OFFICIAL OPENING OF THE CONVENTION

The 95th Annual Convention of the New York State/Eastern Ontario Fraternal Order of Eagles was officially opened at 1:00 P.M. on June 14, 2001 in the home of Olean Aerie 616.

Master of Ceremonies for the official opening was Harold "Skip" Grant. Harold Grant & Judy Gray presented the flags. Donald Rettinger led the delegation in the singing of our National Anthems. After the Benediction, Pete Vaughn and Ruth Fitch welcomed all members.

The delegation was officially welcomed by Pete Vaughn, President of Olean 616. At that time, a number of local officials were introduced: the Mayor of Olean, James Griffin; Brian Donnelly, Police Chief of Olean; County Sheriff Ernie Diestman; and Bob Bell, Fire Chief. All welcomed the delegates and stated that if they could be of any assistance to feel free to let them know. They also thanked the members for their community and volunteer work and wished them a successful convention.

Many Grand Aerie leaders and local officers were introduced: Skip Grant, State President, thanked the members for their support. Judy Gray, Madam Auxiliary State President thanked Olean for hosting the Convention and thanked everyone for their support. William Morris thanked everyone for the invitation and wished everyone a successful Convention. Robert Coulson, Grand Aerie Representative, spoke of the beautiful county & pleasant drive he had and offered his assistance during the Convention. Connie Gantz thanked the Auxiliary for accepting her as Regional Madam President and spoke on the work done by the hospital Aerie & Auxiliary. Iris McDermott, Past Madam President, congratulated the Presidents on a fine year. Verna Funke, Grand Auxiliary Representative, said she had to assign herself here because she was afraid she wouldn't get to come back to New York after 25 years. She then sang an Eagles song.

The ceremony closed at 1:40 P.M. with the ladies meeting at the Castle Inn and the men at the Aerie home. Best wishes to all and a safe trip home.

2001 STATE CONVENTION

The New York State/Eastern Ontario Convention held in Olean Aerie 616 began on Wednesday morning at 7:00 A.M. with the golfers taking part in the Annual Bill Carrick Tournament. As usual, a large delegation of hackers were on hand. Several ladies joined in the festivities and all had a great time (excluding scores). Later in the afternoon, a nice meal was prepared by Olean and prizes were awarded to all the lucky winners. A great job by Olean Aerie and Auxiliary.

Registration began on Thursday morning at 9:00 A.M. The men & ladies registered at the Aerie home. Everything was in readiness and turn out was good.

Opening ceremonies were held in the Aerie home at 1:00 P.M. on Thursday after which the ladies met at the Castle Inn and the men met at Olean Aerie 616 with State President Harold Grant and Madam State President Judy Gray leading. The Obligation was read by LaVerne Graham, P.S.P.

The State banquet was held at the Pulaski Club on Saturday night with MC Harold Fields handling the job. After an excellent meal, many speeches and accolades, the banquet broke up and everyone returned to the Aerie home for a great night of dancing and libation.

All in all, a great weekend was had by all and the weather certainly was great, along with the hospitality shown by Olean Aerie and Auxiliary. With a new set of Officers in place, everything pointed to a great upcoming year.

FIRST SESSION

The first session was called to order in the home of Olean Aerie #616 at 2:04 P.M., June 14, 2002 by State President Harold Grant. The prayer was given by Pat Gray, Depew Aerie 2692.

Following the opening ritual ceremonies, the Roll Call of State Officer was held with all being in attendance. The Obligation, admission of new members, and Oath of Allegiance were given by Past State President James Telban, Rochester Aerie 52.

State President Grant deferred from reading the Convention Committee appointments as each delegate had received a copy. This was moved, seconded & approved.

ADMISSION OF NEW MEMBERS & OBLIGATION

My Brother and Delegates:

Before give you the State Aerie Obligation, let me call to your attention how important it is for all of us to so conduct ourselves during the State Aerie, both in the meeting and outside the meeting, as to reflect credit upon our Order. The people of this fine city are our hosts - we should act as guests in and about the city - so that we can leave a lasting impression of the high caliber of our membership.

You now find yourselves within the State Aerie of the Fraternal Order of Eagles, for the State of New York. You reach this destination and high estate by honorable and loyal service in your subordinate Aeries. You are the State Aerie. What this State Aerie does is your responsibility. You are accountable to your Aerie, to your conscience, and to your God. An abundance of experience in our Order fits you well for your important mission. For the successful performance of your duties, you will merit and receive the applause of our membership; for your failure, you will merit and receive its just criticism. Before you may go further and become members of the State Aerie and be entrusted with duties of importance, you will rise, and with your right hand raised, take this solemn and binding Obligation, which I will recite, and you, if you so desire, will affirm at its conclusion. The Officers and members of the State Aerie will join the new members in the Obligation.

Before God and on my honor, I promise as a condition to my becoming a member of the State Aerie, that I will obey all the Laws, Rules and Regulations of the Fraternal Order of Eagles. I reaffirm all my obligations by me heretofore taken, as a member or Officer of the Fraternal Order of Eagles. I recognize the Grand Aerie as the supreme body of the Fraternal Order of Eagles, and as such shall cherish and uphold its good name.

