## 1983 STATE CONVENTION

Although the majority of delegates and visitors arrived in the Convention City of Olean on Wednesday, June 16th, a large number of Eagle Golfers were on hand a day earlier in preparation of the annual golf tournament scheduled for Wednesday morning at the Birch Run Golf Course. A "Get Acquainted Party," with dancing and entertainment, was held in the Aerie Home Wednesday evening and was attended by a record crowd.

The annual Prayer Breakfast was held in the Aerie Home on Thursday morning followed by registration of State Aerie and State Auxiliary delegates and visitors. All State Aerie business sessions were held in the Aerie Home and the State Auxiliary sessions were conducted in the Olean Inn.

A Joint Memorial Service was held in the Olean Aerie Home at 6:30 p.m. Friday and the Joint Convention Banquet was held in the Castle Restaurant Saturday evening.

### OFFICIAL OPENING OF THE CONVENTION

An overflow crowd was in attendance for the official opening of the Seventy-Seventh Annual Convention at 2:00 p.m., Thursday, June 17th, in the Olean Aerie Home. Aerie President Mark LaRue welcomed more than 200 State Aerie and State Auxiliary delegates and visitors from New York State and Eastern Canada. The ceremonies were opened with the presentation of the Colors by the Olean Auxiliary Drill Team. State Aerie Chaplain Donald Rettinger, of Toronto, Canada, then led all present in singing the National Anthems of the United States and Canada. Officials from the city of Olean, the Fire Department and the Police Department extended words of welcome and wished all an enjoyable visit in their city. Words of welcome were also extended by Olean Aerie President Mark LaRue, Olean Auxiliary President Cheryl LaRue, State President Laverne Graham and State Auxiliary President Janet Bruning. Grand Treasurer Al Williams, Eastern Regional President James Maizie, Grand Trustee Laverne Weber, Past Grand Madam President Mary Dunn and Grand Auxiliary Trustee all spoke briefly on the accomplishments of the New York Jurisdiction and extended their best wishes for a productive and successful convention. An excellent message was given by keynote speaker Richard Stienberg, Grand Aerie Legal Advisor. The joint session was brought to a close at 2:30 p.m. to make the necessary arrangements for the first business session.

### FIRST SESSION

The first session was called to order at 3:00 p.m., in the home of Olean Aerie, by State President Laverne Graham.

Following the opening ceremonies the Roll Call of State Officers was held. All State Officers were in attendance.

The Obligation and admission of new members into the State Aerie was performed by Past State President Kenneth Decker, of Ithaca Aerie No. 1253.

At this time State President Graham presented the Grand Aerie Representatives to the delegates assembled. They were as follows: Grand Treasurer Al T. Williams, Grand Aerie Legal Advisor Richard Stienberg, Grand Trustee Laverne Weber and Eastern Regional President James Mazie.

Read by Herbert C. Farrell, Jr., Chr. Schenectady Aerie No. 514.

**RULES OF THE CONVENTION:**

Credentials for admission: Properly accredited delegates and Past Worthy Presidents along with Ten Year Secretaries shall obtain their credentials from the proper committee upon presentation of official receipts showing that they are in good standing in their aerie.

No person shall be admitted to the main floor unless he is a delegate, Past Worthy President or Ten Year Secretary. He must display his credentials and deposit the daily attendance slip with the proper aerie officer. A visiting member in good standing, not a delegate, may attend the convention sessions, in a section set aside by the committee, as a spectator only.

A delegate desiring to be heard on any subject, which is properly before the Aerie, shall rise, give the salutation sign, address the Worthy President, state his name and number of his aerie. When recognized by the President he may proceed.

A question indefinitely postponed shall not again be considered, except by the action of two thirds of the delegates voting again to take up the matter.

Voting shall be by the voting sign of the Order, except upon Roll Call, then it shall be aye and nay vote. Any thirty persons may demand a roll call on any question, but such demand shall be made before voting on the question.

Nominating speeches shall be limited to three minutes each and seconding speeches to two minutes each.

The election shall convene in the delegates registration room on Saturday, June 18, 1983 from 8 a.m. to 10 a.m. Only official ballots to be received. The count shall begin promptly at the close of the polls and continue to the completion thereof.

Delegates must present their credentials and ballots, depositing the latter in the ballot box. First ascertaining the number of votes indicated on the credential is identical with that indicated on the ballot and that no erasures appear thereon.

All resolutions must be reduced to writing, typewritten to triplicate if possible, and delivered to the State Secretary for distribution to the proper committees. The Committee on resolutions will, at the proper time, report all resolutions to the convention, with recommendations thereon.

Any part of the issue not covered by the rules of the convention or the rules of order shall be governed by Robert's Rules of Order Revised.

At this time it is customary to read the Order of Business for the convention, but in view of the fact there is not great change in the procedure, as regards to previous sessions and also that copies of the Order of Business have been distributed to all of the delegates, I shall dispense with the reading of the same, if there is no objection.

### STATE PRESIDENT'S REPORT

*Read by State President Laverne Graham, Lockport Aerie No. 825*

It is my pleasure, at this time, to thank you for the honor you bestowed upon me to serve as your State President for the past year. This has been a year I shall cherish all the days of my life. My visits to thirty seven aeries, whether for business, social occasions, anniversaries or just to say hello, were happy events. The opportunity to renew old friendships, to meet our new brothers and to enjoy your hospitality was superb.

When I took office a year ago, I set a goal of 3200 new members and 4 new aeries. Unfortunately, this goal was not achieved. However, we are happy for the 2579 new members and the one new aerie added to our New York State Eagle Family. With the institution of Ferme-Neuve Aerie No. 4043 on May 21st, New York became a Bell Ringer State. For this my thanks go to Organizer Julien Lachaine and the Brothers from Quebec. My special thanks to our State Membership Director Shorty Weber, the Zone and District Directors, all Local Aerie Membership Chairmen, and especially to all of you, the unsung heroes, for making it all possible.

Your support to our humanitarian funds has been outstanding as you will hear from the individual chairmen later. We have been privileged with presenting grants from the Jimmy Durantee Children's Fund, the Max Baer Heart Fund, the Golden Eagle Fund and the Art Ehrmann Cancer Fund. A grant in the amount of \$10,000.00 will be presented to the Canadian Cancer Fund, in honor of Terry Fox, at the Convention Banquet Saturday evening. Again, I wish to express my thanks to the State and Local Chairmen for a job well done.

To my own Aerie and Auxiliary, Lockport No. 825, my heart felt gratitude for the support you have given me over the years. Without it, I never would have made it to the top.

To Shorty Weber, Ken Decker, all the Past State Presidents and my officers, "Thank you for your patience and assistance." I know you will do the same for my successor.

And to my successor, Art Gonyea, I wish you the very best in your year. I offer my assistance and help in any way I can.

In closing, I thank you again for the privilege of serving as your State President. It was one of the fondest dreams of my life.

