Dear Brothers,

I hope this newsletter finds you healthy and well. The past month I have received many donations for my charity, Marathon For A Better Life. I cannot thank you enough for your gracious contributions during these trying times. It has been difficult with all of the restrictions to be able to visit. Hopefully with the approval of the vaccines, there will be brighter days ahead and I will see you soon. I was fortunate to have my local aerie support my charity by holding several fundraisers. Special thanks to Cobleskill Aerie #2695 Secretary Scott Moore for holding a gun raffle which raised over \$2500, Past Madam President Pam Strong for donating the food and proceeds from the Stuffed Baked Potato Night, and the Ladies Auxiliary #2695 for donating the proceeds from several basket raffles. Because of all of your donations, I was able to present Kathy Diamond, President of the Board of Directors of Marathon For a Better Life with checks totaling \$8400. I am humbled by the outpouring of generosity from my brothers and sisters. I am proud to be part of this wonderful organization of "People Helping People."

Wishing you a Merry Christmas and many blessings in the New Year!
Fraternally yours,
Dale