I fully realize that a chain is no stronger than its weakest link, and that throughout the jurisdiction of Eaglehood we are bound together in this great Fraternity by our subordinate Aeries, by our State Aerie, and by our Grand Aerie. If I fail as a member of the State Aerie and my actions are destructive of unity and progress, I know that I tear down the fabric, not only of the Grand Aerie and this State Aerie, but I weaken my own subordinate Aerie.

I understand that changes in the laws enacted must be by constitutional and lawful methods, and not by destructive criticism of the action of the majority, designed to undermine confidence and faith in the State and Grand Aeries, and the Fraternal Order of Eagles.

I believe in the patriotic and humanitarian purposes of the Fraternal Order of Eagles, I believe in my country, and that I owe to it the zeal of a patriot. To me, Liberty, Truth, Justice and Equality are more than words. To me they are the cornerstone of our Fraternity in whose welfare I am ardently concerned.

I take this obligation in the presence of Almighty God, who looks down upon us from above, and should I violate this Obligation, I recognize such conduct is just cause for expulsion from membership in the State Aerie.

My Brothers and Delegates, if any Brother does not accept this Obligation, he will advance to the Altar and so indicate, then quietly leave the State Aerie. But, if you do accept it, repeat after me, "I do accept

this Obligation and will observe it, so help me God."

REPORT OF THE JUDICIARY COMMITTEE

A question indefinitely postponed shall not again be considered, except by the action of two thirds of the delegates voting again to take up the matter.

Voting shall be by the voting sign of the Order, except upon Roll Call, then it shall be by aye or any vote. Any thirty persons may demand a roll call on any questions, but such demand shall be made before voting on the question. Nominating speeches shall be limited to three minutes each and seconding speeches to two minutes each.

The election shall convene in the Aerie home on Saturday, June 15, 2001, from 8:00 A.M. to 10:00 A.M. Only official ballots to be received. The count shall begin promptly at the close of the polls and continue to the completion thereof.

Delegates must present their credentials and ballots, depositing the latter in the ballot box, first ascertaining the number of voted indicated on the credential is identical with that indicated on the ballot and that no erasures appear thereon.

All resolutions must be reduced to writing, typewritten in triplicate if possible, and delivered to the State Secretary for distribution to the proper committees. The Committee on resolutions will, at the proper time, report all resolutions to the convention, with recommendations thereon.

Any part of the issue not covered by the Rules of the Convention or the Rules of Order shall be governed by Robert's Rules of Order Revised.

At this time, it is customary to read the Order of Business for the Convention, but in view of the fact there is no great change in the procedure as regards to previous sessions and also that copies of the Order of Business have been distributed to all of the delegates, I shall dispense with the reading of the same, if there is no objections.

Hearing none, this report is

STATE PRESIDENT'S REPORT

Read for State President Harold "Skip" Grant, Addison Aerie 3904

Brothers:

Well, my Brothers, sadly my year has come to an end, but it was a good year. I didn't make my 2001 member goal, but we still came out ahead.

On September 15-17, I was in Saratoga Springs Aerie 2586 for the Fall Conference. The meeting went real well and Saratoga did a great job. A great time was had by all.

November 11th, I was invited to Ithaca Aerie 1253 for an initiation and anniversary dinner. The Toronto Ritual Team did an excellent ritual. The meal was top notch and the hospitality warm.

December 2nd, I was in Hoosick Falls Aerie 2467 for their anniversary. Always have a good meal and a lot of fun with Gordy and Janet.

December 9th, I went to Gloversville Aerie 482 to help celebrate their anniversary. We were served a nice meal and had a good time talking to the members and sharing a few toddies.

In February, I had three visitations. The 10th, I was in Addison Aerie 3904 for their anniversary. Another fine meal and good friendships. The 17th, I traveled to Depew-Lancaster Aerie 2692 for their annual Appreciation & Past President's dinner where we had a ball. Lastly, the 24th, I was to go to Rochester Aerie 52, but I couldn't make it due to a family situation.

My next trip on March 3rd was to Saratoga Springs Aerie 2586 for their anniversary. I arrived Friday night and attended an initiation done by their own ritual team. Saturday, everyone had a superb meal and a good time afterwards.

March 10th, I was at my own Aerie in Watertown. I can't speak nicely enough about our young officers and our terrific cooking staffs. Everyone who was there had a darn good time.

On March 1st, I went to Rotterdam Aerie 3610 and enjoyed the great friendships there also.

March 31st, I traveled to Elmira Aerie 941 for their anniversary and enjoyed an excellent meal and the usual great hospitality.

On the first weekend in April, the 6th & 7th, I was at the Mason-Dixon Conference in Hagerstown, Maryland. This conference had G.W. President Elect Ed Bollenbacher and G.M. President Elect Bettie Williams as their special guests. This was a very educational meeting. If you ever have a chance to get to one of these conferences, please go and see for yourselves. The Spring Conference was held in Johnstown Aerie 1575 April 20th thru the 22nd. They did a Number One job on all details and the meals were great. The Conference went on smoothly.