Thank you, and God Bless you all. Have a safe journey home.

Respectfully submitted,

Laverne Graham  
State President

A motion was made by Duane Dennison, Hornell Aerie No. 2640, seconded by James Russell, Rochester Aerie No. 52, that the report be adopted as read. Motion carried. A standing ovation was then given Brother Graham.

At this time, under Special Order of Business, State President Laverne Graham introduced Grand Treasurer Al Williams, Grand Aerie Representative, who congratulated Brother Graham and New York State Aerie for an outstanding job in all aspects of Eagledom. He stated, "You are my kind of people. You run a good convention and I am always very happy to visit with the New York delegation." He also spoke of the various programs that the Grand Aerie hopes to introduce in the coming year. Eastern Regional President James Maizie was introduced. He elaborated on membership accomplishments within the Eastern Region and especially in New York State. He stated all states within the Eastern Region went over their quota and asked all brothers to keep up the good work. Grand Aerie legal Advisor Richard Steinberg, keynote speaker at the opening ceremony, thanked all for their hospitality and extended well wishes to all in their future endeavors.

#### STATE SECRETARY'S REPORT

Read by Laverne "Shorty" Weber, State Secretary, Lockport Aerie No. 825

##### Brother Delegates:

It is indeed my pleasure and privilege to give my first report as your New York State Aerie Secretary. I cannot attempt to deliver a report as thorough or eloquent as you have been accustomed to for the past 27 years from Brother Alfred Lane. I know you join me in wishing him well in his years of retirement. My first ten months as secretary have been exciting and also a period of learning. I never realized the many details involved with the secretary's office. I will give a brief resume of the overall accomplishments for the past year leaving the details to the committee chairmen to elaborate on.

In new membership, we did not surpass the outstanding year we had in 1981-1982, but we did add 2579 new members to our rolls and added a new aerie to our state family to give us the State Bell Ringer status. For this we must thank the brothers from the Province of Quebec. Mechanicsville Aerie No. 3869 consolidated with Saratoga Springs Aerie No. 2586 and with the addition of Ferme-Neuve Aerie our state family remains at 57 units. The official figures from the Grand Secretary's Office show that we have a total of 16,074 members on the New York State Aerie Roll, an increase of 612 over the last report. As in the past, a number of Aeries did not report until after the survey was taken and were not counted.

Although inflation has been curtailed to some extent, the high cost of travel, accommodations and supplies continues to be the major problem. Your State Officers and the membership group did an excellent job working within the budget and we are happy to say that there didn't have to be any curtailments in our programs and service to local aeries. As of May 31, our balance stands at \$14,474.84. However, of this \$8,649.58 is earmarked for the State Arthritis Fund which leaves us with a healthy operating balance of \$5,825.26. Our financial stability over the years could not be possible without the help and cooperation of our State and Local leaders, who give so much of their time and efforts without any

renumeration what-so-ever. With this kind of cooperation there just is no way we can go except forward. The State Secretary's complete financial report is on the secretary's desk, available for inspection, and will be included in the proceedings of this convention.

The fall and spring Officer's Conferences, held in Rochester and Middletown, were most successful and productive. Highlights included the selection of Utica Aerie No. 97 to host the 1984 State Convention, selection of Glens Falls Aerie No. 2486 as the site for the fall State Officer's Conference, the Mr. & Mrs. State Bowling Tournament was awarded to Corning Aerie No. 2299 and named Al Hubbard as co-chairman, with the Auxiliary, of the Mr. & Mrs. Bowling, selected Patrolman Kenny to receive the Policeman Award and Firefighters Smith and Mingle as recipients of the Firemen's award. Past State President Robert "Bob" Woodruff was unanimously appointed the State Membership Director for 1983-1984.

A large delegation from the New York Jurisdiction were in Las Vegas last year to attend the Grand Aerie Convention and also to take part in the major activity offered by the host city. The New York Hospitality Room was outstanding and the guys and gals won first place as a marching unit in the Grand Aerie Parade. Carol Shay was re-elected Grand Madam Trustee and yours truly, Shorty Weber, advanced from Grand Conductor to Grand Trustee.

Donations from the Aeries and Auxiliaries to the various humanitarian funds grow steadily every year and we have been given the opportunity of presenting several grants from the Grand Aerie Funds. Later, during this convention, there will be the usual parade of checks. Your efforts in this field have made New York one of the most generous in the entire jurisdiction.

Our State Wide Athletic Activities must all be classed as a huge success. The State Bowling, The Mr. & Mrs. Bowling, Softball and the Golfing were all well attended and interest in all of them is on the upswing.

My Brothers, I have only touched the high points of our many State Programs and activities. It is your continued interest, support and cooperation that has made possible another banner year. A big pat on the back must go to all State and Local Officers, the Local Secretaries and especially to all the unsung heroes in the field.

Looking ahead to 1983-1984, under the leadership of Art Gonyea and Bob Woodruff, all signs point to another banner year. Our new State Membership Director, Bob Woodruff, has a number of new ideas that he will put into operation. All it will take to make it happen is your continued support. As Past State President, Wayne Monre said, "Let's do it together."

In closing, my best wishes for a happy and successful convention. May you all have a safe journey home so we may all be together again next year.

Respectfully submitted

Laverne "Shorty" Weber

*Read by Robert Tierson, Olean Aerie No. 616*

Grand Aerie Representatives, State Officers, Delegates and my Brothers:

The Eagle Memorial Foundation's function is to provide medical and educational assistance to children of our Eagle Brothers and Sisters who are in military service, on a police force or members of a paid or volunteer fire department and who lose their life in the line of duty.

The foundation provides grants for medical, surgical and dental care to these children until they become 18 years of age or married or self supporting before that time. It also provides educational grants for college tuition etc. up to \$2,000.00 a year with an overall total of \$10,000.00 available. Educational grants are available to children until they reach the age of 25 or become married or self supporting before that time.

## REPORT OF BLOOD DONORS COMMITTEE

*Read by Ray Haggerty, Chr., Tonawandas Aerie No. 1411*

Brother Delegates:

With each passing day, there is more and more need for each and everyone of us to give blood. The Blood Donor Program is a very important one and I urge every aerie to set a date with the Red Cross and urge your members to participate.

At this time I have only two reports of Blood Donor Programs. Oneonta Aerie No. 1260 made their quota of fifty pints last June and have set another date for this month. Hornell Aerie No. 2640 has an ongoing program. Ronald Brown of Hornell Aerie has given twenty-two gallons. In the Tonawandas, it is difficult to get a group together at one time as the Red Cross calls everyone as soon as they are eligible to give. Aerie and Auxiliary members who do give can designate that it be earmarked for the Eagles.

It is the hope of this committee that all aeries will set up a Blood Donor Program. We never know when we will be in need of this important product.

