment.

The majority of our aeries and auxiliaries have put in many hours to entertain our

senior citizens and raise money for this project. To date we have received \$3450.46.

Following the procedure of past conventions we will have the convention Parade of Checks, after which a complete financial report will be given.

REPORT OF THE BETTER HOME TOWN COMMITTEE

Read by Donald Gregory, Chr. Utica Aerie No. 97

Brother Delegates:

The Better Home Town Committee, as one of our newer programs in the Fraternal Order of Eagles, is starting to make real progress throughout the entire jurisdiction.

A report from Schenectady Aerie with reference to competition in the Annual Art Contest sponsored by the Grand Aerie stated that they had a second prize winner and also an honorable mention in the 1979 competition.

We suggest, to all, that saluting an individual or an organization for outstanding contributions from your Town or City is a wonderful manner in which to make friends and influence people.

In the past all of our Eagle Programs have grown and proved successful because of the co-operation of our members and friends. We believe each aerie sponsoring a Better Home Town Committee would certainly be playing a more active part in our "People Helping People" Projects.

 Donald Gregory, Chr. 97

Brother Gregory moved that the report be adopted as read. This was seconded by Harold Long, Olean Aerie No. 616 and carried.

REPORT OF THE PROGRAM AND ACTIVITIES COMMITTEE

Read by Donald Rettinger, Chr. Toronto Aerie No. 2311

Brother Delegates:

As we all know programs and activities are the backbone of the Fraternal Order of Eagles and they are the foundation of our Order.

Again, as in the past, New York State and Eastern Canada are among the leaders in taking advantage of the programs offered by the Grand Aerie and in raising monies for our various humanitarian projects.

Besides being involved in sports and youth activities we have given aid to the aged and been active in paying tribute to our police and firemen, along with making our towns a better place to live.

Your committee is proud to announce that New York State and Eastern Canada have raised close to \$40,000 for the various Humanitarian Funds of the Order. We wish to thank and congratulate every aerie for the outstanding work done on those

programs.

The figures just quoted are only a portion of monies raised as almost every local aerie has taken part in giving financial and moral support for projects in their own towns and the committee would be remiss if we did not mention St. Jerome Aerie raised over \$24,000 for its particular community.

In checking the figures we find that New York State and Eastern Canada are in the top ten in every humanitarian project that the Fraternal Order of Eagles is involved in and we can be proud of our efforts for the past year.

Respectfully submitted,
 Donald Rettinger, Chr. 2311
 Romeo Bertrand, 2130
 Harold Hammond Sr. 1260

A motion was made by Brother Rettinger that the report be adopted as read. This was seconded by Wayne Monroe, Elmira Aerie No. 941 and carried.

Following the adoption of the report Brother Rettinger spoke at length about the institution of a New York State Project to be known as the New York State Arthritis Fund, F.O.E. In his remarks he described in detail the manner in which the fund would be operated. He asked that each aerie to head up a local drive for this fund to assist people who suffer from this disease. He concluded his remarks by asking each president to take a copy of the letter of introduction back home to their members so they may begin a drive to help those who suffer from this crippling sickness.

REPORT OF THE MAX BAER HEART FUND

Read by Jack Harter, Chr. Corning Aerie No. 2299

Brother Delegates:

The Heart Fund, as everyone knows is one of the major funds promoted by the Fraternal Order of Eagles. The Diabetes Fund has recently been affiliated with it. There are many grants given out each year for research to help defeat this dreaded disease.

It is only the help of the many aeries and auxiliaries that make possible the raising of these much needed funds. Every Eagle should be proud they are part of a great project that may someday eliminate this dreaded illness.

This committee wishes to extend its heartfelt thanks to the aeries and auxiliaries for their many contributions.

To date we have raised the sum of \$6,980.67. We will now have the parade of checks after which a complete total will be given.

Read by A. Raymond Lance, Chr. Glens Falls Aerie No. 2486

Brother Delegates:

The annual Luncheon of the New York State Past Presidents Association was held on Friday June 22nd, 1979 in the Left Bank Restaurant.

A moment of silence was observed in memory of Past State Presidents Leslie McDermott and Keene Brown who left our ranks during the past year.

After a rather lengthy discussion retiring State President Arthur Cichon was admitted to membership in the Association.

Past State President William Carrick of Middletown Aerie No. 544 was elected President for 1979 - 1980.

Respectfully submitted,

A. Raymond Lance, Chr. 2486

Louis Dion, 2130

Raymond Womble, 1253

It was moved by Brother Lance that the report be adopted as read. This was seconded by Douglas McDermott, Corning Aerie No. 2299 and carried.

Under a special order of business State President Arthur Cichon vacated his chair which was taken over by Past State President Decker. He then introduced Past State President Gregory and State Secretary Lane to make a number of presentations to our outgoing State President Arthur Cichon. Brother Cichon was presented with his Past State President's Certificate, his Past State President's Diamond Pin, a Past State President's Plaque and a small cash purse, as a tribute to him and in appreciation for the efforts expended during his term as State President.

Brother Cichon spoke briefly about his many visits around the State and the manner in which he and his wife were received and the hospitality that was displayed at all times. He, also, expressed his sincere thanks for the splendid support he received throughout his term of office.

REPORT OF THE STATE OF THE ORDER COMMITTEE

Given by Frank Stokes, Toronto Aerie No. 2311:

Brother Stokes gave an extemporaneous report. He stated that Larry Roy, Montreal Aerie No. 2311 was the chairman of the committee and was to have a report ready for this session but unfortunately was unable to attend at the very last minute. He stated he had no definite statistics but from all reports received at this convention the New York jurisdiction enjoyed another banner year. Brother Decker, Ithaca Aerie No. 1253, concurred with the remarks made and from all appearances our successes should continue into the following year.