My next to the last assignment on May 12th was in Tonawanda 1411. I snuck in on Friday night to have one of their tongue tingling fish fries, after which we said hello to old friends and made quite a few new ones. Top hospitality and meals.

My travels ended May 19th with my visitation to Rainbow Aerie 88 in Niagara Falls. They couldn't do enough for my wife and me. We had a meal to end all meals and I guess I ate my share and then some. It

was a great time. They may have their own building in the near future. I would like to thank all the Aeries I visited for my rooms, dinner and their awesome hospitality and friendships. A special thanks for the donations to the Autistic Children's Fund. Judy and I have raised over \$14,000.00 and we both give our undying thanks for all your help.

I want to thank Watertown 782 for being behind me all these years and I hope I have brought you no problems.

I want to especially thank my State Aerie Officers who followed me around and kicked my butt when I needed it and to the traveling P.S. Presidents who gave me nothing but good advice. Thank you my Brothers.

In closing, I want to thank each and every one of you delegates present for allowing me to preside over the State Aerie this past year. I hope you all will do the same for Ellis this coming year.

The best of luck to you Ellis in your upcoming year.

Thank you Brothers and Farewell. Keep the F.O.E. alive for another 100 years.

I respectfully ask that this report be accepted as read.

Respectfully submitted,

Harold A. Grant, President

The report was seconded by James Telban, Rochester Aerie 52, and approved.

Under Special Order of Business, State President Grant introduced Grand Aerie Representative Robert Coulson and Eastern Regional President William Monns. Both stated that they were pleased to be at this Convention and looked forward to the meetings and upcoming events of the Convention.

STATE SECRETARY'S REPORT

Read by Donald Rettinger, Tonawanda Aerie 1411

Grand Aerie Representative Bob, Eastern Regional President Bill, State Officers and my Brothers:

Once again, our membership has not lived up to our expectations, but as always, we must set our goals higher than we actually expect to achieve; that is why we call them goals.

The last membership report I have as of this writing is to the end of April and it shows we are down from last year by 215 members. But, we are also down to 34 Aeries in the State, so this accounts for some of the loss.

We show 17 Aeries having reached their quota, the exact same amount as of this time last year. Could this be a coincidence? Not likely, it probably just shows that the same local Secretaries are sending the reports in and the rest, maybe not. It behooves us to make sure the reports are being sent in by our Secretaries so every member gets the proper credit for signing up the new members as they deserve.

Congratulations to Schenectady #514 for being a Triple Quota Aerie. They have made great strides this past year. And, Rotterdam #3610 and Lansingburgh #3733 for being Double Quote Aeries. Great work guys. We have a couple of Aeries close to reaching their quota and still have that last month to make it.

We have 4 Goose Egg Aeries which may also be a coincidence since that is the same number as last year.

But, all in all, I think we had a fair year in membership and definitely not from lack of work on behalf of Lee Parks and his Zone and District Directors. Good job you guys.

Our finances continue to improve with our account showing a balance of \$33,805.73, with \$14,144.00 earmarked for the Arthritis Fund, which leaves us with a balance of \$19,321.39. We are well under

budget, which was set at \$42,144.00, with expenses at \$37,638.89, showing a difference of \$4,505.11. Our income was below budget by approximately \$1,300.00. Our book profit last year was \$3,447.29, and this year we have \$4,437.48, approximately \$10.00 less.

We have 5 Aeries delinquent in Per Capita Tax, which is not as good as last year. I'm not sure we will ever have every Aerie, but I still dream.

We are still looking forward to the new proposed Aerie for Rensselaer, NY which is now being organized by Peter Smith of Lansingburgh Aerie.

Once again, we urge you to go back to your Aeries and attempt to get some participation in our State Events, our Slow Pitch Tournament has gone by the wayside from lack of interest, and unless we get more support from the Aeries in both of our Bowling Tournaments, they will also disappear. If there are specific reasons you do not take part, please come to the meetings and express your complaints. I assure you they will be taken into consideration.

Our Charity Contributions are going well again thanks to our Chairmen. We are in the top few in Per Capita for donations in the Nation.

Our Conferences were a success, in spite of poor attendance, with a lot of work and fun being taken care of.

Dick Travis was appointed as Membership Chairman for next year and we want to wish him and his crew great success for the coming year.

The next Fall Conference will be held in Depew #2692 and the Spring Conference for 2002 was awarded to Elmira Aerie #941. The State Convention was given by Depew #2692, with the Fall Conference in 2002 being awarded to Addison Aerie #3904.

I think other than the disappointment in membership, we have had a good year in the State. I want to thank Skip and my fellow Officers for their help through the year - it makes the load a lot lighter. I also want to thank the Local Secretaries for their cooperation this year and, especially, to my personal Auditor Nan.

Because of the good ground work done by the Executives this year, I believe New York can look forward to an even better next year. I wish Barney and his Officers the best of luck.