Respectfully submitted,

Ray P. Haggerty, Chr., 1411  
W.R. Dick Ross, 2644  
Ralph Verno 52

A motion was made by Theodore Eldridge, Hornell Aerie No. 2640 that the report be adopted as read. This was seconded by Gary Huyck, Endicott Aerie No. 2269. This was approved.

**REPORT OF THE STATE LEGISLATIVE COMMITTEE**

*Read by Elliott Becker, Aerie No. 544*

Worthy State President, State Officers and My Brothers:

Brother Robert Yager, Chairman of the State Legislative Committee, is unable to be with us today and has asked that I fill in for him.

Brother Yager left with us a detailed report on proposed legislation in the State Assembly and State Senate with relation to Games of Chance. This will include games known as merchandise wheels and lotteries and such other specific games as may be authorized by the board, but does not include the slot machine. If passed this would allow a licensed organization, used exclusively as a lodge or regular meeting place for members, to conduct such games.

The Federal Government has passed the new Postal Act that will increase the cost of mailing our newsletters, literature and the like.

Starting this year a three year licensing period will be phased in for all organizations and establishments that serve alcoholic beverages.

My Brothers, although this committee has not been as active as in the past, it does not mean we are not functioning. More help and support is needed from the local level. Have your Worthy President appoint a chairman to work directly with this committee. It is a known fact that more can be accomplished with strength than alone.

Respectfully submitted,  
Robert Yager, Chr., 3846  
John Palmer, 3846  
John Bartolotto, 52

A motion was made by Brother Becker that the report be adopted as presented. This was seconded by Duane Dennison, Aerie No. 2640. On the question Brother Charles Straub, Glens Falls No. 2486, stated that talking to your State Representatives is not enough. Letters from all of us is the most important thing. Motion was approved.

**REPORT OF THE IN MEMORIAM COMMITTEE**

*Read by Vincent M. Scharf, Chr., Buffalo Aerie No. 46*

My Brother Delegates:

Spanish philosopher George Santayana made it all seem uncomplicated when he wrote: "There is no cure for birth and death, save to enjoy the interval."

So while we are enjoying this interval, let us remember our beloved dead. As stated in our Ritual "they were dear to us and we loved them as a brother."

Time does not permit us a lengthy intonement of their names. So, as we pay worthy and reverent tribute to our departed brothers, let us rise at the sound of the gavel and stand in silent meditation as past State Trustee Chester P. Halliday, Buffalo Aerie No. 46, offers prayer for all of our beloved dead.

The delegates stood in silence as Brother Halliday offered a short prayer.

We, your committee, propose that the State Convention of 1983 be closed in memory of Past State President Ralph Pauly of Olean Aerie No. 616.

Respectfully submitted,  
Vincent M. Scharf, Chr., 46  
Richard Root, 3904  
Edward Seuling, 616

It was moved by Brother Scharf, seconded by Ronald Brown, Aerie No. 2640, that the report be adopted as presented. This was approved.

### REPORT OF THE STATE ATHLETIC COMMITTEE

*Given by Mark LaRue, Chr., Olean Aerie No. 616*

Brother Delegates:

We of the committee are happy to report that all aeries are active in sports. Be it softball, bowling, horseshoes or darts, you will find something going on for young and old alike.

The slow pitch softball tournament held in Olean hosted 8 teams with Addison Aerie No. 3904 coming out on top. This year the tournament will be held in Horseheads Aerie No. 3818 on August 19th, 20th, and 21st and should be the largest yet.

The Mr. & Mrs. State Bowling Tournament held in Lockport last fall proved to be just as successful as ever. Plans are already underway for the next tournament to be held in Corning.

Hornell Aerie No. 2640 hosted the Men's State Bowling Tournament this past spring. Everybody knew what they had to beat because Dave Vanderberg, from Johnson City, rolled a perfect 300 game the first week out. Watertown will host the next tournament and they have assured everyone an excellent time.

On Wednesday, June 15th, a large number of duffers braved sunshine and 90 degree weather to participate in the pre-convention golf tournament. Fifty-seven golfers showed up to face sand traps, water hazards, and trying not to get run over by Don Rettinger every time he made a beer run. Don, by the way, shot an amazing 104.

The Kenny Decker Traveling Trophy will remain in Olean for another year thanks to the efforts of Soupy Kenzoir who shot 77. Second place went to Brother Griffin with an 81 and third low gross to Brother Conklin with 85. Low net went to Tony Tyler with 72. Also with 72 was Brother Hemphill. Brother Hamula came in with a 73. The high net trophy went to Harold Jones with an 86.

The State Officers were not to be unnoticed that day. The most honest counter of strokes had to be State Conductor Ray Haggerty who recorded an unprecedented 148.

Plans are already in the making for Utica and we are sure next year even Brother Cichon can break 100.

Young or old, pro or not-so-pro, get out and enjoy. Sports are good for you and good for your club.

Respectfully submitted,  
Mark LaRue, Chr., 616  
Dave Wakins, 1260  
Milton Evans, 941

A motion was made by Brother LaRue that the report be adopted as read. This was seconded by Gary Huyck, Endicott Aerie No. 2269 and approved.

### REPORT OF THE POLICE AND FIREFIGHTERS COMMITTEE

*Read by David Shay, Chr., Horseheads Aerie No. 3818*

Grand Aerie Officers, State Officers, Past State Presidents and Brother Eagles:

The Police and Firefighters Committee would like to report to you that we had 100 entries in our Heroism Award Program, but that is not the case. We had only four. Reading the newspapers, watching television and listening to the radio tells us that there are heroic acts performed everyday in some parts of New York, Ontario or Quebec. We are sure that some of you, if not all of you, are familiar with some of these heroic deeds. We, your committee cannot act, nor can the actions of the State Executive Board be taxed if you do not give us and them something to do.

To be nominated for the award needs a motion from the floor of an aerie, vote of the membership of the aerie, and collaborating or documentary evidence that the heroic act was performed. Newspaper clippings, radio or television scripts will do.

In order to get some input into this program, we sent clippings to some aeries who were near incidents in which a policeman or fireman performed a heroic act. We also told them what the aerie was supposed to do and to whom to send the recommendations for the entries to be considered. In two cases this was followed up by personal phone calls, but alas, no entries from these two aeries.

We, the committee, would like to recommend that a communication be forwarded to the Grand Aerie suggesting that the benefits available to the families of firefighters, police officers and military personnel be given the widest publicity. We would also like to recommend that each newly installed Aerie President appoint a Police and Firemen Committee Chairman and the individual so appointed bring the message of Eagledom to the attention of firefighters and police officers in the geographical limits of the aerie.

There are some 350,000 volunteer firefighters and 40,000 paid firefighters in the State of New York. The same is true in the Provinces of Ontario and Quebec. It is possible, therefore, to have a membership of one million or more if all firemen and policemen were induced to become a member of the Fraternal Order of Eagles.

The selling point, of course, is the benefits from the Memorial Foundation.