Respectfully submitted,

Larry Roy, Chr. 2130

Frank Stokes, 2311

Kenneth Decker, 1253

Owen McNally, 2621

Donald Gregory, 97

It was moved by Brother Stokes and seconded by Charles Straub, Hoosick Falls Aerie No. 2467 that the report be adopted as given. This was carried.

Following the acceptance of the report Secretary Lane informed the delegates that the New York State Family is one of the best organized throughout the entire Eagle jurisdiction. He further stated we can be very proud of the manner in which we operate. We have the best programs, unlimited enthusiasm and we certainly do not have to hang our heads for the work that we do in the humanitarian field. It was his opinion that our State of the Order was excellent.

At this point Andre Caron, co-organizer of Shawinigan, entered the Convention Hall, Rene Lessard, Montreal Aerie No. 2130 introduced him to the delegates and presented him with the Al Lane Traveling Trophy. He expressed his thanks and announced that every effort would be made to keep the trophy up in the Canadian Country.

Respectfully submitted,
Salvatore Ventura, Chr. 2692

Brother Ventura moved that the report be adopted as given. This was seconded by Al Hubbard, Binghamton Aerie No. 2119 and carried.

REPORT OF THE SPEAKERS COMMITTEE

Given by Alfred W. Lane, Chr. Tarrytown Aerie No. 1042

Brother Lane gave an extemporaneous report in which he described in detail the procedure used in requesting for a State Aerie speaker. He asked that requests be made only on special occasions such as anniversaries, large class initiations and the like. He expressed the thanks of the committee to Binghamton for its co-operation in securing the Binghamton Mayor and the other officials for the official opening. He extended special thanks to the Grand Aerie for having our own Brother McNally, Grand Inside Guard, Michael T. Gaffney, who gave an excellent Keynote Address and Past Grand Worthy President "Tony" Angelo, who is to be the principal speaker at the State Convention Banquet. He extended his personal thanks to all who assisted him throughout the past fiscal year.

A motion was made by Brother Lane that the report be adopted as given. This was seconded by Wayne Monroe, Elmira Aerie No. 941 and carried.

REPORT OF THE NET GAIN COMMITTEE

Read by Gordon Brenenstuhl, Chr. Hoosick Falls Aerie No. 2467

Brother Delegates:

Becoming a Net Gain Aerie is among the most important things that any aerie can accomplish. Because this assures each and every aerie that it will grow. Without this program as an important part of an aerie's function, that aerie's membership will flounder and fail becoming erratic from one year to the next.

We, The Fraternal Order of Eagles, exist on our membership. We exist on keeping the members we already have; we exist by adding new members to our rolls continuously. Net Gain is to accomplish this; to keep us aware that this is necessary; that is a must for each and every aerie.

Therefore, we must rely on the old companion of any successful Net Gain Program; We must put into effect an energetic Membership Security Program. No matter how many new members your aerie can get, you will never have a net gain if your old members continue to drop out. It's the same as trying to carry water in a bucket with a big hole in it. Pretty soon you will have an empty bucket.

So, when you go home from these meetings; if you do not have a program such as I have spoke about, take it upon yourself to get one started.

We need to keep our old members just as sure as we need to get new ones. Having them both will keep our aeries healthy and prosperous.

Respectfully submitted,
Gordon Brenenstuhl, Chr. 2467
William Bell, 782
William Schwabenbauer, 616

Brother Brenenstuhl moved that the report be adopted as read. This was seconded by Lawrence Campbell, Binghamton Aerie No. 2119 and carried.

At this time Brother Mason Parker, Schenectady Aerie presented a check for \$100.00 for the Memorial Foundation Fund. The check was accepted by William Carrick, Chairman of that committee. Brother Carrick expressed his thanks and informed the delegates this was the first donation to that particular fund in quite a long time, as donations had been stopped for quite a while as far as the local aeries in the State were concerned.

State President Cichon invited Grand Aerie Representative Michael Gaffney to speak about this particular fund. He spoke about the benefits derived from the Memorial Fund. He stated for a number of years no funds had been collected for this fund. For several reasons it is necessary to activate this fund again -- one being inflation. Monies from this fund were originally invested and the interest used to operate with. This was sufficient during the years when there was plenty of money around. However during the times of tight money additional money is needed. This Foundation is governed by the Government Disclosures Act and where there is no active campaign to collect funds, where the funds are not used but invested and just interest used we have to lose our tax exempt status. Because of the scope of the benefits from these funds, we need to protect them by making additional collections from both the aeries and auxiliaries. He concluded his remarks by saying "I am sure we do not want this Eagle Village and the Memorial Fund disbanded."

While awaiting the report of the Election Committee a special Order of business was called during which many topics were introduced and many of the delegates took

part in the discussions. Some of the principal topics were our legislative program, both the State Bowling Tournament and Mr. and Mrs. Bowling Tournament as well, along with our failure to generate interest in a State Golf Tournament. Although many suggestions were offered no definite action was taken.

A motion was made by Earle Willis, Montreal Aerie No. 2130 that a standing ovation and a sincere vote of thanks be given to Hilda Mercun, who continues to do such a splendid job as secretary of our State Conventions. This was seconded by Kenneth Decker, Ithaca Aerie No. 1253. The delegates unanimously approved along with a great round of applause.

Brother Lane suggested because of the delay with reference to the report of the Election Committee some thought should be given to a change in the voting laws at the convention. After a brief discussion a motion was made by Earle Willis, Montreal Aerie No. 2130 that the rules of the Convention be changed next year to make the voting hours from 8 A.M. to 10 A.M. This was seconded by Paul Baird, Hoosick Falls Aerie No. 2467 and carried.