I wish you all a successful Convention and a safe journey home.

Anyone who wishes to look over the Financial Report in whole, see me right after the meeting.

Respectfully submitted,

Donald Rettinger
State Secretary

REPORT OF THE SCOUTING COMMITTEE

Read by Jeff Poole, Chr., Ithaca Aerie 1253.

Grand Aerie Representatives, Worthy State President, State Aerie Officers, Delegates and my Brothers:

The Scouting Program is still alive and is one of the best vehicles for building moral character and for teaching the responsibilities of adulthood to our youth.

Many local, state and national leaders have had their roots in the Scouting Program.

The Fraternal Order of Eagles can support the Scouting Program by providing safe and continuous meeting places, to help financially with equipment, supplies and camp expenses, as well as supplying adult supervision and leadership.

We have received only one Scouting report as of this reading, Lockport #825. Lockport #825 is still very deeply involved in the Scouting Program by supporting the following:

Boys:
Tiger Cubs 9 boys
Cub Pack #71 87 boys
Boy Scout Troop #82 62 boys

Girls:
Brownie Troop #126 16 girls
Cadet Troop #45 8 girls
Junior Troop #269 14 girls
Senior Girl Scout Troop #97 11 girls

Lockport currently supports 207 boys and girls in the Scouting Program. Lockport Aerie #825 is proud to be able to report that our Boy Scout Troop has provided 18 Eagle Scouts as of this date, with more boys working their way through the merit badges on the way to Eagle Scout.

These children and young adults are the future of our nation and also the future members of our Aeries and Auxiliaries. Support the Scouting Program in any way you can.

Respectfully submitted,

Jeff Poole, Chr., 1253
Bob Rostas, 825

REPORT OF THE PUBLICITY COMMITTEE

Read by Robert G.T. Yager, Chr., Canajoharie Aerie 3846

Grand Aerie Representatives, State Aerie Leaders, Members:

The communication media's have been contacted promoting the Convention here in Olean. The newspapers, radio and TV acknowledge the importance of having the State Convention here in Olean. Over the next several days, you'll hear about this Convention and how they appreciate the Fraternal Order of Eagles and our spirit.

All Eagles have that public spirit in them. This public spirit gets us motivated to help the public welfare by showing our devotion in different fundraisers we have.

sometimes we don't always prepare or issue printed material to the media as we should (radio, newspapers and TV) but we are taking better strides in doing so, as you have heard and seen on TV with the telethons.

I still hear, "What are the Eagles and what do they do?" This sounds very strange to hear when we are 100+ years old. We have to work on the external publicity.

If we all take one step in our public relations efforts over the next 100 years, the words "Fraternal Order of Eagles" will be getting stronger and mean more to the communities we serve.

We will have to develop and keep the Fraternal Order of Eagles in positive light. We all will have to work on publicity for the good of our order.

Respectfully submitted,

Robert G.T. Yager, Chr., 3846
Charles Straub, 2486

Brother Yager moved for the adoption of this report. This was seconded by Michael Hoag, and carried.

The State Executive Board members have been given a copy of the newsletter for their review.

Since the final outcome has not yet been decided by the members, please consider this as a partial report with a final report to be given at the Fall Conference.

Fraternally,

Robert G.T. Yager, Chr., 3846

Brother Yager moved for the adoption of this report. Brother Harold Vaughn, Olean Aerie 616, seconded the motion. Carried.

REPORT OF HOME & FAMILY & BETTER HOME TOWNS COMMITTEE

Read by Bryan Welch, Chr., Ithaca Aerie 1253

Delegates, Brothers, State and Grand Officers:

"Better Home Towns" and "Home and Family" are at the very core of Eaglesdom. By our very motto, "People Helping People," we build better home towns and by the fact that we are all Brothers and Sisters we make stronger our own family.

The Eagles does not ask you to put your home and family aside. No, we invite you to make the Eagles a part of your family and your family part of the Eagles! Brothers, sons and neighbors make them all a part of the Eagles. Not just to make the Eagles grown, but because of what the Eagles can do for our home towns. Every activity we hold is to help someone else, and every time we help others, we help make our community a better place for all.

Respectfully submitted,

Bryan Welch, Chr., 1253

Brother Welch moved for the adoption of this report which was seconded by Dan Curcio, Rochester Aerie 52. Approved.

REPORT OF THE SPEAKERS COMMITTEE

Read by Donald Rettinger, Tonawanda Aerie 1411

Brothers:

First, I want to thank Jack Kincaid and the Olean Convention Committee for arranging the distinguished guest speakers from the City and locally that we had today for the opening ceremonies.

This year, we had requests for speakers at 15 Local Aerie Anniversary's, plus 2 Ontario Aeries. These were accommodated with Skip attending 12 locals and the 2 Ontario Aeries in Toronto and Fort Erie. The other 3 were looked after by other State Officers. At this time, I wish to thank Skip and the other Officers who represented the State on these occasions and to announce that their presence was well received and a good job was carried out by all involved. I would also like to thank all the other Officers

and Past State Presidents for their attendance on these occasions, as their support is greatly appreciated by the State President and other Officers, but especially by the Local Aeries.