Medical benefits of up to \$5,000.00 and educational benefits up to \$10,000.00 are available to children of Eagle members who are firefighters or on the police force and who lose their life in the line of duty.

Plaques for this year's recipients of the Eagles Heroism Award will be available in the near future.

We, the committee, recommend the continuation of this program and with your cooperation, my Brothers, I am sure that we can and will have more recommendations for this year to be considered by the Executive Board at next year's Spring Officer's Conference.

Respectfully submitted,  
David Shay, Co-Chr., 3818  
Earl Willis, Co-Chr., 2311  
Roger Grandchamp, 3897

A motion was made by Ronald Brown, Aerie No. 2640 and seconded by Al Hubbard, Aerie No. 2119, that the report be adopted as presented. This was approved.

## SECOND REPORT OF THE CREDENTIAL COMMITTEE

Given by Ronald Stickney, Chr., Lockport Aerie No. 825

Brother Delegates:

This is the second report of the Credential Committee:

Grand Aerie Representatives .....	4
State Officers .....	12
Past State Presidents .....	9
Delegates .....	78
Alternates .....	5
Past Worthy Presidents .....	87

Total Credentials issued .....	131

It was moved by Brother Stickney that this partial report be adopted as read. This was seconded by W.R. Ross, Aerie No. 2644 and approved.

## REPORT OF THE STATE MEMBERSHIP DIRECTOR

Read by Laverne Weber, State Membership Director, Lockport Aerie No. 825

Brother Delegates:

Although we had hoped for a banner year in new members, we fell short of the total number reported last year and short of the 3200 new member goal set by State President Laverne Graham. We did, however, add 2579 new members with the help of the institution of a new Aerie in Ferme-Neuve, Quebec. Not only did this help our membership total but it meant New York Aerie did become a Bell Ringer. My thanks and appreciation to my Zone and District Directors for their endless efforts, to Julien Lachaine for organizing a new aerie, and especially to each and everyone of you for the wonderful cooperation and untiring efforts you have shown. My sincere thanks and appreciation for a job well done.

We started off with the Early Bird Campaign during June, July, and August adding a whopping 569 new members to our rolls. September was again set aside to honor our State Secretary and was known as the "AL LANE" campaign and 238 new members were reported. Plaques were presented to Rochester Aerie No. 52 for reporting the most members and to Utica Aerie No. 97 with a percentage gain of 9.6 per cent. Another 201 members were added during the Hunters Campaign in November. Lockport Aerie No. 825 became the Hunters Champion by reporting 50 new members and received the Hunters Trophy. Fort Erie Aerie No. 3155, with a percentage gain of 11.76 per cent, received the Percentage Gain Trophy. Again this year during October, November and December a contest was held between the five zones and known as the Football Campaign which produced a total of 651 new members. Zone 4 accumulated 91.25 points to become the top producer and the Harry Woodruff Traveling Plaque was captured by Elmont Aerie No. 3128 with a percentage gain of 26.9 per cent for the three month period. A disappointing January during the State President's Campaign, only added 210 members. Lockport Aerie No. 825 took the State President's Trophy by reporting 31 new members. Utica Aerie No. 97, with a percentage gain of 12.1 per cent, was winner of the State Membership Trophy. The Police and Firemen Campaign during February was another big disappointment when only 131 new members were reported. This year plaques were presented to the Aerie with the best percentage gain in each zone. These plaques were awarded to Lockport Aerie No. 825, Endicott Aerie No. 2269, Utica Aerie No. 97, Elmont Aerie No. 3128 and to Mont Laurier Aerie No. 3993. Our Under 35 Campaign, during March, was one of our better campaigns when 230 new members were added. Hoosick Falls Aerie No. 2467 captured both the State Membership Plaque and the Percentage Gain Plaque by reporting 30 new

members. This year in our friendly contest with the Under 35ers, the Old Timers didn't fare quite as well, however, 217 members were added to our rolls during April. Watertown Aerie No. 782 took the honors and captured the "Al Lane Traveling Loving Cup," for the second time, by reporting 78 new members for a percentage gain of 30 per cent. With the help of the institution of the new Aerie in Ferme-Neuve, Quebec, 333 new members were reported during May to honor the State Membership Director. Brother Weber presented a wallet to the top Zone Director during the month.

Again this year every effort was made to have all Aeries report at least one new member each month. Although we did not achieve this, forty-six out of fifty-six Aeries did report new members during the year and thirty-seven Aeries joined the quota group with many of them making their quota several times over. Following is a list of this year's quota Aeries:

The State Membership Department sets up campaigns and programs, but it is the individual in the local aerie that contacts the potential member and invites him to join that makes the campaigns and programs work. Without all of you, we simply could not succeed. As a small token of our appreciation, we again, this year had an award program for the individual producers. Each new member securing a minimum of 3 members in any one month received a New York State 3 member producer pin. A total of 148 pins were distributed. Each member that produced at least 10 members during the year received a tri-fold wallet and 22 of these awards were presented. Only one member this year signed up more than 25 members and that was none other than Cletus Fenton of Utica Aerie No. 97. For this he received a \$25.00 cash award. Top Producer in the jurisdiction was Cletus Fenton, with 60 new members to his credit. A \$50.00 cash award will be presented to him. Runner up, for a \$25.00 cash award, is Theodore Keys of Watertown Aerie No. 782. A complete list of leading producers and members of the Big Ten Club is attached and will be part of this report.

Not to disappoint our State President, Brother Graham and I will have to pay the consequences again this year in our 3 to 1 contest with the gals. Each year I have said "next year will be a different story." I guess I will finally have to admit it can't be done. There is just one consultation and that is that this will be my last time. I will be watching to see what happens next year under Brothers Woodruff and Gonyea.

A membership meeting is scheduled at 4:00 p.m. today. This meeting will be conducted by your new State Membership Director, Past State President Robert Woodruff, and I am sure he invites all brothers to take a part in the planning of the campaigns and programs for next year. Let's make next year the year we go over the 3000 new member mark. Even though I admitted defeat with the gals, I'm not going to say the 3000 mark can't be done. What do you say Brothers, don't you agree?

As I leave the membership department, I certainly would be remiss if I did not take this opportunity to thank each and everyone of you for the wonderful support you have given me over the past four years. It has been a joy working for all of you because you have made the job easy. To my Zone and district Directors over the years, thank you is not enough for the continued effort you have put forth. To the Past State Presidents I served under, thank you for being so patient and ever understanding. Most of all, to our Past State Secretary, Brother Al Lane, without whose continued help, support and backing, my very special thanks. God bless you all and with his help, may you all have a safe journey home and have a fruitful year ahead.

Respectfully submitted,

Laverne "Shorty" Weber  
State Membership Director

It was moved by Brother Weber that the report be adopted as read. This was seconded by Mark LaRue, Olean Aerie No. 616, and approved.

Following the adoption of the report, Brother Weber presented a number of individual producer awards. He also presented an award to George Taillefer to present to Julien

Lachaine, Organizer of Ferme-Neuve Aerie No. 4043 when he returned home.

Brother Weber then introduced Past State President Robert "Woody" Woodruff the new State Membership Director for 1983-1984. Brother Woodruff spoke briefly outlining his programs for the coming year and stated there would be a general membership meeting at 4:00 p.m. He also stated Brother Weber would be a hard man to follow and asked the delegates to give him a standing ovation for the outstanding job he did as Membership Director.

Under a special order of business State President Laverne Graham introduced Eastern Regional President James Maizie who congratulated New York on the excellent job done in membership. He stated his purpose was to thank the delegates on behalf of the Grand Aerie. He also gave an interesting talk on the many programs of the Order. At the conclusion of his remarks he called Brother Graham to the podium and presented him with the bell signifying New York as a Bell Ringer State. Brother Graham rang the bell and stated it was on behalf of all of the Eagle Members in New York State and Eastern Canada.

### REPORT OF THE NEW AERIE COMMITTEE

Given by Charles Straub, Co-Chr., Glens Falls Aerie No. 2486

My Brother Delegates:

It is with extreme pride that I, Charles Straub, again present to the delegates here assembled the New Aerie Report. This was suggested by my Brother and Co-Chairman Georges Taillefer.

Worthy President Laverne Graham, you have just received your bell as a bell ringer State. For the past two years the jurisdiction has received this very important award. This, my Brothers, is due in part to the hard work by our Canadian Brothers in Quebec.

On May 21, 1983 Ferme-Neuve Aerie No. 4043 was instituted in Ferme-Neuve, Quebec, Canada. This was instituted by Georges Taillefer with 83 Charter Members. I am sorry the Organizer, Julien Lachaine, could not be with us at this session so we could all show our appreciation.

But to you Brothers assembled, you too can organize an aerie. How many in this room belong to a Ritual Team? If you can do the Ritual and fill out the forms for the Grand Aerie then you can organize an aerie. This year the grand Aerie Membership Department will issue the same prizes and awards for signing up charter members as they do for regular members.

Worthy State President, I know I promised that I would organize a new aerie for you when you took office, however, because of unfortunate circumstances, I was unable to produce and for this I apologize.

To our incoming State President Arthur Gonyea, the New Aerie Committee has been advised that every effort will be made to also make you a Bell Ringer State.

Respectfully submitted,

Georges Taillefer, Co-Chr., 3899  
Charles Straub, Co-Chr., 2486  
Richard Updike, 941

A motion was made by Brother Straub and seconded by Gary Huyck, Aerie No. 2269 that the report be adopted as read. This was approved.

## REPORT OF THE STATE ARTHRITIS COMMITTEE

Given by Donald Rettinger, Chr., Maple Leaf Aerie No. 2311

State President and my Brother Delegates:

For the fourth annual report of the State Arthritis Fund this committee is fortunate and happy to give you this glowing report.

The total amount in the fund at the present time is \$8,649.58. This is because of your generosity throughout the year and especially at the Parade of Checks at the 1982 Convention in Elmira.

One grant was given during 1982-1983. This was in the amount of \$2,000.00 and was presented to the North East Arthritis Foundation and was presented by Brother Frank Hover of Rotterdam.

The State Executive Board has approved the recommendation of your committee that all money in the fund, at the conclusion of this convention, be divided equally into two grants. One to the Western New York Chapter of the Arthritis Foundation in Buffalo, requested by Tonawandas Aerie and Auxiliary. The second grant will go to Strong Memorial Hospital, Pediatric Arthritis Clinic Division, requested by Rochester Aerie.

Thank you again, my Brothers, for your outstanding generosity during the past year. Let us now proceed with the Parade of Checks so that we can give you a final and complete record.

## REPORT OF THE SOCIAL SECURITY COMMITTEE

Given by William Reynolds, Olean Aerie No. 616

Worthy State President, Brother Delegates:

As the longevity of the American people increases, the Social Security system is growing by leaps and bounds by the number of recipients. Unfortunately, the revenues going into the fund are not keeping pace with the expenditures.

Social Security, as you and I know it, is in the midst of a complete revamping by a bipartisan committee appointed by President Reagan. On this committee are members of congress, financial experts and representation of the aged. This committee must make the Social Security System solvent or it will become depleted before the end of the century.

Some of the changes proposed are increased withholding taxes, increasing the age of full retirement benefits from 65 years to 67 years of age, a greater penalty on early retirement and delaying the cost of living adjustment due July 1.

The Social Security Administration strongly urges all recipients to use the direct deposit to their own financial institution. In addition to saving the system many dollars, it is a protection against loss or theft and certainly much more convenient to the recipient.

My Brothers, please do not forget the elderly. Social Security is a very important aspect of their lives.

Your committee urges everyone to write their Congressman and Senator and urge them to do their utmost to salvage and improve the Social Security System that is so vital to every American.

Respectfully submitted,

Robert Byron, Chr., 2191

William Reynolds, 616

Chester Halliday, 46

It was moved by Brother Reynolds and seconded by Lewis Howe, Aerie No. 2640, that the report be adopted as read. This was approved.

## REPORT OF THE UNDER 35 CLUB COMMITTEE

Given by Paul Baird, Chr., Glens Falls Aerie No. 2486

State President, Grand Aerie Representatives, State Officers and My Brothers:

The Under 35 Club. What is it and why should every aerie organize one?

The Under 35 Club can, and should be, a very important internal unit of your aerie. Its membership consists of Aerie and/or Auxiliary members, in good standing and under the age of 35, their wives and husbands and families. The club has its own Constitution and By-Laws and its own treasury. It is, however, subject to the jurisdiction and control of the Aerie By-Laws and the Statues of the Order.

You ask why you should organize the Under 35 Club. Too many of our local aeries cater to much to the middle age group and they tend to leave the younger member out of activities that are of interest to him. The Under 35 Club will bring in new ideas and activities for the young. It will give them a chance to express their ideas as a group. It will increase your membership and increase your business through added participation.

Let us not forget the Under 35 members. They will be our future leaders and future officers of our aeries. Get them active now so they will be experienced when it is their turn to be our leaders.

Respectfully submitted,  
J. Paul Baird, Chr., 2486  
Gary Jcaobik, 616  
Theodore Eldridge, 2640

A motion was made by Brother Baird that the report be adopted as read. This was seconded by Ronald Brown, Aerie No. 2640, and approved.

### REPORT OF THE STATE FUND RAISING COMMITTEE

*Given by Kenneth Decker, Chr., Ithaca Aerie No. 1253*

Officers and Members of the New York State Aerie and guests:

I am proud to report that the New York State Aerie did not have to go begging for money from the local aeries this year. I am sure that if the State Aerie Financial Officers continue to operate in the same manner they have in the past year, our report at the next convention will be the same.

We did receive donations in the amount of \$201.00 this past year from Olean, Rochester and Middletown Aeries. We understand there are a few checks here today which we will gladly accept. Once again, our sincere thanks.