To all Aeries, I would remind you to contact the State Secretary in writing if you wish to have the State President or some other Officer attend any Anniversary or function where you wish to have State representation. We will do our best to have someone attend if at all possible.

For our banquet on Saturday, we will have the Eastern Regional President, William Monns, give an address, as well as Bob Coulson, Chairman of the Grand Pension Board, as our guest speakers.

I want to thank Skip for giving me this assignment and I hope he was happy with the results.

Respectfully submitted,

REPORT OF MEMORIAL FOUNDATION

Read by Michael Hoag, Chr., Troy Aerie 3773

Grand Aerie Representatives, State Officers, Brother Delegates:

Since its inception, the Memorial Foundation has expanded from the Military of the United States to now include Law Enforcement, Fire Fighters, and Emergency Medical Technicians, both full-time and voluntary.

The Foundation's basic function is to provide medical assistance and educational grants to deceased member's children who were employed in those positions. Although it is not an insurance policy, it offers a tremendous benefit to the families of our deceased Brothers & Sisters.

The Foundation also issues grants for the G.R.E.A.T. Program which deals with youth gang activities. It has been reported at other State functions that it is hard to sell this program to the prospective members due to putting the whammy on them. It may behoove an Aerie to attain a grant from the G.R.E.A.T. Program and present our Foundation in a more favorable setting with a presentation at an Aerie dinner.

This program is an invaluable tool for new members, no matter how it is presented, and should be used to its fullest extent.

I wish to thank President Grant for allowing me the opportunity to chair this Committee and one other person that I will thank much later.

Respectfully submitted,

Michael W. Hoag, #3773

Brother Hoag moved for the adoption of this report. Charles Straub, Glens Falls Aerie 2486, seconded the motion. Carried.

REPORT OF THE BLOOD DONORS COMMITTEE

Rear by Ed Brown, Chr., Ithaca Aerie 1253

Worthy Grand Aerie Officers, State Officers, Brother Delegates and Brother Eagles:

As Chairman of the Blood Donor Committee, I am very honored to hold this position. There is no greater gift than the gift of life. We should all consider the fact that the blood we give could be saving the life of a family member or a close friend.

I know from personal experience that it is the greatest feeling to give blood to someone. During the time I was a Police Officer, I was on the list as a blood donor at our local hospital. I had investigated a very serious motor vehicle accident one early morning and four hours later I was lying next to the person in the Operating Room giving blood from my veins to hers. She survived and was very happy that our blood type matched and she was able to receive blood from me.

I'm sure there are many here that have donated blood and you should be congratulated for it. Please keep up the good work. Many people depend on you for it.

In closing, please remember our motto, "People Helping People." Please try and give blood at your next blood drive and you sure will feel good about yourself. Thank you.

Respectfully submitted,

Ed Brown, Chr., 1253
Robert VanEtten, 3904

Bowling Association

Grand Aerie Officers, State Officers and Brother Delegates:

The Annual Meeting of the New York State Fraternal Order of Eagles Bowling Association was held on June 3, 2001 at Rotterdam Aerie, beginning at 12:10 P.M., with 6 in attendance.

Officers present were: Directors Ted Gorney, Ed Lanning and Jack Pacelli; Association Secretary Bill Bell; State Secretary Don Rettinger; and State President Skip Grant.

The minutes of the October meeting were read and approved. The motion was made by Jack and seconded by Ed to approve and was carried.

Letters for Delegates were read. Ted Gorney for Depew; Bill Bell for Watertown; and Jack Pacelli was an automatic Delegate.

Letters were received from Watertown and Depew to hold next year's Tournament. After some discussion, there was some interest shown by Addison that they would like to host the Tournament next year. It was decided that we would give Addison the chance with Watertown for back-up.

The only letter for Director was Ed Lanning from Watertown. Ed is our Director for 3 years.

The prize lists were read and approved.

Discussed changing October meeting and only have the Chairman of the Board of Directors and the two Secretaries attend to meet and sign the contracts with the host Aerie representatives. We also do our communication by way of e-mail. These measures are to cut costs of this Tournament.

Balance remaining in checking account - \$1,241.07.

Motion was made by Ed Lanning, with a second by Jack Pacelli, to adjourn. The meeting adjourned at 12:55 P.M.

Respectfully submitted,

Bill Bell, 782

It was then moved by William Bell, Watertown Aerie 782, that the above reports be approved as presented. John Palumbo, Rochester Aerie 52, seconded the motion. Approved.

STATE LEGISLATIVE REPORT

Read by Charles Straub, Glens Falls Aerie 2485

Grand Aerie Officers, Worthy State President, State Officers, My Brothers:

This is your Committee's final report at the State Conference. A comprehensive report with copies of printed matter will be distributed to all.