Respectfully submitted,  
Kenneth Decker, Chr., 1253  
Walter Deyoe, 2486  
Robert Butts, 941

It was moved by Lewis Howe, Aerie No. 2640 and seconded by J. Paul Baird, Aerie No. 2486, that the report be adopted as given. This was approved.

### REPORT OF THE HOME AND FAMILY COMMITTEE

*Read by Roger Apple, Aerie No. 2467*

Brother Delegates:

As all our home aerie activities become family oriented, our relationships with each other become better. We believe that you can make it easier to be a little nicer to each other. More thoughtful perhaps with love and charity. Both virtues make crazy arithmetic, they multiply when divided. As a father, or head of the house, you could have a deeper effect on your family by motivating them to greater heights.

There is a tendency for people to resist one another, to resist others love and affections, to resist ideals, opinions, and suggestions. Children resist parents and students resist teachers. Employees resist employers and many times marriage partners even resist each other. All have a tendency to resist authority.

We believe we must all review our values. We must set our priorities to our family, to our country, our community and to our aerie. Be enthusiastic about togetherness with your children and their activities, not only at home but elsewhere. Be a little more understanding with your spouse when things at home may not be entirely comfortable. Arguments may lead to hate where comfort creates a deeper feeling of love.

Become active in your community affairs. Participate in club activities that are oriented toward local and national needs.

Make a list of things to be done with your family, at home and outside, and see that all become involved and do their part in making family life filled with love, happiness and understanding.

Your committee feels that the Home and Family Committee is very important in your aerie. Home and family is one of the most important aspects in our lives.

Respectfully submitted,  
Rene Lessard, Chr., 3176  
Roger Apple, 2467  
Al Forkell, 52

A motion was made by Gary Huyck, Aerie No. 2269 that the report be adopted as given. This was seconded by Ronald Brown, Aerie No. 2640 and approved.

At this time Past Worthy President of Ithaca Aerie No. 1253, William Lydle, asked for a few moments from the delegation and gave an excellent report on efforts to save the Bald Eagle. He emphasized the importance of extending the Endangered Species Act and that the killing of this bird, for souvenirs, artifacts etc., must be stopped.

Donald Gregory, 97

A motion was made by Brother Monroe and seconded by Gary Huyck, Aerie No. 2269, that the report of the Nominating Committee be adopted as read. This was approved.

Following the adoption of the report, State President Laverne Graham called for nominations for State Office from the floor. The only contest was for the office of State

Trustee. Following are the additional nominations: Roger Grandchamp, St. Lin Aerie No. 3897, nominated by Romeo Piche, Aerie No. 3897. David Shay, Horesheads Aerie No. 3818, nominated by Douglas McDermott, Addison Aerie No. 3904. There being no further nominations, a motion was made by Herbert Farrell, Aerie No. 514, that nominations be closed. This was seconded by Gary Huyck, Endicott Aerie No. 2269 and approved.

It was then moved by Brother William Carrick, Empire Aerie No. 544, seconded by Robert Woodruff, Aerie No. 52, that the State Secretary cast one ballot for all officers having no opposition. This was approved. State Secretary Weber cast one ballot for all of the uncontested officers and State President Laverne Graham declared them duly elected.

State President Graham announced that there would be six names on the ballot for the office of State Trustee. Chester Halliday, Aerie No. 46 and chairman of the Election Committee, announced voting would be from 8:00 a.m. to 10:00 a.m. Saturday morning. He also informed the delegates that they must vote for four or their ballot would be voided.

Following numerous announcements regarding Ritual Competition, hospitality rooms and committee meetings, the second session of the New York State Aerie Convention was recessed at 12:20 p.m. until 10:00 a.m. Saturday.

### THIRD SESSION

The third session of the 77th Annual Convention of the New York State Aerie was called to order at 10:00 a.m. Saturday, June 18, 1983, by State President Laverne Graham.

The obligation and oath of allegiance to the new members was given by Past State President Kenneth Decker, Ithaca Aerie No. 1253.

### REPORT OF THE YOUTH GUIDANCE COMMITTEE

*Ready by Wilbur Button, Chr., Olean Aerie No. 616*

Brother Delgates:

It is the opinion of this committee that all the aeries in New York State and Eastern Canada are very much involved with youth guidance. However, most of our involvement is never publicized. This committee has received only once communication in connection with youth programs in their aerie and that was from Watertown Aerie No. 782.

There are many programs involving kids that we know the local aeries are active in. Be it boy or girl scouts, football, little league, basketball, camping and many others, you will find the Eagles either coaching or on the sidelines supporting and assisting their children.

Youth guidance is very closely connected to our Home and Family Program. Proper guidance at home will insure that each child will grow up to be a law abiding and responsible citizen.

We cannot stress enough the importance of our youth programs. Publicized or not, we must be involved with our children. The kids of today are the leaders of tomorrow and we must support their endeavors. Then maybe tomorrow we might have a better world to live in.

Respectfully submitted,

Wilbur Button, Chr., 616

Alvin Garren, 2119

Peter Cangialosi, 52

A motion was made by Gary Huyck, Aerie No. 2269, seconded by Ronald Brown, Aerie No. 2640, that the report be adopted as presented. This was approved.

After the adoption of the report, State President Laverne Graham announced that Grand Treasurer Al Williams had become ill and was forced to return home this morning. He stated Brother Williams was to be the principal speaker at the Convention Banquet this evening.

### REPORT OF THE CANCER RESEARCH COMMITTEE

*Given by Harold Fields, Chr., Rochester Aerie No. 52*

Grand Aerie Representatives, State Officers and Brother Delegates:

I would like to take this opportunity to thank State President Laverne Graham for allowing me the opportunity to serve as your State Cancer Fund Chairman.

Total contributions as of May 31st amount to \$6,723.35. This amount includes funds ear-marked for the Kidney Fund and the Muscular Dystrophy Fund. A complete report is attached.

We are pleased to announce the presentation of a \$10,000.00 grant to the Canadian Cancer Research Fund for Terry Fox. This grant will be presented at the Convention Banquet.

We would like to give special recognition to Steuben Aerie and Auxiliary, Corning No. 2299. A fund raising event in the Aerie home netted \$400.00 which was presented to the Aerie President, Robert Rogers, to help defray costs of cancer treatment which he was undergoing at the time.

We would also note that this fund is currently \$96,327.47 ahead of last year's total at this time.

At this time we will have the parade of checks and we thank you in advance for your generosity.

**REPORT OF THE R.E.A.C. COMMITTEE**

*Given by Arthur Gonyea, Chr., Glens Falls Aerie No. 2486*

Grand Aerie Representatives, State Officers and Brother Delegates:

R.E.A.C. is a club within a club. As the name implies the club consists of Retired Eagles from the aeries and auxiliaries. R.E.A.C. Clubs have their own officers, by-laws and treasury. However, they are subject to the jurisdiction and control of the Aerie by-laws and the Constitution of the Order.

By starting a R.E.A.C. Club you will be providing a place in your aerie for the elderly to have their own activities such as dances, dinners, trips or just a get together. Where there is a R.E.A.C. Club, many elderly people join the Aerie or Auxiliary just so they can become members of the R.E.A.C.

There are about seventeen R.E.A.C. Clubs in the State Jurisdiction at the present time. Efforts were made during the year to form a State R.E.A.C. organization. Several meetings were held by the R.E.A.C. Clubs and a set temporary by-laws were drawn up and temporary officers were elected. However, there was not enough participation from the local clubs to make it feasible.

Because there was not enough interest to start a State Organization does not mean there is not interest in the local clubs. A variety of activities and programs are being held at the local level and the members look forward to the meetings and activities.

Information with regard to starting a R.E.A.C. Club is readily available from the Programs and Activities Department of the Grand Aerie. We hope you give it some thought and do your best to organize one in your aerie.

Brother Gonyea moved that the report be adopted as presented. This was seconded by Ronald Brown, Aerie No. 2640, and approved.

**REPORT OF THE AUDITING COMMITTEE**

*Read by Nicholas Hoffman, Jr., Gloversville Aerie No. 482*

We have examined the Books and Records of both the State Secretary and the State Treasurer and find them to be accurate and properly maintained and in balance with the bank statement. Verified balance as on May 31, 1983 was \$14,474.84

We commend Brother Weber and Brother Decker for the excellent manner in which they have executed the duties of their respective offices. A vote of thanks is given for their outstanding work.

**REPORT OF THE SCOUTING COMMITTEE**

*Given by Richard Groves, Lockport Aerie No. 825*

Grand Aerie Representatives, State Officers and My Brothers:

This committee has received three reports on scouting programs. We will read a few highlights from each of them.

In May of 1982, Lockport Aerie No. 825 became the chartered organization for Troop 82 of the Boy Scouts of America. The troop started out with only nine boys and with the efforts of our members and the Scouting Coordinator, the troop now has fourteen boys and is still growing. Weekly meetings are held each Monday in the Aerie Home. The boys work on their own programs and also pitch in and help the aerie with shrubbery and lawn work and the like.

Rochester Aerie No. 52 sponsors Troop 452 which was started in 1975 with eight boys and at the present time there are over forty boys active in the troop. They have a number one camping record and are always ready to help Aerie No. 52. This past year the troop added two more boys to the rank of Eagle Scout, making a total of ten Eagle Scouts. Troop 452 also has a very active committee which helps to make a very strong troop.

Chautauqua Aerie No. 2145 has sponsored Troop No. 171 since 1973 when the charter was granted with only eight scouts. Those same fellows still belong with the troop along with another forty who have joined since. This is a very special troop since the members are either physically, mentally or visually handicapped. For the past two years the aerie has sponsored the local handicapped troop for girls sponsored through the local Chautauqua County Girl Scout Council. During the past year Troop 171 has been involved in outdoor scouting. They also took part in the Council Wide Jamboree held at Allegheny State Park in May. A special event coming up is a Special Olympics for the handicapped at the local Scout Camp in Mayville.

My brothers, more Scout Troops are needed throughout the State and the Nation. Any aerie interested in sponsoring a troop should contact their local Scouting Council.

### REPORT OF THE NET GAIN COMMITTEE

*Given by Gordon Brenenstuhl, Chr., Hoosick Falls Aerie No. 2467*

Brother Delegates:

To be a Net Gain Aerie, a greater number of members in good standing must be on the aerie rolls at the close of our fiscal year than there were at the beginning. This can be accomplished with the help of a strong and active Membership Security Committee. It is the function of this committee to find out the reason a member has become delinquent or dropped his membership, try to resolve the problem and bring the member back in good standing.

New Membership Campaigns, whether from the Grand Aerie, State Aerie or Local Aerie, will get you the new members, but without an active Membership Security Program you may, and probably will, lose many of the good members you already have. It can also help correct many of the problems existing in the aerie and prevent more members from becoming delinquent. The importance of a good Membership Security Committee cannot be over emphasized. It could mean the difference between success and failure.

You must keep the members coming to the club through a variety of activities and a pleasant and friendly atmosphere. Keep them informed of coming events through the use of the aerie bulletin. If the member does not know what is going on, he loses interest and shortly you will have a delinquent member.

Remember, our success is through the building of membership. Take these ideas home and a net gain will be within reach of every aerie.

The trophy for the 1982-1983 Net Gain Champion will be presented at the fall State Officer's Conference.

Respectfully submitted,

Gordon Brenenstuhl, Chr., 2467

Daniel O'Neil, 2119

Nick Morante, 52

The banquet will be held at the Castle Restaurant located next door to the Castle Motel. Dinner will be served promptly at 6:30 p.m.

Robert Butts, 941

Richard Windlund, Sr., 2145

Brother Decker expressed his thanks and said the money would be put to good use.

### REPORT OF THE GOLDEN EAGLE FUND

*Given by Al Hubbard, Chr., Binghamton Aerie No. 2119*

Grand Aerie Representatives, State Officers and Brother Delegates:

What are Golden Eagles? They are the senior citizens of today. Past businessmen, community leaders, even your grandparents. These are the people that molded our country, our State and even our great Fraternal Order as well as many other great accomplishments.

These are people who want to be loved and cared about and not be cared for. They now have time to do the things they could not do during their busy life of caring for others.

We, the committee, wish to thank all of the aeries and auxiliaries who have worked so hard this year to help in some small way lift the burden of senior citizens and let them enjoy the fruits which they so rightly deserve.

Over the past year we have presented grants to the Visiting Nurse Service of Rochester and Monroe County and to the Glens Falls Senior Citizens, Inc.

A total of \$4,875.57 was raised by the New York Jurisdiction during 1981-1982. Let's go over that this year.

We will now have the parade of checks and then a complete financial report will be given.

Respectfully submitted,

Al Hubbard, Chr., 2119

#### REPORT OF THE BETTER HOME TOWN COMMITTEE

*Given by Duane Dennison, Chr., Hornell Aerie No. 2640*

Grand Aerie Representatives, State Officers and Brother Delegates:

The way to make a better Home Town is taking the Eagle Slogan, "People Helping People." sincerely and applying it.

The way things are today, our Senior Citizens need all the help we can give them. Just take a day to visit them in their home, a nursing home or a hospital, and spend some time with them. Make them feel as though they are wanted and needed. Let us not just forget them.

All Fraternal Organizations can help in these Home Town Projects. Get involved and participate in activities that tend to serve our community and make it a better place for you and your children. Let's show our community the Eagles really care.

Recognize your local leaders, your firemen, your policemen and your servicemen with a special awards day for them. Recognize your local youth groups and senior groups by helping with their programs. Help your community on special projects and celebrations.