We had quite a discussion on matters being considered by New York Senate and Assembly. Seven Bills in particular were reviewed: Senate Bill 2511 - This is a language change that may affect us later. As it reads, it described our charitable not-for-profit which fits within the Benevolent Orders Law. The change places us under an umbrella as "licensed authorized organizations." I am not sure if this will fit the descriptive nature of the Benevolent Orders Law.

Senate Bill 2658 has serious implications. IT REMOVES LOCAL AUTHORITY, SPECIFICALLY THE PHRASE, "that the bingo control commission shall have final authority over the rental or lease of commercial premises for bingo games." We must not surrender our home rule or any local authority. As far as the State Aerie of Eagles being concerned, Aerie 52 could be effected by the passage of this. **THE STATE IS SAYING RENTAL OR LEASE - FOR BINGO - SHALL BE DISALLOWED UNLESS SPECIFICALLY APPROVED UPON APPLICATION TO THE STATE.** Almost every community elects their City, Town & Village Clerks. History shows they have been handling these matters successfully. If it does not need fixing, why fix it?

Senate Bill 3764 gives the GAMING DIVISION OF RACING & WAGERING SUBPOENA POWER. I have been advised that the Investigators, when on the premises, have all the power they need. It is not fair to give this power that can place hardship upon our volunteers operating the games. An example, "Gee, I forgot to ask..." So send a subpoena and have the info brought in. It has been successful all these years. If it doesn't need fixing, don't fix it.

Senate Bill 3808 - Lower our utility bills for the Aeries. An e-mail letter to all that may help up has been submitted. Our position: it does not cost the utilities and there is no justification to discriminate against any organization under the Benevolent Orders Laws.

Assembly Bill 1947 - This will permit off-premises VEGAS NIGHTS! We are on this.

Assembly Bill A4897 - Allows for reduction of fees by municipalities. This permits the local authority to reduce fees! I am for the reduction if approved. My position is that the State should not be in this period. Big Brother need not approve what our elected Officials have been trusted to do.

Your Committee keeps an eye on as much as possible. I would be remiss if the work by Bob Yager was

not recognized. His connections open wide the doors of many. Your fraternity is well respected. And, Bob Yager's hours and hours of support services has made this possible. And you, from the Aeries and Auxiliaries, who have acted on our behalf, our many thanks.

The only way that we can enhance our status is to find a system for funding the additional methods available for us to lobby. We have taken opposite positions than our neighbors in CONPOR. Reason? We are here to protect our interest. We have no EGO trips to make. We ask each of you to VOTE. We ask you to let YOUR representatives know who you are. We contact both sides of the aisle. They know our positions. Your supporting us by contacting them, as necessary, makes the Eagles. Its known as doing things right. I pray that this report finds that it did things right for another year.

Respectfully submitted,

Charles Straub, Chr., 2486
Bob Yager, 3846

A motion was made by Brother Straub to approve this report. Brother John Palumbo, Rochester Aerie 52, seconded the motion. Approved.

REPORT OF THE IN MEMORIAM COMMITTEE

Read by Joe Piano, Chr., Niagara Falls Aerie 88

State Worthy President, Grand Aerie Representatives, State Officers and My Brothers:

We have come to the time at this Convention to remember those Brothers who have gone to a place where there is no more toil or turmoil.

We just had our Memorial Day where the media pushed us to remember our Veterans. Some of our Brothers were that and much more.

After their patriotic service, they started being humanitarians. They became "People Helping People." They worked hard at this as we all know. We follow their footsteps in the hope we will make them proud. Our Fraternity is the best in the world.

We are to further at all times the Patriotic, the Humanitarian, and Fraternal teachings of this Order. Let us not falter.

I now ask for a moment of silence to honor our deceased Brothers. Thank you my Brothers.

Fraternally,

Joe Piano, Chr., 88
Harold Royer, Sr., 2586
Arthur Gonyea, 2586

REPORT OF THE STATE ARTHRITIS COMMITTEE

Read by Bob Yager, Chr., Canajoharie Aerie 3846

Grand Aerie Representatives, State President Skip, State Officers and My Brothers:

This past year has been a very active one for the Eagles and the State Arthritis Fund. The New York State Aerie, Fraternal Order of Eagles, entered a go-cart in the Arthritis Foundation mini grand prix in Albany. Although we did come out on top (Driver Past President Bob Rostas), the most important thing is many more now know about the good work the Eagles do. Last year's go-cart was raffled, raising over \$4,000 and the winner donated the cart to the Ithaca Aerie who will enter the cart in the upcoming race in September. The racing team, headed by Team Captain Dan Curcio, is trying to raise funds for some type of uniform to be worn at the race. Not only will the uniform give us Eagles a more professional look, but it will keep the Eagles name in front of everyone for the entire day. To raise money, the team is raffling a TV/VCR. The winning ticket will be pulled at the Saturday State Banquet. Thanks to the entire race team.

Thanks to all of you who have contributed to the State Arthritis Fund. It's obvious, with the support you've shown by the way of your donations, that this disease has touched many of your lives.

The Arthritis Foundation N.E. of New York would like to continue with their outreach program hosting seminars in remote areas in eighteen counties. These seminars are conducted by doctors and staff at no charge to the community or individuals. They would like us to consider a \$5,000 donation.

The publicity the Arthritis Foundation has given us has been great. At each and every event, they have listed us as a major sponsor. At the annual telethon, they give us six 30 second spots promoting our sponsorship. At the dinner cruise fundraiser, they made an announcement how well the seminars were attended and thanked the Fraternal Order of Eagles for providing the funds.

Everyone has heard about the Hole in the Woods Camp. This is the State President's project this year. The Hole in the Wood organization has children with arthritis attend their camp. It was suggested that we fund two children (\$1,200 each) for attendance at the camp. Again, thanks to everyone for their donations.

Fraternally submitted,

Bob Yager, Chr., 3486
Francis Burton, 3904
Tom Hammond, 2486

A motion was made by Brother Yager to adopt this report, pending the parade of checks. Charles Straub, Glens Falls Aerie 2486, seconded the motion. Carried. After the parade of checks, Brother Yager gave the final total and recommended approval of the final report. Pat Gray, Depew Aerie #2692, seconded the motion. Carried.

REPORT OF THE 300 CLUB

Read by Dan Curcio, Chr., Rochester Aerie 52

Grand Aerie Representatives, State Officers and Brother Delegates:

Last year, our Brother, Robert Sharkey, graciously took over the responsibility of the 300 Club. Although his goal was to sell every ticket and make approximately \$1,500.00 for both the State Aerie and Auxiliary, he knew from ticket sales from previous years that it was highly unlikely.

By the time the Spring Conference had rolled around, approximately half of the tickets had been sold and money turned in. Bob's hopes were fading. He also found out that he would not be able to attend the Spring Conference in Johnstown due to his wife Phyllis's health problems. At that time, he had asked me to take over his responsibilities for him. I agreed, with the thought of making Bob's dream come true.

At this time, I would like to tell you all that his dream did come true thanks to each and every one who purchased tickets. Also, this was the first time in several years that this accomplishment had happened.

Once again this year, we will be running this raffle with the same goal in mind. I know with your kind generosity we will succeed again.

Respectfully submitted,

Dan Curcio, Chr., 52

Brother Curcio moved for the adoption of this report. The motion was seconded by Charles Straub, Glens Falls Aerie 2486, and carried.

REPORT OF PROGRAMS & ACTIVITIES COMMITTEE

Read by Bryan Welch, Chr., Ithaca Aerie 1253

Delegates, Brothers, State & Grand Officers:

Programs & Activities are the life blood of the Eagles. Every Aerie holds fundraisers, dinners, dances, barbecues, Vegas nights, jail nights, etc. Without activities, the Aerie would be just a bar with cheap drinks.

That's not what we are about. Every Aerie could use new ideas for different programs to try. I only wish I had a list of great ideas to share, but I don't. That's the bad news.

The good news is that in this room is a wealth of great ideas. Gathered here are Eagles from all over the State that cared enough about our Order to gather here to have these voices heard and to guide the State

Aerie. I am sure that if asked, we would be more than willing to explore what activities go on with their Aeries. Just ask.

One last note. When you have an activity and raise money for a good cause, tell everyone. Get the word out. Brag about the Eagles. Program and activities are also a great way to get new members.

Respectfully submitted,

Bryan Welch, Chr. 1253
Larry Combs, 782

A motion was made by Brother Welch to approve this report. Brother John Palumbo, Canajoharie Aerie 3846, seconded the motion. Carried.

REPORT OF THE R.E.A.C. COMMITTEE

Read by Robert Lancaster, Chr., Rochester Aerie 52

Grand Aerie Representatives, State Officers and Brother Delegates:

R.E.A.C. (Retired Eagles Activity Club) is a Club of members from both Aeries & Auxiliaries and its objective is to provide additional activities for senior Eagles. R.E.A.C. Clubs currently exist at Rochester, Tonawanda, Elmira, Saratoga Springs and Glens Falls.

Rochester is one of the largest Clubs with close to 400 members. Their current activities include large quarterly dinners, monthly meetings, and many one day and five day bus trips. In January, 2001, Rochester celebrated their 22nd anniversary.

Tonawanda R.E.A.C. just celebrated its 25th anniversary in April, 2001. Their activities are many and varied. Bingo is popular. They have fundraisers and enjoy several bus trips each year. Membership is over 70 members.

Elmira R.E.A.C. has around 80 members. They have Tuesday monthly meetings. Special activities include a summer picnic and an annual Christmas Party.

Glens Falls is active with Tuesday monthly meetings and summer picnics and an annual Christmas Party.

Saratoga Springs has some 60 plus members and meet the third Sunday of each month. This R.E.A.C. unit includes some members from neighboring Aeries who do not have a R.E.A.C. Club. A sample of their activities are bus trips to Atlantic City, the hosting of a summer pavilion clam bake or pig roast, and a Christmas Party.

Our R.E.A.C. Clubs provide our senior members with activities to occupy the extra time that usually comes with retirement. Of equal importance is that the special activities have a common interest to our senior Eagles.