This committee feels that each Home Town has different needs and requirements. You can make yours a better one through your help and understanding. Just remember our slogan, "People helping People," and we feel sure you will say "I'm Proud to be an Eagle."

#### REPORT OF THE PROGRAM AND ACTIVITIES COMMITTEE

*Read by Joseph Newman, Chr., Rochester Aerie No. 52*

We all know that programs and activities are the backbone of our organization, from the Local Aerie through the Grand Aerie. We also know that the majority of the aeries in New York and Eastern Canada do have sound and successful activities, but as usual are reluctant to boast about them to this committee so that we can pass them on to you.

Reports from Lockport Aerie No. 825 and Rochester Aerie No. 52 tell us that their dances, card parties, bowling, dinners and sports have been very successful and create much interest for the members. Both aeries also sponsor little league hockey, softball and football teams for the youth.

To be successful, every program or activity must be headed by a good chairman and his committee. It takes time, effort and notification to the members. Things just do not happen, you have to work at it.

We would like to suggest that aeries with successful programs and activities pass their ideas and know how along to others. What works in your club many not work in another, but it is worth a try.

Excellent suggestions and ideas are available from the Grand Aerie Programs and Activities Department in Milwaukee just for the asking. Remember, successful programs and activities is the difference between success or failure.

Thaddeus J. Bulaga, 1042

*Given by Duane Bruning, Chr., Lockport Aerie No. 825*

Grand Aerie Representatives, State Officers and Brother Delegates:

The Heart Fund is one of the major funds of the Fraternal Order of Eagles. Every Eagle across and around the world should be proud to be a part of this great project in hopes that someday there will be a cure for this dreaded disease. Much progress has been made, but with your help, a great deal more can be accomplished.

The aeries and auxiliaries from New York and Eastern Canada have donated a total of \$5,369.90 to Heart and Diabetes so far this year. We wish to extend our heartfelt thanks to all who have supported this fund with their time, their efforts and their money.

With the help of my co-chairman, John Barnes of Rochester and Earl Lampman of Horseheads, we will now ask for the parade of checks.

REPORT OF THE PAST STATE PRESIDENT'S COMMITTEE

Given by Arthur Cichon, Chr., Depew-Lancaster Aerie No. 2692

Grand Aerie Representatives, State Officers, Delegates and my Brothers:

The Past State Presidents met at the Country Manor Restaurant for their annual luncheon on Friday, June 17th, 1983.

Seven Past State Presidents were in attendance and were honored to have as their guests Grand Treasurer Al T. Williams, Eastern Regional, President James Maizie, Past Regional President Harry Woodruff and Grand Trustee Shorty Weber.

Outgoing State President Laverne Graham was admitted into the Past State Presidents Club after several votes., However, he won the hearts of all present when he served a round of refreshments.

The committee would like to congratulate Brother Graham and his officers for their leadership over past year and our best wishes go to the new staff of Officers for another productive year.

Elected to serve as officers of the Past State Presidents for 1983-1984 were Past State President Robert Woodruff as President and Past State President Kenneth Decker as Treasurer.

A moment of silence was observed in memory of Past State President Ralph Pauly of Olean Aerie No. 616 and State Trustee Donald Smith of Watertown Aerie No. 782.

Respectfully submitted,

Arthur Cichon, Chr., 2692  
Donald Gregory, 97  
Wayne Monroe, 941

A motion was made by Brother Cichon that the report be adopted as read. This was seconded by Robert Woodruff, Rochester Aerie No. 52, and approved.

### REPORT OF THE STATE OF THE ORDER COMMITTEE

*Given by Donald Gregory, Chr., Utica Aerie No. 97*

Brother Delegates:

We, as members of the State of the Order Committee, speaking for the brothers here assembled, wish to thank State President Laverne Graham, his Officers and Committees for a job well done.

State Membership Director "Shorty" Weber and his membership department have done an outstanding job and must be congratulated for helping again make New York a Bell Ringer State. A new aerie was instituted on May 21st in Quebec through the efforts of our Brothers from across the border.

As of June 1, 1983, Past State President Robert Woodruff took over the reins of the State Membership Department and we feel sure he and his membership group will keep up the efforts put forth by his predecessors and possibly break all records.

The members of this committee wish to thank State President Laverne Graham for the privilege of serving on this committee.

In closing, our congratulations and best wishes go to our incoming State President, Arthur Gonyea, and his slate of Officers for another banner year.

Respectfully submitted,

Donald Gregory, Chr., 97

Thomas Philpott, 2311

Wayne Monroe, 941

Arthur Cichon, 2692

Robert Woodruff, 52

A motion was made by Brother Gregory that the report be adopted as presented. This was seconded by John Sloan, Utica Aerie No. 97, and carrreid.

After the adoption of the report, Past State President Wayne Monroe, Elmira Aerie No. 941, spoke to the delegates about the possibility of changing the New York State Aerie By-Laws to allow the four State Trustees to run for election as 1st year, second year, third year and 4th year trustees rather than as a group of four. By doing this, the man who has already faithfully served for two or three years would have a little protection in the election. He stated this would be brought to the attention of the State Executive Board and if recommended would be brought back to the delegates at the next convention for their consideration.

Past State President Robert Woodruff, Rochester Aerie No. 52, spoke of the honors to the New York Aerie in having Past State President "Shorty" Weber serve on the Board of Grand Trustees. Brother Woodruff then made a motion that a letter be sent to the Grand Aerie Nominating Committee, over the signature of the State President, recommending the advancement of Brother Weber. This was seconded by Charles Straub, Glens Falls Aerie No. 2486, and approved.

Under a Special Order of Business, State President Laverne Graham introduced Eastern Regional President James Maizie. Brother Maizie again complimented New York on a well run and interesting convention and thanked all for the generous hospitality shown

him. He stressed the necessity of becoming a Net Gain Aerie and move forward both numerically and financially. He thanked the brothers for their generous support to the humanitarian funds throughout the year and especially during the parade of checks.

### REPORT OF THE SPEAKERS COMMITTEE

*Given by Laverne "Shorty" Weber, Chr., Lockport 825*

Brother Delegates:

As in the past, the speakers at this annual convention have been outstanding. The opening session gave us a warm welcome and information about the vicinity from the City of Olean Officials. An excellent Keynote address was given by Grand Aerie Legal Advisor Richard Steinberg and the business sessions were enhanced by interesting talks from Grand Treasurer Al T. Williams and Eastern Regional President James Maizie.

I am sorry to report to you that Grand Treasurer Al Williams, who was to be the principal speaker at the banquet this evening, will not be with us. As you probably have heard, Brother Al became ill last evening and was forced to return home this morning. I know you all join me in saying his remarks and humor will be missed this evening.

We wish to extend our thanks to the brothers of Olean and all others who helped in making this part of the program a success.

Respectfully submitted,

Laverne Weber, Chr., 825

Kenneth Decker, 1253

Thomas Philpott, 2311