Respectfully submitted,

Robert Lancaster, Chr., 52

It was moved by Brother Lancaster and seconded by Joe Piano, Niagara Falls Aerie 88, to approve this report as read. Carried.

Under Good of the Order, Lou Osman, Depew Aerie 2692, spoke on the Hall of Fame. Charles Straub, Glens Falls Aerie 2486, talked about starting a museum for the Eagles in Canajoharie.

REPORT OF THE DIABETES COMMITTEE

Read by Harold Fields, Chr., Rochester Aerie 52:

Grand Aerie Representatives, Worthy State President, State Officers, Delegates and Brothers:

I accepted the Chairmanship of the Diabetes Fund because, as a diabetic myself, I realized the importance of it. It is the third leading cause of death behind heart disease and cancer.

The federal government spends more than \$1,700.00 on research for each person diagnosed with HIV/AIDS and less than \$20.00 for each diabetic patient.

Approximately 5.4 million people don't even know they have this disease.

In an effort to raise funds, I wrote each Aerie asking for help. I don't know if it helped, but I am pleased with the figures.

As of 4/30/01, we had a total of \$4,210.00. Joint donations were \$2,400.00. Aerie donations were \$1,810.00.

Funds are used for research, but more importantly, to educate people. On the table you found a diabetes test. Try it - it won't hurt.

We can no longer thank individual Aeries because this does not come with our reports. We thank you for your donation, whether large or small.
After the parade of checks, the total was \$6,685.00.

Respectfully submitted,

Harold Fields, Chr., 52
David Bink, 514
Garrett Smith, 3904

Brother Fields moved for the approval of this report. The motion was seconded by Joseph Bella, Rochester Aerie 52, and approved.

REPORT OF THE KIDNEY COMMITTEE

Read by Charles Straub, Chr., Glens Falls Aerie 2486:

Brothers:

Kidney Research has accomplished many advances. The influx of Eagle dollars played a much bigger part than some realize.

As new things are found, history shows more funds are needed. The Secretary has on file that New York State is credited with \$5,011.84 in donations.

After the parade of checks, we will submit our final report. Ken asked me to thank you for your years of support. He knows we will continue that support with next year's Committee.

Our State's Co-Chairmen, Leonard Briggs, Johnson City Aerie 2644, and Joseph Bella, Rochester Aerie 52, will now accept your parade of checks.

The parade of checks totaled \$2,475.00, giving us a total of \$7,486.84.

Respectfully submitted,

Charles Straub, Chr., 2486
Leonard Briggs, 2644
Joseph Bella, 52

A motion was made by Brother Straub to accept the report as read. The motion was seconded by William Mulhollen, Addison Aerie 3904, and approved.

REPORT OF THE GOLDEN EAGLE COMMITTEE

Read by Daniel O'Neil, Chr., Ithaca Aerie 1253

Grand Aerie Representatives, State Officers & Delegates:

At the turn of the century, half of this country's population died before reaching 50 years of age. In 1998, the average life expectancy was 76 years, and on the increase. The over 85 age group is the fastest growing group today. Caring for our elderly, and making their quality of life the best that it can be, is an ever increasing job.

Aeries and Auxiliaries can receive Grants for the Gold Eagle and Alzheimer Disease by contacting the Grand Aerie. Grants can be used to help your local library purchase books and equipment to make information and entertainment more accessible to our elderly.

Grants were given throughout the State to help such programs as Meals on Wheels to see that our seniors are properly nourished; Senior Centers to keep them active and not a forgotten part of the community; and Transportation Programs, to help our elderly to these centers, as well as to the grocery store or a doctor or pharmacy when needed. As you can see, this Fund will become more and more important as time goes on. This Fund also gives Grants for Alzheimer Research.

I'll now ask for the parade of checks, after which I'll give my final report.

Cancer is the second cause of death in the United States. But, without donations, cancer can be beat. Many types of cancer are now curable so please, continue to have fundraisers at your Aerie and keep donating to the Cancer Fund.

So far, NYS jointly has given \$5,011.84 from September 1st to May 31, 2001. I would now like to call for the parade of checks.

Brother Eagle, President Franklin D. Roosevelt, signed into law 61 years ago a law that helped older Americans to live better. Since then, many changes have been made to the system. The Past State Presidents met on Friday, June 15, 2001, at 1:30 P.M., for a luncheon meeting here at the Olean Aerie. We had a very good luncheon. Present were 11 Past State Presidents, 3 Visitors, and Worthy State President Grant.

Several items of business were conducted. PSP dues were collected. It was decided to run another raffle in December, along with the ladies, and it was also decided that we would go back to an outside restaurant for our future luncheons.

During the dues collection, it was decided that as long as Jim Clark is a perennial visitor, that he be a card carrying member of the PSP so we collected his dues.

After several votes and much discussion, Skip Grant was finally allowed to become a member of the NYS Aerie Past State President's Club, but only after the bartender reluctantly cast the deciding vote.
